The Aramaic Covenants RavYaakov BarYosef, 2015-05-24 The Aramaic Covenants and Tanach In Three Volumes The goal of this work is to provide a modern and accurate English translation of the Chumash, Mikra (prophets and Writings) and the Apostolic Writings. The text of this edition of the Aramaic Covenants is a paraphrased translation in idiomatic language . This work is a new edition from translations of the Ancient Aramaic. For example this new edition uses the name of MarYah Eashoa Msheekha (Lord-G-d Yeshua Messiah). It also uses the word (ALLAHA for ELI) (G-d יְהוָה YHVH 1) and it introduces the Aramaic rendering of Maran as Lord, Along with other Ancient Galilean Aramaic renderings. Due weight was given to the ancient versions as establishing a tradition of interpretation. Out of the four levels of interpretation Parshat, Remez, D'rash, and Sod, the Parshat method was employed, as was Onkelos method of interpretation of the Torah

The Swindoll Study Bible NLT Tyndale, 2018-09 Winner of the 2018 Christian Book Award for Bible of the Year. The Swindoll Study Bible offers the best of Chuck Swindoll's wit, charm, pastoral insight, and wise biblical study directly to you as you study God's Word. Chuck's warm, personal style comes across on every page, and his informed, practical insights get straight to the heart of the Bible's message for the world today. Reading each part of this study Bible is like hearing Chuck speak God's Word directly to your heart. It will both encourage readers' faith and draw them deeper into the study of God's Word. In Chuck's own words: This study Bible was designed with you in mind. As you read the Scriptures, imagine my sitting beside you and sharing personal stories, important insights, and hard-earned lessons that will encourage you to walk more closely with Jesus Christ. You'll discover the who, what, where, when, why, and how of the Bible: Who wrote it and when? What does it mean, and where did its events occur? Why should I trust it? And most importantly, how can I apply it today? It's

that last question more than any other that has fed my passion to publish this Bible. My primary focus in ministry has been teaching biblical insight for living . . . for genuine life change. After all, that's why God has communicated His Word to us--so that we may become like His Son, Jesus Christ, the central figure of this Book. Free app with purchase! The Jewish Annotated New Testament Amy-Jill Levine, Marc Zvi Brettler, 2017 First published in 2011, *The Jewish Annotated New Testament* was a groundbreaking work, bringing the New Testament's Jewish background to the attention of students, clergy, and general readers. In this new edition, eighty Jewish scholars bring together unparalleled scholarship to shed new light on the text. This thoroughly revised and greatly expanded second edition brings even more helpful information and new insights to the study of the New Testament. - Introductions to each New Testament book, containing guidance for reading and specific information about how the book relates to the Judaism of the period, have been revised and augmented, and in some cases newly written. - Annotations on the text--some revised, some new to this edition--provide verse-by-verse commentary. - The thirty essays from the first edition are thoroughly updated, and there are twenty-four new essays, on topics such as Mary in Jewish Tradition, Christology, and Messianic Judaism. - For Christian readers *The Jewish Annotated New Testament* offers a window into the first-century world of Judaism from which the New Testament springs. There are explanations of Jewish concepts such as food laws and rabbinic argumentation. It also provides a much-needed corrective to many centuries of Christian misunderstandings of the Jewish religion. - For Jewish readers, this volume provides the chance to encounter the New Testament--a text of vast importance in Western European and American culture--with no religious agenda and with guidance from Jewish experts in theology, history, and Jewish and Christian thought. It also explains Christian practices, such as the Eucharist. *The Jewish Annotated New Testament, Second Edition* is an essential volume that places the New Testament writings in a context that will enlighten readers of any faith or none.
