Tied to Hell Vee Debras,2025-06-27 The devil offered me a deal. Now he regrets it. Picture me—the loser. Twenty-five, stuck at home with my older sister, a job that pays pennies, and sickening amounts of medical debt. Sounds like fun? Enter the reason for all of the above: the chronic pain I've been suffering from for almost a decade and that I will never get rid of. Now picture him—the demon whispering in my ear. I get one wish, he says. Anything. In exchange, he gets my body for just ten hours a day. For just seven weeks. Pretty sweet deal, right? And it's obvious what I'm going to ask for. Well, that's what

he thought. He couldn't imagine there's something that haunts me more than my pain. Something I would give anything to fix. So now he's stuck with me, suffering and trying to convince me to change my wish, but there's nothing that could make me give up what I asked for. Not even that purring, sultry voice that tells me we could be doing something other than fight for control. Tied to Hell is an MM monster romance with a trans love interest, lots of banter, angst, and spice. Though best enjoyed after the first book in the Monsters of Brimrey Island series, it can be read as a standalone and has a HEA. Check out the rest of the series for more queer characters finding love in this small town on a haunted island.

When a hunt for a hacker brings Casey back into Sam's life, his long-denied desire becomes impossible to ignore. Personal Score Ellen Van Neerven,2024-04-09 * 2025 Andrew Carnegie Medal for Excellence in Nonfiction — Longlist. A vital and deeply personal testament to self, family, community, culture, and sport. Award-winning writer Ellen van Neerven plays soccer from a young age, learning early on that while sport can lead to exhilarating experiences and community-building, it can also be a painful and exclusive world. The more they play, the more they realize about sport's troubled relationship with race, gender, and sexuality – and question what it means to play sport on stolen, sovereign land, especially in the midst of multiple environmental crises. Formidable, poetic, and impassioned, *Personal Score* is improbably many things at once, simultaneously a rumination on sport, relationship to land, Indigenous rights, trans inclusion, and race. Van Neerven weaves broad cultural touchstones, such as Zinedine Zidane's red card in the 2006 World Cup finals, with quiet moments playing soccer with their family, biking to and from practice, detailing a competitive and amorous relationship with a teammate, and simply enthralled by observing the landscape. Fierce, original, and also abundantly tender, *Personal Score* is a ground-breaking book that demonstrates van Neerven's unrivalled talent and courage.
