The Life You Were Born to Live Dan Millman, 1993

The Life You Were Born to Live - Revised 25th Anniversary Edition Dan Millman, 2018-08-20 Years ago, Millman had the good fortune to be tutored by a number of mentors as mysterious and wise as his best-known teacher he called Socrates. One of those masters revealed to him (and a few other close disciples) a previously secret (and more accurate) method of numerological insight that bordered on psychic abilities, and in fact opened doorways to profound insight into the core issues at the heart of one's own life and the lives of others. Millman worked with this system for a decade, providing spiritual law alignment readings for countless people, before teaching this system to a relatively small group of people — and finally, the time came to write *The Life You Were Born to Live*. In this book he presents the method and revelations of The Life Purpose system, a modern method based on ancient wisdom that has helped hundreds of thousands to find new meaning, purpose and direction. *The Life You Were Born to Live* describes:

- the thirty-seven paths of life
- a precise method to determine your own life path and the paths of others
- the core issues, innate talents and special needs related to each path, including areas of health, money and sexuality
- guidelines for approaching a career consistent with your innate drives and abilities
- the hidden purpose behind your own primary relationships
- how to live in harmony with the cycles of your life
- the key spiritual laws to help you understand your past, clarify your present, and empower your future.

The Life You Were Born to Live Dan Millman, 2018 This extensively updated edition of a crucial New Age classic will appeal to previous and new readers alike
