Road to Greatness Pritam S. Sahota Donald A. Assmann Mary Arnella-Venezia Michael Rubell Gulzar S. Sandhu Zbigniew W. Wojcinski,2022-04-08 "Greatness" has been defined as a quality of being great, distinguished, or eminent. "Road to Greatness" employs examples of selected individuals who achieved greatness. The road begins with a desire to become successful by creating a personal path to attain exceptional goals. "Genius= 1% Inspiration and 99% Perspiration." - Thomas Edison (Inventor: He made 1000 unsuccessful attempts before inventing the light bulb.) "Never, never, never, never give up." - Sir Winston Churchill (Historian, Nobel Prize Winner in Literature (1953) and Prime Minister of the UK during World War-2.) "A person who never made a mistake never tried anything new." - Albert Einstein (Theoretical physicist; Winner of the 1921 Nobel Prize in Physics.) "If you can dream it, you can do it." - Walt Disney (Entrepreneur, animator, writer, film producer; record holder for individual Academy Awards.) "People do not decide to become extraordinary. They decide to accomplish extraordinary things." Sir Edmund Hillary (Mountaineer, explorer, philanthropist; first climber with Tenzing Norgay to summit Mount Everest in 1953). "Road to Greatness" explores four groupings of over forty success factors that are instrumental in extraordinary achievement: Physical and Mental Fitness Connection of Inner and Outer Circles Constant Learning Skill Development Achieving competence in the success factors enhances an individual's ability to achieve greatness and can be developed through discipline and deliberate practice by incorporation in small increments into routine activities. True greats consistently grow through self-awareness to overcome their limitations, take on challenges, and endeavor to face the obstacles they encounter. The characteristics and traits that drive greatness are inherent within all of us

and can be applied to any field, subject, or discipline. “Road to Greatness” provides a roadmap to create a personalized path to extraordinary achievement for students, parents, teachers and graduates entering the workforce. Although it is uncertain what challenges you will face, the roadmap and exploration of greatness arms you with the tools you will need. As such, only one question remains: Are you willing to embark on your own road to greatness?

This book uses examples of celebrities who portrayed a certain attitude that led them to their success and unveils the world to young and fearless trailblazers, entrepreneurs and leaders. A Holy Pursuit Dianne Jago, 2020-03-17 "Chase your dreams and follow your heart, no matter the cost" is the call of the world today. The opposite extreme, often advised by well-meaning Christians, is to lay down all of our dreams and passions,

avoiding all self-interest. One narrative says to follow a passion, and the other says to lay it down. Both claim to offer happiness and purpose on the other side. But what does the Bible say about dreams, goals, and passions? With compelling illustrations from Dianne Jago's unexpected journey in creating DeeplyRooted Magazine, along with thoughtful scriptural examples, Dianne shares an honest account of how God changed her plans and aligned them with His. As you read this book, you will be challenged to look upward instead of inward, seeing the God-given purpose of every Christian as the foundation of your "dreams." Scripture shapes a believer's pursuits and the gospel speaks to our passions. Instead of the one-size-fits-all formula for dream-chasing, A Holy Pursuit will help you identify whether it's time to pursue, pause, or surrender a dream you hold.

Leading with Integrity Michael Smith, 2019-06-17 Thanks to global news and social media, we are the most informed and socially conscious generation in history. But what are the sources of inner inspiration that guide our daily conduct and motivations in the workplace? Far from the old Machiavellian dictum that the ends justify the means, the reverse is often the case: the means determine the ends. This book presents the stories of business leaders who have aimed to build trust in the economy, and have delivered value through integrity, cooperation, stewardship, purpose and sustainability. It proposes the eight Cs of trust which can define the culture of organizations: contracts, covenants, competences, character, conscience, conviction, courage and change. The book makes the clear link between personal decision-making and global outcomes and demonstrates how positive decision-making can lead to change inside organizations and beyond.

Do Not Go Quietly George Cappannelli, Sedena Cappannelli, 2014-12-01 Winner of 9 national book awards, Do Not Go Quietly is an inspiring call to action and guide to a life of greater meaning, consciousness, and passion for those who weren't born yesterday—GenXers, Boomers, and Elders. It also speaks honestly and eloquently to those under 40 who want to better navigate the path ahead and better understand the world for which they will soon be responsible. It reminds us all that when we turn away from what we are passionate about, we dim the light of our intellect, depress our energies, diminish our health, and prevent ourselves from achieving the very thing we came here to this earth to accomplish—living the lives we were born to live. So, if you are in, or are approaching the second half of life, this book invites you to take the matter of how and why you live back into your own hands. It encourages you to use the tremendous power and resources available to you to ensure that you do not slip quietly and meekly into the background, but instead live your life with the dignity, purpose, and quality of experience you deserve.
