

Lana Ferguson The Nanny

Lana Ferguson

The Nanny Lana Ferguson, 2023-04-11 A woman discovers the father of the child she is nannying may be her biggest (Only)Fan in this steamy contemporary romance by Lana Ferguson. Suddenly unemployed and on the brink of eviction, Cassie Evans is left with two choices: get a new job (and fast) or fire up her long-untouched OnlyFans account. But the job market is terrible, and as for OnlyFans. . . . Well, there are reasons she can't go back. Just when all hope seems lost, an ad for a live-in nanny position seems like the solution to all her problems. It's almost too perfect—until she meets her would-be employer. Aiden Reid, executive chef and DILF extraordinaire, is far from the stuffy single dad Cassie was imagining. He shocks her when he tells her she's the most qualified applicant he's met in weeks, practically begging her to take the job. With hands that make her hindbrain howl and eyes that scream sex, the idea of living under the same roof as Aiden feels dangerous, but with no other option, she decides to stay with him and his adorably tenacious daughter, Sophie. Cassie soon discovers that Aiden is not a stranger at all, but instead someone who is very familiar with her—or at least, her body. Given that he doesn't remember her, Cassie is faced with what feels like an impossible situation. As their relationship heats to temperatures hotter than any kitchen Aiden has ever worked in, Cassie struggles with telling Aiden the truth, and the more terrifying possibility—losing the best chance at happiness she's ever had.

The Game Changer Lana Ferguson, 2024-07-09 An instant USA Today bestseller A hockey player and a baker shoot their shot in this steamy new romance by Lana Ferguson, USA Today bestselling author of *The Nanny*. When a very public breakup becomes a PR nightmare for Ian Chase's team, he hopes to focus on his game, but that suddenly seem less likely than a hat trick. With his career and the team's image in jeopardy, Ian is surprised to find a solution through none other than Delilah Baker, his best friend and teammate's little sister...who isn't so little anymore. Delilah Baker is known as "the darling of baking" on her local cable show, and being in the public eye is her bread and butter. But with her numbers dwindling and her producers turning up the heat, Delilah offers up the half-baked idea to collaborate with her brother's team to entice the hockey fans of Boston to tune in to her show. Delilah thinks it will be a piece of cake—until the team sends Ian Chase, her brother's best friend and the object of a decade-long crush that she's never quite gotten over. Delilah's and Ian's teams think it's a true win-win situation—gaining higher numbers for Delilah's show and casting Ian in a more positive light. And viewers are eating them up like a cupcake, sparking the idea to play up their relationship for the goal of good press. With more than

just their careers on thin ice, the line between what's real and what's for show begins to blur, but one thing's for certain: This PR stunt will either be a total game changer—or leave them both totally pucked.

Under Loch and Key Lana Ferguson, 2024-12-03 A woman discovers that not all monsters are her enemy—the opposite, in fact—in this new paranormal romance by Lana Ferguson, author of *The Fake Mate*. Keyanna "Key" MacKay is used to secrets. Raised by a single father who never divulged his past, it's only after his death that she finds herself thrust into the world he'd always refused to speak of. With just a childhood bedtime story about a monster that saved her father's life and the name of her estranged grandmother to go off of, Key has no idea what she'll find in Scotland. But repeating her father's mistakes and being rescued by a gorgeous, angry Scotsman—who thinks she's an idiot—is definitely the last thing she expects. Lachlan Greer has his own secrets to keep, especially from the bonnie lass he pulls to safety from the slippery shore—a lass with captivating eyes and the last name he's been taught not to trust. He's looking for answers as well, and Key's presence on the grounds they both now occupy presents a real problem. It's even more troublesome when he gets a front row seat to the lukewarm welcome Key receives from her family; the strange powers she begins to develop; and the fierce determination she brings to every obstacle in her path. Things he shouldn't care about, and someone he definitely doesn't find wildly attractive. When their secrets collide, it becomes clear that Lachlan could hold the answers Keyanna is after—and that she might also be the key to uncovering his. Up against time, mystery, and a centuries old curse, they'll quickly discover that magic might not only be in fairy tales, and that love can be a real loch-mess.

The Fake Mate Lana Ferguson, 2023-12-05 Two wolf shifters agree to be fake mates but unexpectedly find something

real in this steamy paranormal romantic comedy by Lana Ferguson. Mackenzie Carter has had some very bad dates lately. Model train experts, mansplainers, guys weirdly obsessed with her tail—she hasn't had a successful date in months. Only a year out of residency, her grandmother's obsession with Mackenzie finding the perfect mate to settle down with threatens to drive Mackenzie barking mad. Out of options, it feels like a small thing to tell her grandmother that she's met someone. That is, until she blurts out the name of the first man she sees and the last man she would ever date: Noah Taylor, the big bad wolf of Denver General. Noah Taylor, interventional cardiologist and all around grump, has spent his entire life hiding what he is. With outdated stigmas surrounding unmated alphas that have people wondering if they still howl at the moon, Noah has been careful to keep his designation under wraps. It's worked for years, until an anonymous tip has everything coming to light. Noah is left with two options: come clean to the board and risk his career—or find himself a mate. The chatty, overly friendly ER doctor asking him to be her fake boyfriend on the same day he's called to meet the board has to be kismet, right? Mackenzie will keep her grandmother off her back, and Noah will get a chance to prove he can continue to work without a real mate—a mutually beneficial business transaction, they both rationalize. But when the fake-mate act turns into a very real friends-with-benefits arrangement, lines start to blur, and they quickly realize love is a whole different kind of animal.

Overruled Lana Ferguson, 2025-07-01 Two divorce lawyers determined to share only beds but not hearts discover that love is something that can't be overruled in this steamy contemporary romance by Lana Ferguson, USA Today bestselling author of *The Game Changer*. Danica Pierce has one great love in her life: work. As one of the top divorce lawyers in Austin, Danica lets her caseload keep her warm at night and has no problem being married to her job, not when love only ends in hurt. When the biggest case of her career gives her a shot at making partner, it seems like nothing could possibly stand in her way...except for her infuriating secret: she's sleeping with the enemy. Ezra Hart is known for charming his way in and out of a courtroom. In the matter of winning Danica Pierce's heart, however, he's been far less successful. With her verdict to keep things purely physical with no chance of appeal, Ezra struggles to show Danica he's more than the insufferable playboy she's pegged him to be—especially since they find themselves on opposing sides of Danica's most important case to date. While Dani and Ezra battle it out in the courtroom, the real trial is the one happening between them. When Dani realizes that everything she knows of Ezra might be hearsay—and that she's not the only one with emotional baggage—she must choose between her fear of trusting again and the feelings blossoming between her and the man she thought was her worst enemy.

The Ex Vows Jessica Joyce, 2024-07-16 An Instant USA Today Bestseller! An Indie Next Pick A Library Reads Pick Estranged exes must stick close together to save their best friend's wedding after a string of disasters in this swoony and steamy second-chance romance from the USA Today bestselling author of *You, with a View*. Georgia Woodward lives by her lists, none more so than the one about her ex, Eli Mora. It's full of the ironclad dos and don'ts they've been following since she returned to the Bay Area after their cataclysmic breakup five years ago. With the wedding of their mutual best friend,

Adam, looming, and them about to step into their roles as best woman and man, Georgia's never needed it more. She refuses to threaten their tight-knit friend group with her messy—and still very present—feelings. The rules on that list will keep her cool, calm, and compartmentalized. What's not on her list? Eli arriving from New York with a new rule-breaking attitude or the all-inclusive venue burning to the ground, leaving the bride and groom in dire straits. Nor does she anticipate Adam asking her and Eli to help him make a miracle happen. Together. As Georgia and Eli rush up to Napa Valley to pull off the perfect wedding, their old chemistry comes back in technicolor. Somewhere between cake tastings gone wrong, disastrous DJ auditions, and Eli's heated attention, Georgia starts recognizing the man she fell in love with before. And if she lets herself break her rules, she might find what they're building isn't the something old that ruined them—it's a chance at something new.

Fall for Him Andie Burke, 2024-09-03 In *Fall for Him* by Andie Burke, seven-hundred-fifty square feet isn't enough for the home-renovation-fueled hatred and the building sexual tension. Dylan Gallagher's hot neighbor loathed him from the second he moved in, and causing a flood, falling through the floor, and landing directly onto that same neighbor's bed probably means that's unlikely to change. The poorly timed "It's Raining Men" joke didn't help. Meanwhile, ER nurse Derek Chang's life is a literal when-rains-it-pours nightmare. A man he hates dropped into his life along with an astronomically expensive problem originating from Derek's own apartment's plumbing. Also, the local HOA tyrant has been sniffing around trying to fine him for his extended, illicit banned breed dog-sitting. Since Dylan also wants to keep the catastrophe quiet, he offers to fix the damage himself. Dylan's sure he's not Derek's type, so he focuses all his ADHD hyper fixation energy on getting the repair job done as quickly as possible—avoiding doing anything stupid like acting on his very inconvenient crush. Meanwhile Derek tries to ignore that the tattooed nerd sleeping on the couch is surprisingly witty, smart, and kind, despite the long-term grudge Derek's been holding against him. But will squeezing all their emotional baggage plus a dog into a tiny one-bedroom apartment be a major disaster...or just prove they're made for each other? *Fall for Him* combines banter, hijinks, and heart in a story of finding out what it means to fix things after your life crumbles.

Unloved Peyton Corinne, 2025-02-04 The USA TODAY bestselling follow-up to Peyton Corinne's "unputdownable and unforgettable" (Bal Khabra, author of *Collide*) TikTok sensation *Unsteady* follows hopeless romantic Ro and player—on and off the ice—Freddy as they forge an unexpected bond that slowly turns into a life lesson in self-worth and the healing quality of love. Matt "Freddy" Fredderic is all smiles—at least on the surface. On the ice, he's the star left winger for the Waterfell Wolves with a stellar reputation in bed and a potential future in the NHL. But in the classroom, he's barely scraping by on a 2.0 GPA, retaking failed classes and struggling with a rough mix of dyslexia, dyscalculia, and ADHD. Now tied to an NHL contract upon graduation, Freddy needs help to pass biology with a professor he has a tumultuous past with. Ro Shariff is a hopeless romantic with terrible luck in love—and now, Freddy's newly assigned tutor. Trying to convince herself that she's

very happy with her on again/off again boyfriend, Ro is desperate for real affection. As her tutoring sessions with Freddy lead to late-night phone calls and a deep understanding of each other's hidden pains, a real friendship strikes up between them. And, inevitably, a wistful secret pining hidden by them both. Ro can't stop thinking about her first kiss her freshman year with Freddy—a spine-tingling moment that Freddy doesn't seem to remember. Meanwhile, Freddy can't let go of Ro's drunken heartfelt confessions from the night she doesn't remember. While Freddy is determined to protect Ro from his reputation and prove to her how worthy of love she is, Ro wants to show Freddy that despite what others have led him to believe, he's worth more than just his body. Together, with gentle affection and true admiration, they will show each other how easy it is to love the right person, no matter their flaws.

Heart Strings Ivy Fairbanks, 2025-08-12 A sizzling exes-to-lovers second-chance romance from the author of *Morbidly Yours*, the “sweet, spicy, and fabulous” (Abby Jimenez, #1 New York Times bestselling author) TikTok sensation *She Doesn't Do Second Chances*. But he's not done writing their song. Cielo “Lo” Valdez doesn't believe in second chances. Surviving cancer taught her life is too short to spend time on someone who wronged you. But Aidan O'Toole is determined to show her life is best spent together. When the tough-as-nails Texan moved to Galway for medical school, she wasn't looking for love. Aidan, a gorgeous, tattooed, mandolin-playing lawyer, slipped past her defenses. They each fell hard and fast. But when Aidan was given the opportunity of a lifetime—to move to London and record an album—he took it, breaking Lo's heart. Yet more than two years and a successful album later, every song he writes is still about her, the one he let get away. And every time Lo hears his voice on the radio singing about love, it's an arrow straight to her soul. Now they're on a collision course as maid of honor and best man at a weekend-long Irish castle wedding. Are some mistakes worth forgiving? Can Aidan convince Lo their song wasn't meant to end?

Overruled Lana Ferguson, 2025-07

The Player Bookazine Issue 19 The Player, 2011-11-30

The Nanny Lana Ferguson, 2025-04-08 L'annuncio di un padre single in cerca di una babysitter sembra la salvezza. Solo che Aiden Reid, affermato executive chef, non è il datore di lavoro che lei si aspettava: con quelle mani, quegli occhi che gridano sesso, stargli vicino sarà molto pericoloso. Ma Cassie non ha scelta e così si trasferisce dai Reid per diventare la tata della caparbia Sophie. I guai cominciano quando Cassie si accorge che Aiden non è affatto uno sconosciuto, anche se sembra non ricordarsi di lei. Che fare? Dirgli la verità o mentire per preservare la miglior possibilità di essere felice che le sia mai capitata?

Barely Even Friends Mae Bennett, 2024-06-04 A grumpy, rich recluse meets his match in this steamy Beauty and the Beast retelling—with a Succession twist. Fans of fairy tale adaptations, and readers of Julie Murphy and Falon Ballard, will adore Mae Bennett's debut romance. Bellamy Price has just been offered the job of a lifetime: lead contractor on the

restoration of the mysterious and sprawling Killington Estate. If she meets the owner's ridiculous timeline, she'll finally make a name for herself in this male-dominated industry. But when she rolls up her sleeves, slips on her suspenders, and shows up at the crumbling mansion, Bellamy finds the estate very much occupied. After a traumatic car accident that left his parents dead and himself injured, Oliver Killington, heir to the Killington empire, took up residence as the grumpy caretaker of his grandfather's mansion. None too pleased by the presence of the hammer-wielding woman who's moved into his house, Oliver tries to block her at every turn. But when Bellamy discovers Oliver's facing his own ultimatum from his grandfather, the two form a cautious truce, which leads to flying sparks that are definitely not from faulty wiring. As Bellamy restores the gleam to the Killington Estate, she'll have to decide if the walls she's built around herself are worth knocking down to make space for someone else. Perfect for fans of Tessa Bailey, this clever, steamy debut novel will have readers rooting for this Beauty and her Beast until the very last page.
