Jordyn Taylor

**The Falling in Love Montage** Ciara Smyth,2020-06-09 Two girls embark on a summer of montage-worthy dates (with a few strings attached) in this hilarious and heartfelt lesbian rom-com that's perfect for fans of Becky Albertalli and Jenny Han. Seventeen-year-old cynic Saoirse Clarke isn't looking for a relationship. But when she meets mischievous Ruby, that rule goes right out the window. Sort of. Because Ruby has a loophole in mind: a summer of all the best cliché movie montage dates, with a definite ending come fall—no broken hearts, no messy breakup. It would be the perfect plan, if they weren't forgetting one thing about the Falling in Love Montage: when it's over, the characters have fallen in love...for real. Ciara Smyth's debut is a delightful, multilayered YA rom-com that will make you laugh, cry, and absolutely fall in love.

**Gay Club!** Simon James Green,2023-06-06 A landmark comedic novel about a group of queer teens at their worst - and ultimately their best - from one of the UK's leading writers of LGBTQ+ teen fiction. Barney's a shoo-in for his school's LGBTQ+ Society President at the club's next election. But when the vote is opened up to the entire student body, the whole school starts paying attention. How low will the candidates go to win? Buckle up for some serious shade, scandals and sleazy shenanigans. It isn't long before it's National Coming Out Day - for everyone's secrets! But when the group faces an unexpected threat - and a big opportunity - can the club members put politics aside and stand united?

**The Revenge Game** Jordyn Taylor,2024-12-10 A feminist mystery that author Jessica Goodman called whip-smart and lowkey hilarious, about the dark side of a hopeless romantic's seemingly perfect love story. Play to win. Alyson Benowitz is a romantic, and sometimes that gets her into trouble—like when she falls for boys who aren't into her. But this time it's different. Her connection with Brenton Riggs Jr., a star athlete at her elite prep school, isn't just in her head. She's swept up in her first real relationship. Then she hears the rumors about a competition the Sullivan-Stewart guys started to see who can get with the most girls. It's deeply disturbing . . . if it's true. Is Brenton with Alyson for the right reasons—or is he trying to win some gross game? And when the girls at school take matters into their own hands, things take an unsettling turn. Lies, secrets, backstabbing . . . when push comes to shove, who'll be left standing?

**Eat, Pray, Love** Elizabeth Gilbert,2007-03-05 The Number One international bestseller, Eat, Pray Love is a journey around the world, a quest for spiritual enlightenment and a story for anyone who has battled with divorce, depression and heartbreak.

*The Complete Elizabeth Gilbert* Elizabeth Gilbert, 2010-09-24 For the first time the complete works of the award-winning author Elizabeth Gilbert are collected together, highlighting her talents as a writer of both fiction and non-fiction. In the international best-seller *Eat, Pray, Love*, Gilbert narrates her struggles after a bitter divorce and turbulent love affair, beginning her quest to rediscover how to be happy. In Rome, she indulges herself and gains nearly two stone. In India, she finds enlightenment through scrubbing temple floors. Finally, in Bali a toothless medicine man reveals a new path to peace, leaving her ready to find love again. In *Committed*, Gilbert is about to wed the man she fell in love with at the end of *Eat, Pray, Love* and with wit and intelligence contemplates marriage, trying with all her might to discover what this stubbornly enduring old institution actually is. In *The Last American Man*, Gilbert presents a fascinating, intimate portrait of the American naturalist and brilliant modern hero Eustace Conway, who at the age of seventeen ditched the comforts of his suburban existence to escape into the wild. Attempting to instill in people a deeper appreciation of nature, Conway stops at nothing in pursuit of bigger, bolder adventures. In Gilbert's first novel *Stern Men*, the eighteen-year-old irredeemably unromantic Ruth Thomas returns home from boarding school determined to join the 'stern-men'. Throwing her education overboard, this feisty and unforgettable American heroine helps work the lobster boats and brushes up on her profanity, eventually falling for a handsome young lobsterman. In *Pilgrims*, Gilbert's sharply drawn and tenderly observed collection of twelve short stories, tough heroes and heroines, hardened by their experiences, struggle for their epiphanies and seek companionship as fiercely as they can.

*From Chariots of Fire to The King's Speech* Alan Rosenthal, 2014-02-18 Over the past decade, movie audiences have become hungry for films based on real people and historical events. Never was this more evident than during the best-picture showdown between *The King's Speech* and *The Social Network* during the 2011 Academy Awards, a scene then repeated, with *Argo*, *Lincoln* and *Zero Dark Thirty* in the 2013 awards.. While Hollywood moguls have come to recognize the box-office revenue and critical acclaim that accompany such films and are now fast-tracking many docudramas into theaters, there remains a need for more reality-based film scripts. In *From "Chariots of Fire" to "The King's Speech,"* writer, director, and producer Alan Rosenthal presents a manual for screenwriters to develop their bio-pic or docudrama from concept to completion. This comprehensive guide begins with an overview of the genre before providing screenwriters with all the techniques and insights needed to navigate the often intimidating landscape of screenwriting for reality-based scripts. Included within the volume are tips for such challenges as inception and research, developing dialogue and narration, and capably addressing any legal and rights issues that may arise. Also included are appendixes containing useful marketing tips and broadcast guidelines. A practical, down-to-earth manual for experienced and novice screenwriters alike, *From "Chariots of Fire" to "The King's Speech"* is the only manual dedicated explicitly to writing the bio-pic and docudrama. Rosenthal shares his decades of experience in the film industry, along with hands-on tools and maps, to help screenwriters completely

master this popular film genre.

**By the Book** Pamela Paul, 2014-10-28 Sixty-five of the world's leading writers open up about the books and authors that have meant the most to them Every Sunday, readers of The New York Times Book Review turn with anticipation to see which novelist, historian, short story writer, or artist will be the subject of the popular By the Book feature. These wide-ranging interviews are conducted by Pamela Paul, the editor of the Book Review, and here she brings together sixty-five of the most intriguing and fascinating exchanges, featuring personalities as varied as David Sedaris, Hilary Mantel, Michael Chabon, Khaled Hosseini, Anne Lamott, and James Patterson. The questions and answers admit us into the private worlds of these authors, as they reflect on their work habits, reading preferences, inspirations, pet peeves, and recommendations. By the Book contains the full uncut interviews, offering a range of experiences and observations that deepens readers' understanding of the literary sensibility and the writing process. It also features dozens of sidebars that reveal the commonalities and conflicts among the participants, underscoring those influences that are truly universal and those that remain matters of individual taste. For the devoted reader, By the Book is a way to invite sixty-five of the most interesting guests into your world. It's a book party not to be missed.

The Opposite of Here Tara Altebrando, 2018-06-05 A taut, evocative thriller that's surprising to the last page. --Karen M. McManus, New York Times bestselling author of *One of Us Is Lying* There's no hiding on a cruise ship--not even from yourself. Natalie's parents are taking her and her three best friends on a cruise for her seventeenth birthday. A sail-a-bration, they call it. But it's only been a few short months since Natalie's boyfriend died in a tragic accident, and she wants to be anywhere but here. Then she meets a guy on the first night and sparks fly. After a moonlit conversation on a secluded deck of the ship, Natalie pops down to her cabin to get her swimsuit so they can go for a dip. But when she returns, he's gone. Something he said makes her think he might have . . . jumped? No, he couldn't have. But why do her friends think she's crazy for wanting to make sure he's okay? Also, why do they seem to be hiding something from her? And how can she find him when she doesn't even know his name? Most importantly, why is the captain on the intercom announcing the urgent need for a headcount? With her signature thrilling storytelling, the author of *The Leaving* and *The Possible* explores our vulnerability to the power of suggestion--and the lies we tell others and ourselves--in a twisting, Hitchcock-inspired mystery with high stakes and dark secrets.

*The (Other) F Word* Angie Manfredi, 2019-09-24 "This outstanding anthology of essays, illustrations, poems, and letters . . . is a celebration of every body and presents a revolutionary message" (Publishers Weekly, starred review). The time has come for fat people to tell their own stories. *The (Other) F Word* combines the voices of Renée Watson, Julie Murphy, Jes Baker, Samantha Irby, Bruce Sturgell, and many others in a relatable, revelatory and inspiring exploration of body image and fat acceptance. This dazzling collection of art, poetry, essays, and fashion tips is meant for people of all sizes who desire to be

seen and heard in a culture consumed by a narrow definition of beauty. By combining the talents of renowned fat YA and middle-grade authors, as well as fat influencers and creators, *The (Other) F Word* offers teen readers and activists of all ages a tool for navigating our world with confidence and courage.

**Law of Attraction** Allison Leotta, 2015-03-24 After a woman at the center of a domestic violence case is murdered, attorney Anna Curtis must join with a handsome prosecutor to face off against her boyfriend, who is the defense attorney for the victim's lover.

Robert Lepage's original stage productions Karen Fricker, 2020-07-28 This book explores the development of Robert Lepage's distinctive approach to stage direction in the early (1984-1994) and middle (1995-2008) stages of his career, arguing that globalisation had a defining effect on shaping his aesthetic and his professional trajectory. In addition to globalisation theory, the book draws on cinema studies, queer theory, and theories of affect and reception. Each of six chapters treats a particular aspect of globalisation, using this as a means to explore one or more of Lepage's productions. Productions discussed include *The Dragon's Trilogy*, *Needles and Opium*, and *The Far Side of the Moon*. Making theatre global: Robert Lepage's original stage productions will be of interest to scholars of contemporary theatre, advanced-level undergraduates, and arts lovers keen for new perspectives on one of the most talked-about theatre artists of the early 21st century.

*The Heart of the Film* Cynthia Whitcomb, 2017-03-31 Most movies include a love story, whether it is the central story or a subplot, and knowing how to write a believable relationship is essential to any writer's skill set. Discover the rules and laws of nature at play in a compelling love story and learn and master them. Broken into four sections, *The Heart of the Film* identifies the critical features of love story development, and explores every variation of this structure as well as a diverse array of relationships and types of love. Author Cynthia Whitcomb has sold over 70 feature-length screenplays and shares the keys to her success in *The Heart of the Film*, drawing on classic and modern films as well as her own extensive experience.

*Brittany Murphy* Peter Shelley, 2022-02-02 Brittany Murphy (1977-2009) was an American film, television, and stage actress, singer, voice artist, and film producer. Beginning her career, 1995's *Clueless* proved to be her breakthrough film; notable roles followed in *Girl, Interrupted* (1999), *Don't Say a Word* (2001), *8 Mile* (2002), and *Just Married* (2003). Despite the lead in *Uptown Girls* (2003), the production of *The Ramen Girl* (2008), and a long-running voice role on the animated television series *King of the Hill* (1997-2010), subsequent leading roles were less successful. Her later acting years were plagued by scandal and bad press, and the once critically acclaimed actress died of pneumonia at the young age of 32, shrouded by mystery. The first to span her life and career, this biography surveys Murphy's films, television appearances, stage shows, music videos, and public appearances in the order in which they were made. Critical reactions to and awards earned for her works are featured as is a selection of portraits, film stills and posters.

American Postfeminist Cinema Michele Schreiber, 2014-03-11 In light of their tremendous gains in the political and professional sphere, and their ever expanding options, why is it that most contemporary American films aimed at women still focus almost exclusively on their pursuit of a heterosexual romantic relationship? *American Postfeminist Cinema* explores this question and is the first book to examine the symbiotic relationship between heterosexual romance and postfeminist culture. The book argues that since 1980, postfeminism's most salient tensions and anxieties have been reflected and negotiated in the American romance film. Case studies of a broad range of Hollywood and independent films reveal how the postfeminist romance cycle is intertwined with contemporary women's ambivalence and broader cultural anxieties about women's changing social and political status.

*American Eccentric Cinema* Kim Wilkins, 2019-02-21 Since the late 1990s a new language has emerged in film scholarship and criticism in response to the popularity of American directors such as Wes Anderson, Charlie Kaufman, and David O. Russell. Increasingly, adjectives like 'quirky', 'cute', and 'smart' are used to describe these American films, with a focus on their ironic (and sometimes deliberately comical) stories, character situations and tones. Kim Wilkins argues that, beyond the seemingly superficial descriptions, 'American eccentric cinema' presents a formal and thematic eccentricity that is distinct to the American context. She distinguishes these films from mainstream Hollywood cinema as they exhibit irregularities in characterization, tone, and setting, and deviate from established generic conventions. Each chapter builds a case for this position through detailed film analyses and comparisons to earlier American traditions, such as the New Hollywood cinema of the 1960s and 1970s. *American Eccentric Cinema* promises to challenge the notion of irony in American contemporary cinema, and questions the relationship of irony to a complex national and individual identity.

*100 Nights in the Dark* Joe Barlow, 2000-12 Fed up with snooty film critics? Then this is the book for you! *100 Nights in the Dark* is a collection of 100 humorous, insightful film reviews and essays by renowned critic Joe Barlow. Want the low-down on a particular film before you pop it into your VCR? Barlow tells you which recent films are worth seeing, which you should skip, and which will require years of painful therapy should you view them, and he does it in the same playful, irreverent style which has made him one of the Internet's most popular movie reviewers.

It's My F---ing Birthday Merrill Markoe, 2007-12-18 "In the coming year," she said, hoisting her blindingly clean and gleaming glass into the air, "may half of all your dreams come true." "Mom," I said to her, "isn't that kind of pathetic?" "Well, it's realistic." It's her thirty-sixth birthday, and she really thought things would be different this year—that she'd have figured out men and how to get along with her narcissistic parents enough to survive a birthday celebration. But nothing's changed. Her disappointing day is capped off by the delivery of a huge bouquet of flowers from Carl, with whom she has recently, and bitterly, split. A gesture of reconciliation? Of passive aggression? She's too unhinged to tell. *It's My F---ing Birthday* unfolds in seven state-of-my-life addresses this hapless high school art teacher writes to herself on consecutive birthdays, as she is

determined to break the patterns of behavior that are keeping her down. Her objective: to avoid making the same mistakes over and over and start making some new ones. Through seven outrageously funny years of needling parents, self-absorbed boyfriends, riots, O.J., and Monica—and bigger and bigger bouquets from Carl—she navigates a circuitous (and ultimately successful) route to happiness in a world where everything seems to conspire to the contrary. What I Learned This Year That I Need to Remember 1. No more taking the bait from Mom. Even if the fight becomes about not taking the bait. 2. No more dwelling in the past. 3. Try much harder to continue being a vegetarian. This will limit the restaurants the folks can take me to. 4. No more trying to decode the flowers from Carl. If he sends them again, just think of them as a fun, free thing, like a little sample box of cereal or detergent that suddenly appears in the mailbox. 5. Don't make a big deal out of the fact that there were no guys this year. Perhaps that's a better thing than continuing to get involved with guys who exhibit behavior from the beginning that indicates the whole thing is completely hopeless. So try to remember the above as a coping strategy when I am so crazed with horniness that I want to throw myself off a building. 6. No more mumbo jumbo. This means no more calling 900 astrology numbers listed at the end of horoscopes in women's magazines to find out my love forecast. And no more going to psychics, no matter how dicey things get.

**The Sky We Walk Upon** Lissa Marie Niederer, 2014-04-01 Hannah Mackenzie has never given her faith, or lack thereof, a second thought. Between her mother's emotional estrangement and a seemingly uninterested man of her dreams, Hannah is too preoccupied with her worldly relationships to think about a God who may or may not exist. But when she begins to reach beyond her comfort zone, finding the hope of love in the most unexpected place, something begins to take root in Hannah's heart—something that requires her to trust in a truth that is beyond what she can touch and see. Will the ice and storms of a brutal winter prove too much for Hannah to handle? Will her fledgling faith be strong enough to carry her through the trials to come? Set against the ruggedly beautiful backdrop of the western Maine wilderness, *The Sky We Walk Upon* is the story of one woman's redemptive climb to joy, beckoning readers to examine their own capacity for believing in a love that has no end.

*How Coppola Became Cage* Zach Schonfeld, 2024 *How Coppola Became Cage* tells the story of Nicolas Cage's early career and rise to fame, examining the formative performances that made him an icon of independent cinema of the eighties and early nineties. By interviewing dozens of directors, producers, and actors who worked closely with Cage, author Zach Schonfeld takes readers behind the scenes of his legendary early films and provides a revealing portrait of Cage's intensely devoted commitment to his roles.

*The Films of Wes Anderson* P. Kunze, 2014-05-01 Wes Anderson's films can be divisive, but he is widely recognized as the inspiration for several recent trends in indie films. Using both practical and theoretical lenses, the contributors address and explain the recurring stylistic techniques, motifs, and themes that dominate Anderson's films and have had such an impact on current filmmaking.
