

Yakub The Father Of The White Race

Herbert Berg

Yakub Shawn L. Asor-Sallaah, 2019-01-03 THE YAKUB EXPERIMENT THE EXPLANATION OF RACISM. How can someone explain racism that is often demonic or otherwise unexplainable. The answer lies with Yakub, an African Big Head Scientist that spear headed a genetic experiment that created the Caucasian man and woman. This book examines and answers the age-old question are Caucasians genetically incline to hate and practice racism against people of color. The Yakub Experiment demonstrates how humankind developed from the original man, the African man and woman. In this Book, You Will Learn, -Yakub was the father of the white race.-Yakub's Experiment discovery and results.-Causes of Caucasian racism. -The use of Biblical justification for racism. -The Caucasian Burdens throughout the world. -Yakub's Experiment and modern-day racism.- A solution to Caucasian racism. -And much more! Yakub was a scientist with an enormous head, he was known as the big head scientist. He noticed that unlike attracts and like repels. Using this law of attraction, he created a people who would have little to no conscious and would challenge the original inhabitants on planet earth. He knew the black man and black woman contained the brown germ, the lighter of the two germs that mostly remained dormant. He knew that using a breeding process that one out of three children bred under his technique would be lighter and weaker than the original man and woman. The new species from the original man would be without a natural conscious.

Yakub (Jacob) Elijah Muhammad, 2008-11-06 Yakub is a Black Scientist introduced to the public by Elijah Muhammad. Elijah Muhammad told of his history as being the father of mankind or the maker of the white race. This teaching proved to be one of the most explosive within the Nation of Islam's theological and mathematical doctrine. Thought to be a myth, especially among those who gravitated more towards Orthodox Islam, which by the way, don't accept Elijah Muhammad as being authentic, but since the cloning of the sheep Dolly and other organic species, the facts that Elijah Muhammad attributed to this man cannot be discounted unless we all suddenly agree that Dolly never happened.

Children of Ezekiel Michael Lieb, 1998 Discusses the relationship between the biblical prophet Ezekiel's vision of wheels in the air and the present day end-of-time concept as seen in various religious sects.

Theology of Time - Abridged Indexed by Subject Elijah Muhammad, 2006 The Theology of Time is a 20 lecture book presented by Elijah Muhammad, Messenger of Allah. It was a dedication to what had become the Nation of Islam's official headquarters. It was known as Muhammad Temple #2 in Chicago. The lecture series ranged from June thru October 1972.

What made this dedication very significant is that prior to this time, dating as far back as 1967, the Messenger rarely spoke on the scale he had previous to this time. It wasn't uncommon to either hear him on radio broadcasts or one of his ministers. Having been prohibited to speak by Allah up to this point, this represented a significant occasion. Elijah Muhammad covered a wide and comprehensive overview of his entire program, concepts and lessons. This is by far the most wide ranging example of his teaching. Many of the subjects he taught was scattered over the entire period, which is why in this subject-indexed version, the subjects were put together instead of leaving them scattered.

Message to the Blackman in America Elijah Muhammad,1973-11-07 According to countless mainstream news organs, Elijah Muhammad, by far, was the most powerful black man in America. Known more for the students he produced, like Malcolm X, Louis Farrakhan and Muhammad Ali, this controversial man exposed the black man as well as the world to a teaching, till now, was only used behind closed doors of high degree Masons and Shriners. An easy and smart read. The book approaches the question of what and who is God. It compares the concept held by religions to nature and mathematics. It also explores the origin of the original man, mankind, devil, heaven and hell. Its title, Message To The Blackman, is directed to the American Blacks specifically, but addresses blacks universally as well.

The Genesis Years of Elijah Muhammad Elijah Muhammad,2008-11-14 This book represents the early writings of Elijah Muhammad when he submitted hundreds of articles to news organs like the Herald Dispatch, Amsterdam News, The Chicago Crusader and the Pittsburgh Courier. These newspapers were circulated primarily throughout the black community. Schools of thought developed with notables like Elijah Muhammad, a staunch advocate of racial separation on one side, and Martin Luther King, a government sponsored poster boy for racial integration on the other. Elijah Muhammad writing challenged many white preachers openly and refuted their claim of divinity. He address what had come to be known as open conspiracy to destroy the black man and woman through Catholic sponsored birth control.

Our Saviour Has Arrived Elijah Muhammad,1974 This title addresses the creation of God, the New World, and what's referred to as the metaphysical side of Elijah Muhammad's teaching. It eloquently delves into the subject of form and spirit in the simplest terms. The relationship of Jesus, Joseph and Mary is given a critical analysis as it relates to blacks in America.

Yakub and the Origins of White Supremacy Dorothy Blake Fardan,2001 For Black Students, most of whom had been denied access to their history through inadequate schooling still controlled by white Eurocentric thinking, the discovery of great black civilizations, beautiful traditions, ancient religion, honorable ancestors, and indeed, the very orings of life itself, as their own heritage was truly uplifting and inspiring for them.

The Supreme Understanding ,

Islamic Impostors Poray Sr Casimier,2004-07 From the obscure beginnings of a 1930s ghetto in Detroit to international acclaim, Black Muslims have evoked fright, mystery, and hostility. The Nation of Islam received little attention from the black

Christian church, despite its blatantly blasphemous teachings. In weekly radio broadcasts, Elijah Muhammad taught that his doctrine was superior to the Bible and Quran, his mentor was the Messiah/God spoken of in Scripture, and Jesus died in front of a Jewish storefront and remains buried in Jerusalem. From the early 1980s, Louis Farrakhan has taught Elijahs doctrine with one major difference: he stands in the pulpits of Christian churches, mesmerizing the biblically illiterate! Islamic Impostors carefully details the irreconcilable differences between Christians, Black Muslims, and Islam, while providing a biblical critique to aid the Christian church.

The God Tribe of Shabazz - The True History Elijah Muhammad, Nasir Hakim, 2012-03-17 The history of the God Tribe of Shabazz is one of the most elusive subjects of the Supreme Wisdom as taught by Messenger Elijah Muhammad, partly because it is spread out over so much time, on so many lectures and in so many different articles. The Tribe of Shabazz is not simply the offspring of a group of people who were the product of a disgruntled scientist who went into Africa to prove that He could make a people that could withstand anything, but a continuum of a vein of expression characteristic of how we as black people, who, when in our natural mind did things that were still superior to the best minds of mankind today. We are so far from what is actually natural for the Blackman, that we think that the trial and error mode of operating of this civilization today is brilliance; when in fact, the incidental actions of the Original Blackman is considered SUPERNATURAL by today's standards. The Messenger of Allah, Elijah Muhammad, delves so far into the most profound depths of wisdom when sharing with us what our God, in person, Master Fard Muhammad, had revealed, it makes you wonder about who is out there dormant and simply waiting to hear that particular word, sentence, paragraph or perspective that will make the light in or above their heads illuminate with Allah's voice communicating with them. In other words, it's not necessary to be mining Facebook, Twitter or Google+, etc, for revelation. It's being handed to you here.

Elijah Muhammad and Islam Herbert Berg, 2009-03 Elijah Muhammad is arguably the most significant figure in the history of Islam in the United States. Successor to W. D. Fard, the founder of the Nation of Islam, and a mentor to Malcolm X, Elijah Muhammad led the Nation of Islam for over forty years. In *Elijah Muhammad and Islam*, Herbert Berg focuses on Elijah Muhammad's religiosity, which is frequently brought into question as the authenticity of the Nation of Islam as truly Islamic remains hotly debated. To better comprehend this powerful and controversial figure, Berg contextualizes Elijah Muhammad and his religious approach within the larger Islamic tradition, exploring his use of the Qur'an, his interpretation of Islam, and his relationships with other Muslims. Above all, Berg seeks to understand—not define or label—Muhammad as a Muslim. To do otherwise, he argues, is to misunderstand and distort the man, his teachings, his movement, and his legacy.

Why Must Elijah First Come? Elijah Muhammad, 2008 The doctors of the law in the bible knew that certain events had to take place in order to verify the timing of judgment predicted to come at the end of white rule. When Jesus of 2,000 years ago made his appearance in an attempt to save them, those who were familiar with scripture and its timing studied the

resurrection and judgment teachings of Jesus, but found that the timing was suspect. Considering that there were a few gaps or events missing from the time, they constantly second guessed him and his disciples. One such incident happened when the disciples were out teaching and were approached by the Jewish Scribes, who rejected their claim, because Elijah was to be raised just before the great and dreadful day of the Lord. When the disciple went back to Jesus to report of their encounter, they asked Jesus, Why do the Scribes say that Elijah must first come?

The Supreme Wisdom Elijah Muhammad, 2008-11-10 This title is the first of two volumes of a comprehensive overview of the Nation of Islam's policies, positions and practices.

Black Zion Yvonne Patricia Chireau, Nathaniel Deutsch, 2000 This is an exploration of the interaction between African American religions and Jewish traditions, beliefs, and spaces. The collection's argument is that religion is the missing piece of the cultural jigsaw, and black-Jewish relations need the religious roots of their problem illuminated.

The Flag of Islam Elijah Muhammad, 2008 For thousands of years, the people who did not have the knowledge of the person, or reality of God, worshipped their own ideas of God. He has been made like many things other than what He really is.... We therefore can reason that if we don't know the Creator, then we don't understand His Creation or the laws and principles that govern it. All prophets, sages, gurus and persons of knowledge was, is and shall be governed and subject to these laws; this should clue us in on the fact that these same natural laws of the Creator can serve as a criteria or standard of judgment. If what you believe doesn't correspond to this standard - which transcends time and geography - it has no place in it. In other words, the only way a person can walk on water is symbolically or the water would have to be ice; otherwise, it doesn't correspond to the Creator's law governing this creation. It then fits into the category of untruths. This book teaches you about the house rules.

Routledge Handbook on Early Islam Herbert Berg, 2017-08-10 The formative period of Islam remains highly contested. From the beginning of modern scholarship on this formative period, scholars have questioned traditional Muslim accounts on early Islam. The scholarly fixation is mirrored by sectarian groups and movements within Islam, most of which trace their origins to this period. Moreover, contemporary movements from Salafists to modernists continue to point to Islam's origins to justify their positions. This Handbook provides a definitive overview of early Islam and how this period was understood and deployed by later Muslims. It is split into four main parts, the first of which explores the debates and positions on the critical texts and figures of early Islam. The second part turns to the communities that identified their origins with the Qur'ān and Muḥammad. In addition to the development of Muslim identities and polities, of particular focus is the relationship with groups outside or movements inside of the umma (the collective community of Muslims). The third part looks beyond what happened from the 7th to the 9th centuries CE and explores what that period, the events, figures, and texts have meant for Muslims in the past and what they mean for Muslims today. Not all Muslims or scholars are willing to

merely reinterpret early Islam and its sources, though; some are willing to jettison parts, or even all, of the edifice that has been constructed over almost a millennium and a half. The Handbook therefore concludes with discussions of re-imaginings and revisions of early Islam and its sources. Almost every major debate in the study of Islam and among Muslims looks to the formative period of Islam. The wide range of contributions from many of the leading academic experts on the subject therefore means that this book will be a valuable resource for all students and scholars of Islamic studies, as well as for anyone with an interest in early Islam.

Hellfire Nation James A. Morone, 2004-01-01 Annotation. Although the US is proud of being a secular state, religion lies at the heart of American politics. This volume looks at how the country came to have the soul of a church & the consequences - the moral crusades against slavery, alcohol, witchcraft & discrimination that time & again have prevailed upon the nation.

Malcolm X, 2016-05-18 In the year 2015 we remembered the 50th anniversary of Malcolm X's assassination in Harlem, New York. Spurred by the commitment to continue the critical work that Malcolm X began, the scholars represented in the book have analysed the enduring significance of Malcolm X's life, work and religious philosophy. Edited by Dustin J. Byrd and Seyed Javad Miri, *Malcolm X: From Political Eschatology to Religious Revolutionary*, represents an important investigation into the religious and political philosophy of one of the most important African-American and Muslim thinkers of the 20th century. Thirteen different scholars from six different countries and various academic disciplines have contributed to our understanding of why Malcolm X is still important fifty years after his death. Contributors are: Syed Farid Alatas, Dustin J. Byrd, Bethany Beyyette, Louis A. DeCaro, Stephen C. Ferguson, William David Hart, John H. McClendon, Seyed Javad Miri, John Andrew Morrow, Emin Poljarevic, Rudolf J. Siebert, Nuri Tinaz and Yolanda Van Tilborgh.

An Introduction to Elijah Muhammad Studies Abul Pitre, 2021-10-21 First published in 2009, this ground-breaking work introduced a new field in Africana studies and laid the groundwork for positioning the teachings of Elijah Muhammad in academia. Today, this work remains a rare opportunity for scholars and lay persons to a preview the teachings of Elijah Muhammad and its multifaceted, interdisciplinary scope. This book has the potential to change the philosophical and practical methods of education. In this revised edition, new terminology for Elijah Muhammad Studies is coined *Elijahmatology*. It additionally includes updated references and expanded discussion about the impact of Elijah Muhammad's teachings in the 21st century. The book lays a foundation for situating the teachings of Elijah Muhammad in academia, identifying Africana Studies as the discipline from which it could develop into a field of study.
