Don't Lose Hope Ashish Raichur,2021-06-01 Our lives, sometimes, take unexpected turns. We may suddenly find ourselves in the middle of the storm. There will always be challenges and struggles for all of us to go through in life. Sometimes, we may even find ourselves at the end of the road, with nowhere to turn. You may be right in the middle of a hopeless situation—with your job, career, education, home, marriage or family. So many things in life could have gone wrong. Let me encourage you that the God of the Bible specializes in giving life to the dead—to situations and circumstances that seem dead and hopeless. He specializes in turning hopeless situations around. With Him on your side, you can hope even

where there is no reason to hope. Even when everything seems hopeless, you can come out a winner. This book brings simple words of encouragement and exhorts us not to lose hope. Have hope in God and in His Word. Recollect what God has spoken concerning your life. DON'T LOSE HOPE! Final Days of Judgement Beverley Buckley,2015-11-24 The Final Days of Judgement describes the author's journey to discover how information relating to the laws of universal creation, channeled from the Elohim, ascended masters responsible for Earth's ascension, applies to life in the modern world. The book explains how thought is the tool of creation, and the author suggests that we are in a period of major transition away from a world created in fear to one where we will operate from our fullest potential for love and happiness. Final Days of Judgement explains how the dross of negative programmes, held individually and in universal consciousness, can be cleared away to facilitate transition to fifth-dimension reality.

The Only One: A Memoir of Hope Wendy Moses, 2020-10-20 By the age of twelve, Wendy Moses had been diagnosed with three life-threatening diseases. Cushing's Syndrome, a neuroendocrine tumor, and multiple endocrine neoplasia plagued her body. Because no doctor had ever seen a case like hers before, she was given less than six months to live. Suddenly her childhood was filled with tests, scans, and appointments while multiple doctors tried anything and everything to save her life. This is a story of fear, as Wendy's family had to stare into the face of death. It is a story of pain, as wave after wave of bad news battered her young heart. It is a story of dishonesty, as she tried to cover her mental and emotional pain with drugs. It is a story of solitude, as being the only one left her heart empty and starving for empathy from those who would never understand. Wendy's story is also filled with love from her family. It is filled with comfort in the many prayers and well-wishes from countless friends and strangers. It is filled with peace that there is a purpose for her years of pain. But most of all, this is a story of hope. Hope in forgiveness, hope in healing, hope in the knowledge that her life holds value. Hope that maybe just one life will be changed by her story.
