Smarter Than You Think Clive Thompson, 2014-08-26 A revelatory and timely look at how technology boosts our cognitive abilities—making us smarter, more productive, and more creative than ever It's undeniable—technology is changing the way we think. But is it for the better? Amid a chorus of doomsayers, Clive Thompson delivers a resounding “yes.” In *Smarter Than You Think*, Thompson shows that every technological innovation—from the written word to the printing press to the telegraph—has provoked the very same anxieties that plague us today. We panic that life will never be the same, that our attentions are eroding, that culture is being trivialized. But, as in the past, we adapt—learning to use the new and retaining what is good of the old. *Smarter Than You Think* embraces and extols this transformation, presenting an exciting vision of the present and the future.

The "More or Less" Definitive Guide to Self-Care Anna Borges, 2019-11-01 “Taking care of yourself is not meant to be stressful. [This book] gives practical tips for implementing self-care in our busy lives.” —Allure Some days you need a pick-me-up, some days you need a life preserver. As Anna Borges explains, for most of us, self-care is a wide spectrum of decisions and actions that soothe and fortify us against all the shit we deal with. You may already practice some form of self-care, whether it's taking an extra-long shower after a stressful day, splurging on a fancy dinner, or choosing Netflix over that friend-of-a-friend's birthday party. But when life gets so overwhelming that you want to stay in bed, some more radical care is crucial to maintain your sanity. The *More or Less Definitive Guide to Self-Care* is here to help you exist in the world. Borges gathers over 200 tips, activities, and stories (from experts and everyday people alike) into an A-to-Z list—from asking for help to catching some Zzz's. Make any day a little more OK with new skills in your self-care toolkit—and energy to show up for yourself. A Foreword INDIES Gold Winner “This self-help guide made me feel seen.” —Real Simple “A compendium [about] how to move through the world with a little more kindness for yourself.” —Bustle “Give [this to] your Type A friend who runs herself ragged.” —Los Angeles Times

The Faces of 266 David Edmonds, 2018-04-26 THE FACES OF 266 Shocking! Vivid! Factual! Dramatic! Three young women, three friends in high school, three years after graduation, they reconnect. Meanwhile, three pregnancies, three mothers (two of them single), three decisions: birth, adoption, abortion, even suicide. From life-supporting pregnancy care centers to unethical, self-promoting counselors at abortion sites, these three women experience the everyday workings of abortion. They deal with the evil reality this right has caused. Daring! Hair-raising! Heart-wrenching! Gut-punching! Four thousand abortions are done every day in the USA. One every twenty seconds. See an abortion to learn who you are. Dare to face yourself and think. Dare to discover what you really believe about the gift of love in life and why. These three young, pregnant women grow up fast when forced to face the hard facts of life beyond oneself. Each mother asks her heart can she ever love anyone if she can't love her baby as herself. Two hundred sixty-six is the number of days from human conception to birth-this number no lover of life will ever forget to win the War for Life. These women soon understand for whom the bell tolls. They see how abortion affects every single one of us. They realize that no man is an island. Provoking! Soul-searching! Life-celebrating! Where there is life, there is hope. Where there is hope, there is love. Abortion is taking life. Giving life is giving birth. The Faces of 266 is the hard-hitting, emotionally charged eye-opener to the most unforgettable chapter in United States history that is still being written with the blood and bodies of American babies. This novel strikes a blow to the heart while joyfully celebrating every wonderful life revealed when true love is a baby. If you can't love a baby, you can't love anybody. The book engaged me from start to finish, weighing heavily on me with reality and instruction to start and then moving me literally to tears of joy and victory at the end. --Rev. Dr. Christopher C. DeGreen, author of 60 Days of Praise! Devotional The Faces of 266 presents sort of a mini-course in life-crisis management as the reader encounters the choices and consequences of the characters, the hidden motives of their advisors, and the powerful victory of embracing the call to love. -Ellen Marie Edmonds, author of Embracing Dementia-A Call to Love and of Cardiophany of the Sacred Heart-Divine Mercy in the Womb For news and updates go to www.drdavidedmonds266@gmail.com

Losing Us Rosella M. Leslie, 2022-09-23 *Losing Us: A Dementia Caregiver's Journey*, is a candid, compassionate and sometimes humorous memoir of Author Rosella Leslie's heartbreaking struggles and triumphs during her twelve years as her husband's primary caregiver. It is also an informal guide to dementia caregiving, including links to helpful resources for caregivers, their friends, families and communities. The poems that begin and end each chapter capture the frustration and sorrow of her husband's ever-shifting cognitive abilities and the emotional rollercoaster Leslie rides, rising to heights of acceptance, joy and resolve, then plunging to valleys of guilt, doubt and despair. She urges caregivers to accept dark thoughts and harsh feelings as a natural response to being in an impossible situation, and to keep putting one foot in front of the other as they move toward the faint light of hope that shines at the end of this very dark tunnel.

Thrivers Michele Borba, Ed. D., 2022-03-08 The bestselling author of UnSelfie offers 7 teachable traits that will safeguard our kids for the future. We think we have to push our kids to do more, achieve more, BE more. But we're modeling the wrong

traits—like rule-following and caution—and research shows it's NOT working. This kind of "Striver" mindset isn't just making kids unhappier, says Dr. Michele Borba...it's actually the opposite of what it takes to thrive in the uncertain world ahead. Thrivers are different: they flourish in our fast-paced, digital-driven, often uncertain world. Why? Through her in-depth research, Dr. Borba discovered that the difference comes down not to grades or test scores, but to seven character traits that set Thrivers apart—confidence, empathy, self-control, integrity, curiosity, perseverance, and optimism. The even better news: these traits can be taught to children at any age...in fact, parents and educators must do so. In *Thrivers*, Dr. Borba offers practical, actionable ways to develop these traits in children from preschool through high school, showing how to teach kids how to cope today so they can thrive tomorrow.

The Little Book of Misquotations Lou Harry, 2019-08-06 Motivational quote books abound, but where are the volumes of misquotations?! In this era of fake news and fake quotes, *The Little Book of Misquotations* uncovers the truth behind the 200+ most famous things they never said! Just because a quote is engraved in marble, stenciled on your mom's wall, or repeated a million times online doesn't exactly mean that it is correct. It's time to set the record straight. *The Little Book of Misquotations* is the definitive collection of the quotes people frequently get wrong, including: For attractive lips, speak words of kindness. -- Audrey Hepburn (Somebody else said it!) I want to suck your blood. -- Dracula (Nope! He said, I only drink...wine.) Art should comfort the disturbed and disturb the comfortable. -- Banksy (He wasn't the first person to say it!) A penny saved is a penny earned. -- Ben Franklin (That's not what he said!) With deep dives on popular yet erroneous quotations from artists, writers, celebrities, scientists, politicians, and legendary figures from around the globe, *The Little Book of Misquotations* offers addictive reading--and a delightful reminder not to believe everything you read!

Trauma, Gender and Ethics in the Works of E.L. Doctorow María Ferrández San Miguel, 2020-01-24 This project approaches four of E. L. Doctorow's novels—*Welcome to Hard Times* (1960), *The Book of Daniel* (1971), *Ragtime* (1975), and *City of God* (2000)—from the perspectives of feminist criticism and trauma theory. The study springs from the assumption that Doctorow's literary project is eminently ethical and has an underlying social and political scope. This crops up through the novels' overriding concern with injustice and their engagement with the representation of human suffering in a variety of forms. The book puts forward the claim that E.L. Doctorow's literary project—through its representation of psychological trauma and its attitude towards gender—may be understood as a call to action against both each individual's indifference and

the wider social and political structures and ideologies that justify and/or facilitate the injustices and oppression to which those who are situated at the margins of contemporary US society are subjected.

That Would Be Me Mickey Jones, 2007-06-12 Today is a day I've been dreading for a long time. Sitting here watching the Cincinnati Bengals and the Houston Oilers playoff game out of the corner of my eye, I realize that I cannot procrastinate the starting of this book any longer. My goal has been to write this book for at least the last fifteen years, but I wanted someone else to do the dirty work. That is just not going to happen. I'm stuck with this mess and it's up to me and me alone. I lived in the rock-and-roll world for more than twenty years as the drummer for some of the most famous people in the business. I've also had the pleasure of sitting in, backing up, and knowing some of the all-time greats. However, I've seen these people from a little different angle than anyone else . . . from center stage, looking at you, the audience. I used to joke and say, I've seen the back of some of the most famous heads in the world. That's a fact. My musical career started as the drummer with a young singer from Dallas, Texas by the name of Trini Lopez. We were together for almost eight years. That collaboration took me to Los Angeles, California. My recordings with Trini include eight albums, starting with Trini Lopez LIVE at PJ'S. It was in L.A. that I hooked up with an Italian kid from Baton Rouge, Louisiana. His name was John Ramistella, better known as Johnny Rivers. During my time with Johnny, I had the incredible opportunity of spending time in Viet Nam in 1966 with Ann-Margret. We are still friends today. Eat your heart out! After the stint with Johnny came perhaps the ultimate musical challenge. I became the drummer with the legendary kid from Hibbing, Minnesota, the spokesman for the world of folk music, Bob Dylan and the group that started out as The Hawks and later became known as The Band. At a recent speaking engagement for a Bob Dylan convention in Manchester, England, I was introduced as the drummer on the greatest rock-and-roll tour in history.
