**Royal Savage (Alternate Cover)** VICTORIA. ASHLEY, 2024-05-29 Royal Savage I can't close my eyes...I refuse to. Every time I do, all I see is blood, death, and pain. I can feel it - almost taste it, bringing me back to that night. It doesn't matter that I'm still breathing; I no longer need it, I no longer want it. I despise it along with everything else around me. The only thing I long for is to f--king fade away. I've given up. Until her at least... Avalon. She comes into my world, knocking me on my ass. It turns me on to have her around me. Makes me want to wrap my hand around her tight little throat and f--k her until she feels my pain, feels the monster in me, but also makes me want to protect her from the very thing that she should be afraid of...me. Once she sees the damage that I'm capable of; she'll look at me like everyone else around me does: with fear. Avalon Knight His eyes...The darkness in them draws me to him, making me want to taste him, feel him...and save him. I shouldn't have gotten on the back of his motorcycle that day. I know that now. Colton warned me. I was told it was dangerous. I was told that nothing would be the same. He was right. Royal is dangerous, dark, and seductive; the very thing that keeps me hanging on, willing to give my last breath just to touch him...breathe him in. He's savage, inked, and highly captivating. So different from his brother...He's hazardous to my health, mind, and body, yet the only thing that I crave. I want to free him. I want to change his mind, but I'm afraid that he's already too faded...

**Beautiful Savage (Alternate Cover)** VICTORIA. ASHLEY, 2024-05-29 JAXON KADE Thirteen long years without Lex, and as if she was never gone, she walks back into my life, feisty and set on running from me. I refuse to let that happen. She's my Lex. I've been in love with her since the age of nine. I lost her once, and you better believe that I will walk through the fires of Hell before losing her again. She's set on pushing me away, afraid to show me how far down the path of destruction she has traveled but I'm making it my mission to piece her back together again and claim her as mine. It doesn't matter if I have to destroy everything in my path that leads to her- I will. She's not the only one who has changed with time. I'm rough, savage, and just as damaged as she is. But there's one thing I'm capable of - always have been - and that is loving her.

ALEXANDRA ADAMS I need medicine to escape this reality - the pills, drugs, and liquor aren't even enough to numb the pain of my past. Years without Jax destroyed me - ruined me forever - and being back in his life will only ruin him the same. I never meant to find him again, and I sure as hell never meant to want him just as much as I did before we were ripped apart. It doesn't matter that I need to stay away from him. It doesn't matter that I fight to keep my distance. Jax refuses to let me go. My biggest fear is destroying the only person I've ever been capable of loving, but he's not giving me any other choice...

*Wreck My World* Victoria Ashley, 2019-06-12 From New York Times Bestselling Author Victoria Ashley, comes an emotional friends-to-lovers/brother's-best-friend Romance. The feeling I have in this very moment, after not seeing her for so long, will haunt me forever, reminding me why I left to begin with. For as long as I can remember, Easton Crews has been off-limits. As much as it kills me, that's never going to change. After his little disappearing act three years ago, then suddenly showing up out of nowhere, I shouldn't want anything to do with him. It doesn't matter how beautiful he still is. Or how close we once were. It shouldn't matter that my entire body lights on fire with need whenever he gets close. He chose the worst possible time to leave without so much as a goodbye. However, just like the first day he walked into our home, I'm drawn to him, needing him near me just as badly as I need air to breathe, and I can't stand it. I want to hate him. I know I should hate him. But hating him is the last thing he'll let me do. I push, he pulls harder, until I'm completely wrapped up in him, my mind lost in the one person who is forbidden-the one person I've always loved, even when he belonged to someone else. Easton was never meant to be mine. It took me years to come to terms with that and now that I finally have, he's here, right in front of me, more irresistible than ever. The part I fear the most about that-he's the one person capable of completely wrecking my

world. I'm not leaving until you take all of your hate out on me. Let me feel it. All of it. Every dirty look. Every nasty word. I will have it all before I leave. Stop hiding from me.

Victoria's Children of the Dark Alan Gallop,2011-08-26 Victoria's Children of the Dark tells the story of Queen Victoria's invisible subjects - women and children who laboured beneath her 'green and pleasant land' harvesting the coal to fuel the furnaces of the industrial revolution. Following the real fortunes of seven-year-old Joey Burkinshaw and his family, Alan Gallop recreates the events surrounding the 1838 Husker Pit disaster at Silkstone, Yorkshire - a tragedy which helped lead to better working conditions for miners. Chained to carts and toiling half-naked for eighteen-hour shifts in near darkness, children as young as four were employed by mine owners. Yet it was not until the catastrophe at Silkstone when twenty-six children were drowned in a mineshaft that Victoria and her subjects realised that many Britons were existing in virtual slavery. This powerful and dramatic account exposes the real lives and working conditions of nineteenth-century miners. A gripping human story, Victoria's Children of the Dark brings history, particularly the history of childhood, vividly to life.

**Contemporary Drag Practices and Performers** Mark Edward,Stephen Farrier,2020-03-19 In recent years drag performance has moved from the fringes to emerge as a mainstream phenomenon, showcased on TV shows in the US and the UK. This collection offers a diverse range of critical engagements by drag performers, makers, scholars and writers reflecting on work from the UK, USA, Israel, Germany and Australia. Moving beyond discussions of gender theory, the essays consider contemporary drag performance practices, connecting them to the histories, communities and politics that produced them. Chapters range across discussions of drag kings in the US, UK and drag and activism; the influence of RuPaul on the generation of new forms of work in New York; transfeminist critiques of drag; 'bio'/faux queens; engagements with race and ethnicity through drag performance; drag andragogy; audience concerns; drag intersections with animal personas, and how drag performance relates to personal narratives of history and identity. Collectively the contributions focus on drag as a mode of performance that is diverse and that uncorsets the easy thought that drag is simply a cross dressing man in a dress or a woman in a suit.

Astronomy Across Cultures Helaine Selin,2012-12-06 Astronomy Across Cultures: A History of Non-Western Astronomy consists of essays dealing with the astronomical knowledge and beliefs of cultures outside the United States and Europe. In addition to articles surveying Islamic, Chinese, Native American, Aboriginal Australian, Polynesian, Egyptian and Tibetan astronomy, among others, the book includes essays on Sky Tales and Why We Tell Them and Astronomy and Prehistory, and Astronomy and Astrology. The essays address the connections between science and culture and relate astronomical practices to the cultures which produced them. Each essay is well illustrated and contains an extensive bibliography. Because the geographic range is global, the book fills a gap in both the history of science and in cultural studies. It should find a place on the bookshelves of advanced undergraduate students, graduate students, and scholars, as well as in libraries serving those groups.
