Film Censorship in the Asia-Pacific Region Saw Tiong Guan,2013-04-02 Film censorship has always been a controversial matter, particularly in jurisdictions with restrictive state-based censorship systems. This book reviews the film censorship system in the Asia-Pacific by comparing the systems used in Malaysia, Hong Kong and Australia. It identifies the key issues and concerns that arise from the design and implementation of the system by examining the censorship laws, policies, guidelines and processes. The book evaluates film practitioners' and censors' opinion of, and experience in, dealing with those issues, and goes on to develop reform proposals for the film censorship system.

Offensive to a Reasonable Adult Robert Cetti,2014-09-01 Thoroughly researched and fully APA referenced chronological history of film censorship and classification in Australia. Case by case histories of banned films punctuate a detailed account of the evolution of the Australian Film Classification system and the concurrent development of the Australian adult XXX industry, culminating in the establishment of the Australian Sex Party. Former SAR Research Fellow at Australia's National Film & Sound Archive Robert Cettl gained exclusive access to both the national collection and the highly restricted Australian adult industry archive, the Eros Collection, at the Flinders University of South Australia Library to piece together the complete history of film censorship in Australia. Progressing through individual banned and censored films - including works by such internationally renowned directors as Hitchcock, Whale, Bunuel, Forman, Godard, Oshima, Pasolini, Hopper, Lyne, Breillat, Noe, Brass, Bertolucci, Fellini, Ford, Clark, Despentès, Winterbottom, Von Trier - Cettl maps out the specification of "offensive" material in parallel to the emergence of Australia's adult XXX industry and the Christian morals-driven pressure groups that advocate tighter censorship restrictions. In a country that has the dubious honor of being the most censorial of Western democracies, film censorship is based on the principle of "offense to a reasonable adult", an undefined refrain that religious minorities have used to manipulate censorship decisions in their favor. The history of these groups and the political support for their right-wing Christian agenda - driven by what Australians term "Wowserism" - makes Australian film censorship unique in its delineation of :the "aesthetics of offense" as grounds for the suppression of

free dissemination, to the point of seeking mandatory ISP Internet filtering and Internet blacklisting of all material classified RC (or “refused classification”), much of which is available for dissemination throughout Europe and the USA, in violation of UN Human Rights Article 19. In this comprehensive study of the socio-political ideology surrounding the censorship of primarily sexually explicit material (“pornography”), Cettl delineates the aesthetic construction of “offense” as a transgressive genre and charts the morality-driven religiosity behind their construction as Other to a civilized society, questioning whether the categorization of such material as other makes of it legitimate discourse. With extensive case histories, never-before-published government censorship reports, press clippings and secret internal memos between some of Australia’s most powerful and influential politicians, *Offensive to a Reasonable Adult* exposes the quagmire of Australian censorship law and the morals-cabal of “wowsers” that dominate the censorship agenda in the so-called “Clever Country”.

The Gorehound's Guide to Splatter Films of the 1960s and 1970s Scott Aaron Stine, 2015-11-20 For the uninitiated the author has obligingly supplied a definition for the slasher/splatter film: Any motion picture which contains scenes of extreme violence in graphic and grisly detail.... For those film viewers who think this is a good thing and are more likely to select *The Texas Chainsaw Massacre* than *The Remains of the Day*, or for those who are not quite sure but are nevertheless drawn to the phantasmagoric, or for those horrified by gratuitous violence and blood for blood's sake but are researching this filmic phenomenon, this reference book provides all the gory details. From *At Midnight I'll Take Your Soul Away* to *Zombie 2: The Dead Are Among Us*, this book is an exhaustive study of the splatter films of the 1960s and 1970s. After a history of the development of the genre, the main meat of the book is a filmography. Each entry includes extensive credits, alternate names and foreign release titles; availability of the film on videocassette; availability of soundtracks and film novelization; and reviews. Extensive cross-referencing is also included.
