**Saint Mick** Mick Foley, 2017-10-17 From beloved #1 New York Times bestselling author and WWE Hall-of-Famer Mick Foley comes a Yuletide tale like no other. After a lifetime of putting his body on the line to entertain his dozens (and dozens!) of fans, the Hardcore Legend is paying the price - physically and emotionally. When the final bell on Mick's career tolls, not in the ring, but in a neurologist's office, his future seems far from merry and bright. Until Mick is given the chance to become Santa Claus - not dress up, not pretend, but become Santa - allowing him to rediscover the joy of performing. Fully

committing to his new mission, Mick details the drastic measures he takes to keep the Christmas magic alive for his young children, as well as the many children he meets in his travels who are in need of some Christmas Spirit. In order to fully embrace his new red-suited responsibilities, Mick enters the fascinating world of the Santa subculture, where he hones his Christmas craft while worrying he'll be excommunicated from the Santa world for, among other things, his Santa character being run over by a motor vehicle on Christmas Eve on WWE television. And with the help of an unlikely elf - 8-time Grammy award winner Norah Jones - Mick learns valuable lessons about the real power and responsibility of wearing the red suit. Because true success as Santa comes not by appearing in front of millions on TV, but by touching peoples' lives by creating Santa moments for both the young and the young at heart. Part jolly memoir, part whimsical ode to a lifetime love affair with Christmas, part solemn tribute to the power of finding the best part of oneself in the unlikeliest of places, Saint Mick offers the magic of Christmas on every single page. With a foreword by Stephanie McMahon, and featuring never-before-seen photos of the whole Foley family!

**Arse Over Teakettle** Doug Taylor,2010-11 Tom Sawyer and Huckleberry Finn found adventure on the banks of the mighty Mississippi. Tom Hudson and his friend Shorty discovered it in the secluded laneways and avenues of a deceptively quiet Toronto neighbourhood. Arse Over Teakettle is an intriguing tale of Tom Hudson's boyhood escapades in Toronto during the 1940s. He and his mischievous friend, Shorty, encounter eccentric characters such as Grumpy, an unconventional older man in the neighbourhood, and their fierce neighbour-Mrs. Leyer. Their confrontations with the Kramer Gang are sometimes painful and at other times hilarious. As Tom and his friends become sexually aware, amusing situations develop. Shorty constantly pushes Tom to explore beyond the secure boundaries of childhood, into the world of the big boys. An intimate and heartfelt tale of family life in Toronto, Arse Over Teakettle is set during the decade when the city is transforming from a parochial city into a cosmopolitan urban centre. In Tom's neighbourhood, difficulties arise as he confronts ethnic and religious prejudice, which wounds his boyhood friends.

**Down with the Sun** Marc D. Hasbrouck,2021-02-10 This is the story of Baxter Janus, a professional photographer, told from two viewpoints, in two voices; both of them are his. First, an imaginative, precocious, optimistic young boy growing into adulthood looks forward to an exciting life, telling of his dreams and ambitions. Then Baxter, nearing the end of his life, looks back at what went right...and what went wrong along the way. A startling revelation in his later years sends his quiet, albeit boring retirement into a tailspin. Spanning nearly seventy years, from the end of World War II to present day, it chronicles his many adventures and misadventures, highs, lows, laughter and tears, as well as meeting several diverse, memorable and

influential characters that help shape Baxter's life, even when he least expects it.

***Making It Glitter*** Ian O. Lewis, Luke Jameson, 2021-12-06 "What do you want for Christmas, big boy?" Blake Anderson will do anything to survive, even taking a seasonal gig as a Christmas elf at the local shopping mall. Embarrassing, yes, but if that's what he must do to pay the rent, he'll wear the skintight green hose and the silly wig. At first it is almost unbearable, but then he's reunited with his teenage crush, who's having his own string of bad luck. Eddie Garza is the last person you expect to don a Santa costume, but when his business is nearly destroyed, he only has two options, either start turning tricks for cash, or put on the red suit and ignore the screaming of tiny little tots. What makes it worthwhile is working with his friend from years ago. Eddie hasn't ever thought of Blake romantically, but now he wants to shove the snotty kids off his lap and replace them with the cute redhead. Will Santa find true love with his glittery elf? *Making It Glitter* is the fourth book in the *Making It* series. It features a wacky matchmaker with a gift for the occult, reunited orphans, and an exotic dancer with a heart of gold. And, of course, a happy ever after. This romantic comedy is the perfect blend of romance and comedy, and fans of Felice Stevens, Lauren Blakely, and David Sedaris will love it.

***The Indie Cred Test*** Henry H. Owings, 2012-09-04 An obsessively completist checklist of cool—covering lifestyle, fashion, music, movies, body art, and more. The Indie Cred Test is the ultimate test of hipness. Sixteen chapters and countless sidebars cover musicians, authors, hipsters, hippies, miniature toy poodles, and everything in between. Part pop culture quiz, part satire, part handbook of all things cool, this fun and fascinating book is *The Official Preppy Handbook* meets *The Hipster Handbook*, plus massive amounts of (what else?) indie cred. Readers can put their indie cred to the test by answering such questions and prompts as: • Explain McSweeney's. • Is a bike your primary form of transportation? • Is there any kind of T-shirt that can't be worn ironically? • Has Courtney Love ever taken a swing at you?

***The Making It Series Volumes 1-5*** Ian O. Lewis, Luke Jameson, 2022-04-01 Opposites attract, and so much more in *The Making It* series. This collection features all five books in the collection, and it is a trope paradise where everyone has a happy ever after. Starting with *Making It Fit*, all the way through *Making It Legal*, love always wins in this gay romance collection. *Making It Fit* When my best friend on the force Federico was killed in the line of duty, I swore to him as he died in my arms, I would take care of his baby brother, Victor. I never went back on my word. Victor moved back to our hometown after college, and he needed a place to stay. The kid was going to live next door to a crack house in a bad part of town, but I knew his older brother would haunt me if I allowed that to happen, so I demanded he move into my spare bedroom. When he showed up on my doorstep, his transformation from an awkward teenager to a striking young man floored me. Victor was everything I had ever wanted—smart, smoking hot, and innocent—but there was no way he could handle a rough around the edges cop like me. I kept my paws to myself, until one day Victor told me he had never been with another man before. He wanted advice on how to get a boyfriend, and how to keep him. That broke me. I'd show Victor how to please a man, all right.

Me. Making It Spark Aaron had tormented me all through high school. He was the athlete who always had a girl on his arm, and another in the backseat of his convertible. I was the sensitive theater geek and knew I was different, while he was the jock determined to make my life a living hell. Years later, he put out a fire in my building and ignited one inside of me. Of course, he was straight. Every man I fell for preferred skirts to me. But something was different about Aaron now. He wanted to be my friend, and straight guys normally didn't hang out with me. So, I dragged him to a gay bar, hoping to scare him away. Instead, when a drunk guy got handsy with me, Aaron kissed me. Like, tongue in mouth full-on kissed me. Straight guys didn't kiss gay guys, right? Making It Spark Landon Smith has a problem. He's socially awkward, prefers coding over cocktails, and occasionally wears mismatched socks. His life is full, working as an adjunct professor at the local college, and volunteering as a tutor for underprivileged youths. Then his worst nightmare moves in next door to him, a macho ex-marine who just won't leave him alone. They have nothing in common until the brawny man begs Landon to tutor him. He agrees, but only after Angel promises to keep his paws to himself. Angel Perez is the devil, or at least that's what Landon thinks. But, there's something about how he fills his skin-tight jeans that Landon can't get out of his head. And to make matters worse, he's feeling emotions he never has before. The domineering man is determined to claim Landon, who is terrified of giving in to his urges. Making It Glitter Blake Anderson will do anything to survive, even taking a seasonal gig as a Christmas elf at the local shopping mall. Embarrassing, yes, but if that's what he must do to pay the rent, he'll wear the skintight green hose and the silly wig. At first it is almost unbearable, but then he's reunited with his teenage crush, who's having his own string of bad luck. Eddie Garza is the last person you expect to don a Santa costume, but when his business is nearly destroyed, he only has two options, either start turning tricks for cash, or put on the red suit and ignore the screaming of tiny little tots. What makes it worthwhile is working with his friend from years ago. Eddie hasn't ever thought of Blake romantically, but now he wants to shove the snotty kids off his lap and replace them with the cute redhead. Will Santa find true love with his glittery elf? Making It Legal Diesel has a problem. He's been a highly paid escort for years, but he's nearing his fortieth birthday. In the world of prostitution, that's when you hang up your jockstrap and find a real job. Unfortunately for him, he has no other skills to fall back on, and he's spent most of his earnings living beyond his means. He wants to go legit, but when a wealthy man from Brazil makes him the offer of a lifetime, he decides to turn one last trick. Santiago Bolsonaro moves to the United States in order to escape his arch-conservative political family in Brazil. The first few months are a dream come true, and when his visa is about to expire, he decides to do something extreme in order to stay in the states. He hires an attractive escort to marry him, so he can get his green card. At first it is a simple legal arrangement. But, like most business deals, it becomes complicated. Like, really, really complicated.

**The Essential Dave Allen** Graham Mccann,2014-09-25 When Dave Allen passed away in March 2005, we lost a true comedy great. Sitting cross-legged on a high stool, whiskey in one hand, cigarette in the other, Dave Allen's exasperated commentaries on the absurdities of modern life struck a chord with millions of fans in Britain, Ireland and Australia for over four decades. He was a compelling storyteller - able to spin shaggy dog stories out of the almost any subject, including the missing tip of his fourth finger of his left hand, for which he provided various unlikely explanations. But his gentle, laconic wit could also give way to ferocious attacks on the media, the state and, most famously, the Catholic Church. He was a unique talent - a comic who could make his audiences laugh, cry, and be shocked, all in one. This official celebration of Dave Allen's comedy has been drawn together by Graham McCann - Britain's best-loved entertainment writer. It is a treasure trove of stories, stand-up routines, sketches, interviews and photos, which takes us on a journey from the cradle to the grave. It will delight Dave Allen's million of fans, old and new alike. 'Dave Allen was our greatest storyteller and nobody ever came close to his ability to spin a yarn. He was unique, right up there with the greats.' Jack Dee
