This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the Secret Government and UFOs. Bill is a lucid, rational and powerful speaker who intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all backgrounds and interests. He has spoken to many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988 Bill decided to talk due to events then taking place worldwide, events which he had seen plans for back in the early '70s. Since Bill has been talking, he has correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a psychic. His information comes from Top Secret documents that he read while with the Intelligence Briefing Team and from over 17 years of thorough research. Bill Cooper is the world's leading expert on UFOs. -- Billy Goodman, KVEG, Las Vegas. The only man in America who has all the pieces to the puzzle that has troubled so many for so long. -- Anthony Hilder, Radio Free America William Cooper may be one of America's greatest heroes, and this story may be the biggest story in the history of the world. -- Mills Crenshaw, KTALK, Salt Lake City. Moby-Dick; or, the Whale: Selections Herman Melville, 2023-06-02 When Melville completed Moby-Dick, he wrote to Nathaniel Hawthorne that "I have written a wicked book, and feel spotless as a lamb." While it took the world some time to appreciate the magnitude of Melville's achievement, Moby-Dick is now widely considered one of the greatest works of American literature. It is, however, long, and students in semester-long courses will often not have a chance to read the novel in its entirety. The Broadview Moby-Dick: A Selection offers a robust sampling of chapters, chosen to give students a thorough initiation into the novel's plot, as well as into the full range of its themes and stylistic experimentation. This edition

also includes substantial, clear, and helpful annotations to help students successfully navigate Melville's language and range of references. This volume is one of a number of editions that have been drawn from the pages of the acclaimed Broadview Anthology of American Literature. The series is designed to make selections from the anthology available in a format convenient for use in a wide variety of contexts; each edition features an introduction and explanatory footnotes, and is designed to meet the needs of today's students.

Preacher Stalls the Second Coming Gerald Everett Jones, 2024-06-03 What if the Second Coming was an illusion — and a conspiracy planned to sell it as salvation? Disgraced former televangelist Evan Wycliff wants nothing more than solitude and strong bourbon — until an eccentric scientist named Dr. Hans Gropius arrives at his door. He speaks cryptically of time travel, fake prophecies, and conspiracies that blur the line between science fiction and scripture. Within hours, the stranger is dead, struck by a fleeing truck in a crime that might not be random. Gropius's dying warning? The Second Coming is about to be staged — and not by heaven. Pulled from his self-imposed exile, Wycliff dives into a twisted mystery that spans from backwater diners and aging conspiracy theorists to end-times cults recruiting the vulnerable for a final cleanse. With former allies like Agent Leon Weiss offering cryptic advice and a grieving town whispering of secrets, Evan must confront not only the possibility of a global deception, but the pieces of his own shattered faith. What begins as a search for answers becomes a reckoning with guilt, grief, and a future darker than prophecy ever predicted. For fans of genre-bending mysteries, theological thrillers, and stories where redemption meets revelation, *Preacher Stalls the Second Coming* delivers a provocative ride through faith, science, and the thin line between salvation and manipulation. Distinguished Favorite winner of the 2024 New York City Big Book Awards in mystery. The Preacher Evan Wycliff series has won 10 major awards.

God's Pale Horse James Ryan, 2024-05-20 *God's Pale Horse* by James Ryan is a profound and unsettling exploration of historical injustice, intertwining divine mandates with human atrocities. Through a meticulous examination of the conquest and subsequent devastation of the Americas, Ryan unveils how the invocation of divine authority has been historically manipulated to justify the unspeakable: the systematic extermination of indigenous peoples. This book takes the reader on a harrowing journey through history, starting from the apocalyptic riders in the Book of Revelation, echoing through the arrival of Columbus, and resonating in the genocidal policies against Native Americans. Ryan compellingly argues that these events were not merely acts of survival but orchestrated campaigns of extermination sanctioned by misinterpretations of Christian doctrines and fueled by economic greed. From the shores touched by Columbus to the battlefields of the American Indian Wars, *God's Pale Horse* explores the theological and political justifications used to rationalize the horrors committed against Native populations. It examines the portrayal of indigenous people as obstacles to the divine promise, destined to be conquered or annihilated. Ryan challenges the reader to reconsider the narratives of American history and the sanctified violence carried out in the name of God and country. This book is not only a historical account but a moral inquiry into the

depths of human cruelty and the enduring fight for justice. It is a crucial read for anyone seeking to understand the darker chapters of American history and the implications of using divine justification for terrestrial horrors. God's Pale Horse is a call to acknowledge and rectify the past, urging a reexamination of the myths that have shaped American identity. It's an essential addition to the discourse on history, religion, and the ethics of power.

History of Medicine, Third Edition Jacalyn Duffin, 2021-06-28 The third edition of this bestselling introduction to medical history has been thoroughly updated to include recent scholarship and new events in major fields of medical endeavor.

Because God Made a Promise to Abraham Buddy Selman, 2011 Because God made a promise to Abraham concerning inheriting the land of Israel, a question arises. To which line of Abraham's descendants was the Promise made? That's important because they worship different Gods. This poses the problem, who is the true God? This is the question of the ages concerning all claims of Deity. All things of life and death depend on that answer. This book addresses questions from the perspective that the God of the Bible through Abraham, Isaac, and Jacob is the true God and the God of true Christianity. It distinguishes between true and counterfeit Christianity. The war that started with Satan's attempt to dethrone God and elevate himself to the Almighty is the defining factor of conflict. Association is made between spiritual determinations and earthly happenings. The next earthly event distinguishing where we are in time is the Russian invasion of Israel. The only remaining possibility for Satan's success is stopping God from keeping His promise to Abraham. The mid-east peace problem is not just about ownership of land, but about who is God? Also addressed - doctrines and theories taught in error. Dispensations, covenants, and promises are defined. How Revelation is structured and plays out is explained. The purpose of the book is to cause the reader to think. Not just about things termed religious but in truth, how all things are related, especially political. Hopefully it gives insight on how to prepare mentally, spiritually, and materially for what Scripture says will happen. Evidence shows we are the generation that experiences the Biblical end times and the fulfillment of God's promise to Abraham. America must choose - follow the true God or the Satanic one-world government! The book challenges the true Church to reestablish scripture as our highest authority and be about our task.
