Modern Love is a Lie JAENADELA, In a world where love has become a performance and affection feels temporary, one voice dares to ask: What happened to something real? “Modern Love is a Lie” is a raw and reflective look into the emotional chaos of this generation’s version of love. It’s not a fairytale. It’s not perfect. It’s not clean. It’s messy, unfiltered, and brutally honest, the kind of love story that doesn’t come with a happy ending, but with a deeper understanding of what it means to feel in a time where everyone’s pretending not to. This book explores the quiet heartbreaks, the in-betweens, and the “almost” that never quite became something real. It’s about falling for someone who was never yours, waiting on replies that never came, and hoping for more in a culture that tells you to settle for less. Told in a voice that feels like a personal journal, each chapter brings the reader closer to the thoughts we often keep hidden: the ones about love, loneliness, vulnerability, and the need to be understood. There are no fairytale princes or picture-perfect endings here, only the truth of what it means to feel too deeply in a generation that runs from emotions. “Modern Love is a Lie” isn’t about giving up on love. It’s about surviving in a world where love has changed and still daring to believe in the old kind.

Grief’s Liturgy Gerald J. Postema, 2012-10-03 At once a lament-psalm and a love song, Grief’s Liturgy records Gerald Postema’s work and worship of grief upon the loss of his wife, a year’s work aided by the companions--poetry and prayers, icons and images, music and silence--that sat patiently with him. Structured around the liturgy of the Divine Office, reflections in each hour take on a distinctive expressive and emotional tone and fall into a jagged, broken rhythm over the course of each day yielding ultimately an understanding of the life-affirming necessity of grief.

When Grief Equals Love Lizzie Pickering, 2023-05-11 When Lizzie Pickering's young son Harry died in 2000, she set out on a journey to understand how she could survive her grief and learn to live with it. In *When Grief Equals Love*, she details the lessons she's learned from her own experiences and those of others, who share their thoughts in this moving and tender book. Lizzie opens her diaries, written in the early years after Harry's death, revealing her observations on the grief of his siblings and family, what helped and what hurt. Revisiting those diaries, she reflects on time passing, and what has changed for her and her family since. Lizzie looks at the myth of closure, survivor's energy and cumulative grief – when life experiences pile up and become too much to bear. She includes interviews with bereaved friends, who share their own insights, and she provides a toolkit based on what has helped her and what she recommends to those she now helps with grief guidance. In most lives, unfortunately, grief and loss are inevitable. But living with grief can still be living. This book is for those going through grief and anyone who might need to support them. There are no easy answers, but nobody should have to cope alone.

A chance to Grieve J T JOHNSON ,2025-02-08 I have spent so much time being strong for others that I don’t even know what it feels like to fall apart. I carry their pain like it’s my own, holding them up when they are weak, whispering words of comfort even as my own soul is screaming for relief. But what about me? What about my grief? I don’t get to grieve. I don’t get to lay down the weight of responsibility and just be. I don’t get the luxury of breaking down because there’s always something that needs to be done—bills to pay, people to care for, tasks that won’t wait. I watch others mourn, and I stay strong for them, pushing my own pain aside like it doesn’t matter. But it does. I read the scriptures. I know that Jesus tells me to lay my burdens at His feet, and I try—I really do. But laying them down doesn’t mean they disappear. It doesn’t mean the ache in my chest stops. It doesn’t mean the memories fade or the weight of loss magically lifts. It just means I’m trusting that God sees me, even when no one else does.

Surviving Beverly Gooden,2022-06-05 Library Journal Self-Help Bestseller Winner of the 2023 National Indie Excellence Award in African American Nonfiction Silver Winner of the 2023 Nautilus Book Award A revealing look at why domestic violence victims stay with their abusers...and how they can ultimately leave. And survive. One Saturday morning, Gooden is woken up by her husband shoving her off the bed for no discernible reason. Despite her quick thinking and even quicker footsteps, her husband catches her, his sudden anger inexplicable. No words are exchanged. He begins to strangle her as he has done many times before. With unflinching vulnerability, Gooden outlines in painstaking detail what she had to do to walk away and how others can use her experiences to escape their own abuse, from skimming the grocery money, to squirreling away personal belongings, to navigating a domestic violence shelter. She offers strategies for overcoming the barriers survivors often face, such as money, housing, overcritical social circles, or, most powerfully: love. Uniquely compassionate when it comes to the heartbreak of still loving one's abuser, Gooden shares how she transformed and extended this love outward, using her story to encourage others to choose themselves. The voice and fire behind #WhyIStayed, Bev Gooden is exceptionally positioned to explore the many reasons victims stay in abusive relationships, and how they can muster the resources and motivation to leave. Surviving is unlike any memoir of survivorship, given its nuance, compassion, and candor. Above all, it is an exquisitely powerful testament to Gooden's healing, survivorship, and dedication to helping others do the same.

No Lost Causes Club Lauren McQuistin,2025-07-15 Brutally honest, darkly funny, and deeply empathetic, No Lost Causes Club is a guide to the process of sobering up when it feels like the party's just getting started, from the voice of the popular Instagram @brutalrecovery. When she was told that her life expectancy could be as low as twenty-five if she did not stop drinking, Lauren McQuistin felt absolutely nothing—then despair and disbelief. How was she here? Surely, sobriety was for middle-aged divorcees who'd lost everything, not young, struggling singers who didn't have anything to lose in the first place? Besides, when alcohol is the only medicine that makes the world feel bearable, how can you possibly stop taking it? Six years later, Lauren has found her way to an intricate answer. Entwining practical, empathetic suggestions with intimate memoir, No Lost Causes Club is an intrinsically vulnerable and brutally honest exploration of what it looks like to live a full life after getting clean. From delving into the social complexities that often leave people hopelessly dependent on alcohol to centering the struggles of those newly navigating sobriety, this book is a soothing balm for anyone wondering how to carve out a beautiful life in a world that never made sense before.

I'll Love You Forever Rita Beggins,2024-12-12 A true story of a Belfast boy who grew up in tough times. His father left the family home to find work elsewhere when he was 8 years old and two weeks before his fifth child was born.He never returned and only on a rare occasion did his wife receive any support from him. The family faced many hardships. It was 1942 and Britain was at war with Germany. They were to face food rationing and the bombing of the shipyards and so they were evacuated to the country away from the city and the dangers of war. Back in Belfast he attended a catholic school run by religious brothers. He had developed a stutter, and so school life was tough for him. When it was his turn to stand in front of the class to read, he knew that the minute he started to stutter he would be beaten. As a result, he played truant when he had one particular brother who delighted in humiliating him. It was less than half a dozen times in the space of a year and for this his mother was taken to court. It was decided that as she was raising her family as a single parent with no father in the home then it would be better for him and in his interests, to spend the final 3 years of his school life in a boy's home. He was 11 years old. When he left school at 14, the school leaving age at that time, he had no qualifications and there was very little work in the city. He found work attending the gardens in a local convent. The pay was minimal and with no prospects. When he was 18 he joined the RAF and hoped that at the end of his 2 years' service things would have improved with regard to work but there had been no change. With very few prospects of permanent work, he made the decision in the mid 1950s to leave his home country to seek a better life for himself in London. Our paths crossed shortly after, and we spent the next 63 years of our lives together. We married and raised a family and although the early years were tough, we got through them

and our standard of life improved. He had permanent work with the LCC Parks Department and over the years through sheer hard work, climbed the ladder from a parks labourer to propagating in the greenhouses. He transferred to tree felling and by the end of his career he had reached the grade of arboriculturist. He never forgot the hard life his mother had trying to raise her family with very little income and was determined that his own family wouldn't suffer in the same way. His health started to fail in 2003 when he had a heart attack and over the following years, cancer of the larynx, vascular peripheral disease and eventually vascular dementia. As his main carer, I lived with that dementia 24/7 for 5 years. It was the hardest thing I've ever had to do as I watched him slowly leave me. I was exhausted both physically and mentally. It was soul destroying. Would I do it all again? In a heartbeat, he was the love of my life.

Shark Lela Lynn, 2020-11-20 Have you ever had one of those weeks? You know, nothing good can come of it, but you push along anyway. And each thing that you do only digs the hole deeper until you have no idea how you are going to get out of it. Welcome to my world. The Devil's Brothers MC did some housecleaning. Got rid of some rats. Only problem is when all was said and done, I lost something, someone near and dear to me, and I don't know how to handle it. Mama told me to blow in the breeze, so I hop on my Harley and ride with no destination in mind. I find myself back in my old stomping ground, Las Vegas, the place of my misspent youth. The place I always came to, to make some coin as soon as I got my first fake ID was able to get in the casino. The town I once called my own. That's how I got my name. I was the best card shark around in my day. When I get in debt too deep, I do something stupid. Something drastic. Now the stakes have changed and I'm in way over my head. Carpagio People think I'm rich because I'm crooked. Fact is, I'm crooked because I'm rich. If I can't buy it or borrow it, I steal it. When someone steals my shipment, I have to do what I can to get it back. What I didn't expect is that it would be a person from my past. Someone I left behind. Someone I loved. And he has no idea who he's crossed. Annystasia

My mother always talked about Stanley. Daddy said she was crazy. He had nurses take care of her. I thought he was a figment of her imagination. My whole life has been a lie. I have a brother, and Daddy isn't going to like the results.

Sustained Hanna Marmalich, 2025-02-05 When our world unexpectedly shatters and it becomes immersed in unspeakable pain and grief, life can look empty and void of all reason to hope. As believers in Christ we are reminded that He is our living hope and the pain of today is "but for a moment." Yet how do we reconcile our faith with the daily demands grief puts on us? Is it possible to both grieve well and live out our faith well at the same time? Can we live with both Jesus and grief being active in our lives and still thrive in the aftermath of loss? Can the same God that allowed this to happen still be trusted? In *Sustained*; grieving in the hands of Jesus, author Hanna Marmalich shares her personal experience and wisdom of trusting God in the midst of the unknown in grief. As she journeyed through her personal testimony of pain, her understanding of God's loving comfort, along with the misconceived ideas she encountered about grief, helped give her insight into why there exists such a struggle for faith and grief to live harmoniously together. Hanna walks through snapshots in time where this struggle appeared in various settings and how God faithfully led her through each one. She addresses the practical interactions with grief that effected her everyday life, to the deep heart wrenching examples of learning to breathe through the waves of grief. Through each bite sized chapter, Hanna reveals how God's nearness to the brokenhearted is a sacred space.
