**Lauren E. Osborne**

**Hearing Islam** Lauren E. Osborne,2024-07-31 Hearing Islam introduces the global religious tradition of Islam through its rich history of sounds and music. The book explores how the centrality of sonic practices and experiences within Islamic traditions stems largely from the orality of the Qur'an and the importance of recitation, while arguing that sound can provide a productive point of entry to human cultures in general. Its tripartite structure guides the reader through the foundations of Islamic traditions and sounds; theoretical frameworks of orality, listening, and deafness; and some of the major types of sonic practices and genres related to Islam, such as chanting the Islamic poetic tradition, South Asian qawwali, and hip-hop. This cutting-edge textbook is the go-to volume for students of Islam and sound, Islamic studies, religion and sound, and the practice of Islam.

**Young Muslim Change-Makers** William Baryló,2017-07-20 The Muslim charity sector is stronger than ever, attracting thousands of volunteers and millions of pounds in donations. In times of mobile internet and social media, young people have set up small scale charities in urban areas, providing general social services to Muslims and non-Muslims alike. Breaking away from bureaucratic non-governmental organisations and traditional faith-based charities, these smaller local associations are an attractive alternative to young people. This book offers an exploration of the Muslim charity sector, from multi-million pound NGOs to discrete grassroots charities who are quietly giving rise to the next generation of Muslim entrepreneurs, scholars, politicians and other influencers. From studies of eleven charities across France, Poland and the UK, it investigates key questions around this young and dynamic movement. What motivates these young Muslim volunteers? What shapes the socially-engaged behaviour of young Muslims? What is the place and the role of Islam in their involvement and commitment to their causes? What social impact do these organisations have in their local area? How do they understand religion, faith, participation and citizenship? What challenges do they face and how do they overcome these? The book also examines how these grassroots are successful in helping to prevent extremism, curb Islamophobia and challenge colonialism. The analysis

of these small, local and original initiatives is fundamental in understanding the role of religiosity for these younger generations who are trying to articulate their multiple identities, cultures and traditions in a modern, secular society. Rich, detailed and vivid, the book sheds new lights on a popular field of research, unveiling exclusive key information on the subject of young European Muslims.

Every story bears witness to the all-too-universal desire to be loved, and what happens when this longing gets pushed to its limits. *Are You Enjoying?* is a free-spirited, confident, indelible introduction to a galvanizing new talent.

*Islam and Good Governance* M. A. Muqtedar Khan, 2019-04-08 This book advances an Islamic political philosophy based on the concept of Ihsan, which means to do beautiful things. The author moves beyond the dominant model of Islamic governance advanced by modern day Islamists. The political philosophy of Ihsan privileges process over structure, deeds over identity, love over law and mercy and forgiveness over retribution. The work invites Muslims to move away from thinking about the form of Islamic government and to strive to create a self-critical society that defends national virtue and generates institutions and practices that provide good governance.

**Wellbeing and the Worshipper** Mohamed Safiullah Munsoor, 2021-05-04 This is a rare piece of empirical research, which reveals the workings of a spiritual order, its leadership, as well as their approaches, methods and tools. It demonstrates how the seekers, who were partly drug addicts and HIV patients, and the general segment of this Order, have been able to positively transform themselves. A multidisciplinary approach enlightens the analysis and discussion by bringing together spirituality, psychology, neuroscience as well as organisational development, to produce a rich tapestry of first hand insights. This book provides an integrated approach to understanding the landscape of a spiritual order primarily using a mixed method and a holistic approach with a particular focus on Islam. Qualitative examples include interpretivistic phenomenological approaches and neuro-linguistic programming. The book highlights the positive impact of worship by providing practical guidance and suggestions on how to spiritually improve oneself. This dualistic approach generated a working model for spiritual leadership and self-development. The unsuspecting but important link of spirituality to the United Nations sustainable development goals (SDGs) is highlighted and discussed, which needs to be factored into the global development narrative. The text is primarily for researchers, yet has a secondary use for students and general readership given the comprehensive review establishing a conceptual framework for worship and morality.

*Maya's Laws of Love* Alina Khawaja, 2024-03-26 A charming, funny, and unique twist on challenging the laws and traditions that shape us. —Abby Jimenez, New York Times bestselling author of Yours Truly A bride-to-be convinced she's cursed in romance finds her luck changing—at exactly the wrong time. Maya Mirza is so convinced she's unlucky in love that she's come up with a list of laws to explain it. Most importantly... Maya's Law #1: Anything that can go wrong will go wrong. But that's about to change. Maya's headed to Pakistan for an arranged marriage with a handsome, successful doctor who ticks all the right boxes. First comes marriage, then comes love—she's sure of it. Except... Law #4: When you think you're lucky, think again. From the start, Maya's journey is riddled with disaster, and the cynical lawyer seated next to her on the plane isn't helping. When a storm leaves them stranded in Switzerland, she and Sarfaraz become unlikely travel companions through bus breakdowns and missed connections. Law #6: Trips are never smooth sailing. And before long, Maya's wondering whether she's just experienced the ultimate in misfortune—finally meeting the right man a few days before she

marries someone else. And Maya might just be the worst person to keep a secret. Law #18: If you're overtired, you'll always spill your guts. But maybe, if she's willing to bend some laws, this detour could take her somewhere totally—and wonderfully—unexpected. Rooted in Pakistani and Muslim culture and faith, this romance is a fun romp that features plenty of adventure and plot twists. Recommend to fans of Uzma Jalaluddin. —Library Journal, starred review

Daily Life and Sunnah of the Prophet Muhammad (P.B.U.H) Dr. Iftekhhar Ahmed Shams, 2023-03-10 Daily Life and Sunnah of the Prophet Muhammad (Peace be upon him) He was the highest example for humanity. He was the eminence of humanity in morals and habits. He presented humanity's best course of action in every sphere of life. From childhood to youth, youth to prophethood, and from prophethood to death, every moment of his life is worthy of imitation and obedience. Looking at every corner of his life, he is a shining example of truth, trust, honesty, loyalty, and piety. The world knows him as the last Messenger of Allah, Muhammad Mustafa (peace be upon him). Allah Almighty has sent the Messenger of Allah (peace and blessings of Allah be upon him) as an exemplary model and has instructed people to be themselves according to this model in every field of life, in every era, in every situation, and in worship, affairs, society, and habits as well as try to convince others to follow his example. This verse, Indeed, there is a good example for you in the Messenger of Allah. That's what it means. As if the Messenger of Allah, may God bless him and grant him peace, his biography and blessed habits are a practical Quran. Islam is a comprehensive religion, and the Prophet's (peace be upon him) teachings and his life are a complete example, shedding light on every aspect of human life and providing us with guidance and solution to all the problems that human beings may face in their lives. Therefore, for humanity to flourish and prosper in the future and progress, it is inevitable to follow Prophet Muhammad (peace be upon him) as a paradigm for a perfect human being. This book is written with all the above facts to provide a comprehensive collection of the Prophet's daily life, habits, traits, dealings, and affairs. It sheds light on the Prophet (peace be upon him) as a father, brother, husband, and friend. It also tells us how the Prophet (peace be upon him) was as a trader, merchant, statesman, ruler, and politician. I hope this book will provide better insight into the life of the Prophet (peace be upon him) and inspire people to follow in his footsteps in every aspect of life.

*The Consequences of Love* Sulaiman S.M.Y. Addonia,2009-08-11 A Romeo and Juliet story set against the strict Muslim laws of Saudi Arabia, Sulaiman Addonia's astonishing debut novel is a sensuous and intensely wrought story of a young immigrant and a girl behind a veil who defy law and risk their lives to be together. Under a relentless summer sun, women dressed like long dark shadows and men decked out in light cotton robes roam the streets of Jeddah. While most of Naser's friends have left town to escape the heat, he must stay behind to work. An African immigrant and outsider, Naser spends his spare time frequenting a friend's café, writing letters to his mother in Eritrea, and daydreaming about the glamorous girlfriend he hopes to one day have. Naser and his younger brother were sent to Saudi Arabia to avoid the war back home, but though they live with their conservative Muslim uncle they remain under the watchful, wrathful eyes of the religious police, who monitor the community's every action, govern the near indestructible boundaries between men and women-walls in mosques, panels on buses, separate visiting quarters in houses, and, of course, the black veil, or abaya, that adorns the women-and punish any disobedience by public beating or death. But a splash of color arrives in Naser's world when unexpectedly a small piece of paper is dropped at his feet. It is a love note from a girl whose face he has never seen and whose voice he has never heard. To identify her among the sea of veiled women, she instructs him to look for a pair of pink shoes peeking out from under her draped abaya. Intrigued and encouraged, Naser rebels against Wahhabist Islamic convention and begins a clandestine correspondence with the girl. Yet even as the barriers that divide them begin to crumble under the weight of their passionate prose and devotion, the lovers' illicit affair will face the ultimate and most heartrending test.
