

Life Of The Party Olivia Gatwood

Meg Hafdahl, Kelly Florence

Life of the Party Olivia Gatwood, 2019-08-20 A dazzling debut collection of raw and explosive poems about growing up in a sexist, sensationalized world, from a thrilling new feminist voice. i'm a good girl, bad girl, dream girl, sad girl girl next door sunbathing in the driveway i wanna be them all at once, i wanna be all the girls i've ever loved —from "Girl" Lauded for the power of her writing and having attracted an online fan base of millions for her extraordinary spoken-word performances, Olivia Gatwood now weaves together her own coming-of-age with an investigation into our culture's romanticization of violence against women. At times blistering and riotous, at times soulful and exuberant, *Life of the Party* explores the boundary between what is real and what is imagined in a life saturated with fear. Gatwood asks, How does a girl grow into a woman in a world racked by violence? Where is the line between perpetrator and victim? In precise, searing language, she illustrates how what happens to our bodies can make us who we are. Praise for *Life of the Party* "Delicately devastating, this book will make us all 'feel less alone in the dark.' "—Miel Bredouw, writer and comedian, *Punch Up the Jam* "Gatwood writes about the women who were forgotten and the men who got off too easy with an effortlessness and empathy and anger that yanked every emotion on the spectrum out of me. Imagine, we get to live in the age of Olivia Gatwood. Goddamn."—Jamie Loftus, writer and comedian, *Boss Whom Is Girl* and *The Bechdel Cast* "I've read every poem in *Life of the Party*. I've read each of them more than once. In some parts of the book the spine is already breaking because I've spent so much time poring over it and losing hours in this world Olivia Gatwood has partly created, but partly just invited the reader to enter on their own, caution signs be damned. This book is enlightening, inspiring, igniting, and f***ing scary. I loved every word on every page with a ferocity that frightened me."—Madeline Brewer, actress, *The Handmaid's Tale*, *Orange Is the New Black*, and *Cam*

Life of the Party Olivia Gatwood, 2024-06-20

The Science of Serial Killers Meg Hafdahl, Kelly Florence, 2021-10-19 Discover the real-life inspirations behind history's most infamous serial killers: John Wayne Gacy, Jeffrey Dahmer, Charles Manson, and so many more. Gothic media moguls Kelly Florence and Meg Hafdahl, authors of *The Science of Monsters*, *The Science of Women in Horror*, and *The Science of Stephen King*, and co-hosts of the *Horror Rewind* podcast called "the best horror film podcast out there" by *Film Daddy*, present a guide to the serial killers who inspired the movies and media we all know and love. Delve into the brutal

truth behind horror's secret: many monsters portrayed on the silver screen are based on true murderers. Uncover the truth behind the real monsters of horror, answering such questions as: What is the science behind serial killers' motivations like Ted Bundy and John Wayne Gacy? How did detectives discover the identities of criminals like the Boston Strangler and the BTK Strangler? Has science made it possible to unmask Jack the Ripper and the Zodiac Killer? What is the science behind female versus male serial killers? Through interviews, film analysis, and bone-chilling discoveries, join Kelly and Meg as they learn about the horrors of true crime through the decades.

My Body Keeps Your Secrets Lucia Osborne-Crowley, 2021-09-02 In her first full-length book, Lucia Osborne-Crowley, author of the acclaimed Mood Indigo essay I Choose Elena, writes about the secrets a woman's body keeps, from puberty to menstruation to sexual pleasure; to pregnancy or its absence; and to darker secrets of abuse, invasion or violation. Through the voices of women around the world and her own deeply moving testimony, *My Body Keeps Your Secrets* tells the story of the young woman's body in 2021. Moving from girlhood and adolescence to young womanhood, Osborne-Crowley establishes her credentials as a key feminist thinker of a new generation with this widely researched and boldly argued work about reclaiming our bodies in the age of social media.

What to Miss When Leigh Stein, 2021-08-10 Poems about pop culture, mortality, and the internet, written during the Coronavirus pandemic—for readers who are more likely to double-tap Instapoems than put their phone down long enough to read *The Decameron*. Catalyzed by sheltering in place and by a personal challenge to give up alcohol for thirty days, Leigh Stein, the poet laureate of The Bachelor, has written a twenty-first-century *Decameron* to frame modern fables. *What to Miss When* makes mischief of reality TV and wellness influencers, juicy thoughtcrimes and love languages, and the mixed messages of contemporary feminism. "Think Starlight," the first poem in this collection, written before any self-quarantine orders, imagined the likelihood that the United States would follow in Italy's footsteps in terms of caseload and hospital overwhelm. By March 17, 2020, the imagined was the real: New York City had closed schools, bars, and restaurants—with the rest of the country close behind. With nihilist humor and controlled despair, *What to Miss When* explores fears of death and grocery shopping, stress cleaning and drinking, celebrities behaving badly, everything we took for granted, and life mediated by screens—with dissociation-via-internet, and looking for mirrors in a fourteenth-century pandemic text, a kind of survival response to living casually through catastrophe.

Whoever You Are, Honey Olivia Gatwood, 2025-04-15 What happens when what was once considered dystopia is now reality? This darkly brilliant debut novel explores how women shape themselves beneath the gaze of love, friendship, and the algorithm—"a fever dream for the AI age" (People). "This book reads like a thriller, but it's also a tender and searching exploration of what it means to inhabit a female body."—Kelly Link, author of *The Book of Love* A TIME AND VOGUE BEST BOOK OF THE YEAR Mitty can't quite make out the expression on Lena's face, but she doesn't look distressed. She looks like

nothing at all. She looks like the beginning, before thoughts, a white hallway with no doors, a room so long your voice disappears before it can echo. On the Santa Cruz, California, waterfront, every house is a flawless glass monolith. Except for one. In a dilapidated bungalow, Mitty and her elderly roommate, Bethel, are the oddball pair who represent the last vestiges of a free-spirited town taken over by the tech elite. But their lives are about to be forever changed when a new couple, Sebastian and Lena, move in next door. Sebastian is a renowned tech founder and Lena is his spellbindingly perfect girlfriend. But Lena has secrets; she feels uneasy about her oddly spotty memory and is growing increasingly wary of the way Sebastian controls their relationship. Mitty is also hiding something, and the way Lena appears to float through her luxurious life draws Mitty inexorably into her orbit. As the two women begin to form a close friendship, they are finally forced to face their pasts—and the urgent truths that could change everything. Showcasing Olivia Gatwood’s talent as an essential author for our hyper-digital age, *Whoever You Are, Honey* is a gripping, seductive, and prescient novel that dissects relationships between women and examines how striving for perfection and desirability plays out in spaces where technology and power intersect.

Open-Hearted Horizon Valerie Martínez, Shelle VanEtten de Sánchez, 2024-02-15 *Open-Hearted Horizon: An Albuquerque Poetry Anthology* invites you into a poetic conversation. The anthology includes a wide range of Albuquerque-based poets and poems that are inspired—directly, associatively, obliquely—by Albuquerque, New Mexico, as a place and as a community. Anthologies commonly celebrate a multitude of voices. Because this one is place-based, it aims to draw you into a circle that deepens your sense of place and people, of contexts and cultures, whether you know Albuquerque or not. Because the Albuquerque poetry community is characterized by its support for individual writers and by a strong impulse toward creative collaboration, *Open-Hearted Horizon* features poems in multiple voices. In addition to poems by individual poets, this collection also features collaborative works, including those by the EKCO collective and one that features a line from every poem in the anthology. Overall, the collection invites you to experience Albuquerque in all its richness, diversity, and depth.

Whoever You Are, Honey Olivia Gatwood, 2024-07-09 What happens when what was once considered dystopia is now reality? This darkly brilliant debut novel explores how women shape themselves beneath the gaze of love, friendship, and the algorithm—“a fever dream for the AI age” (People). “This book reads like a thriller, but it's also a tender and searching exploration of what it means to inhabit a female body.”—Kelly Link, author of *The Book of Love* A TIME AND VOGUE BEST BOOK OF THE YEAR Mitty can’t quite make out the expression on Lena’s face, but she doesn’t look distressed. She looks like nothing at all. She looks like the beginning, before thoughts, a white hallway with no doors, a room so long your voice disappears before it can echo. On the Santa Cruz, California, waterfront, every house is a flawless glass monolith. Except for one. In a dilapidated bungalow, Mitty and her elderly roommate, Bethel, are the oddball pair who represent the last vestiges

of a free-spirited town taken over by the tech elite. But their lives are about to be forever changed when a new couple, Sebastian and Lena, move in next door. Sebastian is a renowned tech founder and Lena is his spellbindingly perfect girlfriend. But Lena has secrets; she feels uneasy about her oddly spotty memory and is growing increasingly wary of the way Sebastian controls their relationship. Mitty is also hiding something, and the way Lena appears to float through her luxurious life draws Mitty inexorably into her orbit. As the two women begin to form a close friendship, they are finally forced to face their pasts—and the urgent truths that could change everything. Showcasing Olivia Gatwood's talent as an essential author for our hyper-digital age, *Whoever You Are, Honey* is a gripping, seductive, and prescient novel that dissects relationships between women and examines how striving for perfection and desirability plays out in spaces where technology and power intersect.

New American Best Friend Olivia Gatwood, 2017 One of the most recognizable young poets in America, Olivia Gatwood dazzles with her tribute to contemporary American womanhood in her debut book, *New American Best Friend*. Gatwood's poems deftly deconstruct traditional stereotypes. The focus shifts from childhood to adulthood, gender to sexuality, violence to joy. And always and inexorably, the book moves toward celebration, culminating in a series of odes: odes to the body, to tough women, to embracing your own journey in all its failures and triumphs.

Woke Mahogany L. Browne, Elizabeth Acevedo, Olivia Gatwood, 2020-03-10 This collection of poems by women of color covers topics relating to social justice, activism, discrimination and empathy, focusing on the need to speak out and inspiring middle-graders. -*Vogue* *Woke: A Young Poet's Guide to Justice* is a collection of poems to inspire kids to stay woke and become a new generation of activists. Historically poets have been on the forefront of social movements. *Woke* is a collection of poems by women that reflects the joy and passion in the fight for social justice, tackling topics from discrimination to empathy, and acceptance to speaking out. With Theodore Taylor's bright, emotional art, and writing from Mahogany L. Browne, Elizabeth Acevedo and Olivia Gatwood, kids will be inspired to create their own art and poems to express how they see justice and injustice. With a foreword by best-selling author Jason Reynolds.
