**Persuasion: History, Theory, Practice** George Pullman, 2013-09-15 George Pullman's lively and accessible introduction to the study of persuasion is an ideal text for use in courses where the understanding and practice of argumentation, rhetoric, and critical thinking are central. Continually challenging his readers to seek and recognize sound evidence, to question the obvious, and to assess and reassess the credibility of claims made by others—including the author's own—Pullman shows the way to strong writing, effective speaking, and rigorous critical thinking.

Confessions of a Gamer Girl Kirsten S. Blacketer, 2022-06-27 Life is fanfrickentastic. I'm an independent woman working for a multi-million-dollar company where I'm treated as a valuable member of the team and not an errand girl. I don't want nor need a man's approval. My abilities speak for themselves. Outside of work, gaming is my life, my escape, and I'm damn good at it. But girls aren't supposed to be gamers. Bullshit. For years I strived to be taken seriously, and I'm not about to let some freelance computer whiz steal my thunder. Even if he is my best friend's roommate and hot enough to send my motherboard into meltdown. When I'm forced to team up with him on a project, our competitive natures and simmering chemistry only complicate matters. Is this game over?

In this series debut, a Gamer Girl who's attracted to the competition will have to keep her eye on the prize . . . WINNER TAKES ALL Travel blogger Gwen Williams is about to live the dream—competing in the annual Annual Explorers of Islay competition. She's up against some stiff competition, namely legendary gamer and four-time champ Cody McKay. The seriously buff hottie and shameless flirt is going all-out to seduce her. That's when Gwen lays her cards on the table: She never, ever mixes gaming with romance . . . until resisting Cody becomes a losing proposition. As Gwen gives in to temptation, everything's in play for a major heartache. With the rounds heating up and players eliminated, she knows she's gambling a lot more than a seat at the final table in Vegas. But Cody's kisses promise more than a fleeting romance. If she plays her cards right, Gwen just might walk off with the championship and the man of her dreams.
