*Romeo and Juliet - Love Theme Sheet Music* Henry Mancini, 1994-01-01 (Piano Solo Sheets). Piano solo sheet music for the beautiful theme arranged by Henry Mancini for Franco Zeffirelli's film.

**Henry Mancini** John Caps, 2012-02-15 Through film composer Henry Mancini, mere background music in movies became part of pop culture--an expression of sophistication and wit with a modern sense of cool and a lasting lyricism that has not dated. The first comprehensive study of Mancini's music, *Henry Mancini: Reinventing Film Music* describes how the composer served as a bridge between the Big Band period of World War II and the impatient eclecticism of the Baby Boomer generation, between the grand formal orchestral film scores of the past and a modern American minimalist approach. Mancini's sound seemed to capture the bright, confident, welcoming voice of the middle class's new efficient life: interested in pop songs and jazz, in movie and television, in outreach politics but also conventional stay-at-home comforts. As John Caps shows, Mancini easily combined it all in his music. Mancini wielded influence in Hollywood and around the world with his iconic scores: dynamic jazz for the noirish detective TV show *Peter Gunn*, the sly theme from *The Pink Panther*, and his wistful folk song *Moon River* from *Breakfast at Tiffany's*. Through insightful close readings of key films, Caps traces Mancini's collaborations with important directors and shows how he homed in on specific dramatic or comic aspects of the film to create musical effects through clever instrumentation, eloquent musical gestures, and meaningful resonances and continuities in his scores. Accessible and engaging, this fresh view of Mancini's oeuvre and influence will delight and inform fans of film and popular music. John Caps is an award-winning writer and producer of documentaries. He served as producer, writer, and host for four seasons of the National Public Radio syndicated series *The Cinema Soundtrack*, featuring interviews with and music of film composers. He lives in Baltimore, Maryland. A volume in the series *Music in American Life*

Shakespeare and Music Julie Sanders, 2007-07-23 This is a study of the rich and diverse range of musical responses to Shakespeare that have taken place from the seventeenth century onwards. Written from a literary perspective, the book explores the many genres and contexts in which Shakespeare and his work have enjoyed a musical afterlife discussing opera, ballet, and classical symphony alongside musicals and film soundtracks, as well as folk music and hip-hop traditions. Taking as its starting point ideas of creativity and improvisation stemming from early modern baroque practices and the more recent example of twentieth-century jazz adaptation, this volume explores the many ways in which Shakespeares plays and poems have been re-worked by musical composers. It also places these cultural productions in their own historical moment and context. Adaptation studies is a fast emerging field of scholarship and as a contribution to this field, Shakespeare and Music: Afterlives and Borrowings: develops theories and practices from adaptation studies to think about musical responses to Shakespeare across the centuries brings together in an exciting intellectual encounter ideas and methodologies deriving from literary criticism, theatre history, film studies, and musicology explores music in its widest context, looking at classical symphonies including the work of Berlioz and Elgar and operas by Verdi and Britten as well as Broadway musicals, film scores by Shostakovich, Walton, and contemporary performers, and the jazz adaptations of Duke Ellington and others. This is a timely study that will appeal to a wide readership from lovers of Shakespeare and classical music through to students of

film and historians of the theatre.

Hermes Pan John Franceschina,2012-06-12 Armed with an eighth-grade education, an inexhaustible imagination, and an innate talent for dancing, Hermes Pan (1909-1990) was a boy from Tennessee who became the most prolific, popular, and memorable choreographer of the glory days of the Hollywood musical. While he may be most well-known for the Fred Astaire-Ginger Rogers musicals which he choreographed at RKO film studios, he also created dances at Twentieth Century-Fox, M-G-M, Paramount, and later for television, winning both the Oscar and the Emmy for best choreography. In *Hermes Pan: The Man Who Danced with Fred Astaire*, Pan emerges as a man in full, an artist inseparable from his works. He was a choreographer deeply interested in his dancers' personalities, and his dances became his way of embracing and understanding the outside world. Though his time in a Trappist monastery proved to him that he was more suited to choreography than to life as a monk, Pan remained a deeply devout Roman Catholic throughout his creative life, a person firmly convinced of the powers of prayer. While he was rarely to be seen without several beautiful women at his side, it was no secret that Pan was homosexual and even had a life partner. As Pan worked at the nexus of the cinema industry's creative circles during the golden age of the film musical, this book traces not only Pan's personal life but also the history of the Hollywood musical itself. It is a study of Pan, who emerges here as a benevolent perfectionist, and equally of the stars, composers, and directors with whom he worked, from Astaire and Rogers to Betty Grable, Rita Hayworth, Elizabeth Taylor, Sammy Davis Jr., Frank Sinatra, Bob Fosse, George Gershwin, Samuel Goldwyn, and countless other luminaries of American popular entertainment. Author John Franceschina bases his telling of Pan's life on extensive first-hand research into Pan's unpublished correspondence and his own interviews. Pan enjoyed one of the most illustrious careers of any Hollywood dance director, and because his work also spanned across Broadway and television, this book will appeal to readers interested in musical theater history, dance history, and film.

The Thought of Music Lawrence Kramer, 2016-01-12 What, exactly, is knowledge of music? And what does it tell us about humanistic knowledge in general? *The Thought of Music* grapples directly with these fundamental questions—questions especially compelling at a time when humanistic knowledge is enmeshed in debates about its character and future. In this third volume in a trilogy on musical understanding that includes *Interpreting Music and Expression* and *Truth*, Lawrence Kramer seeks answers in both thought about music and thought in music—thinking in tones. He skillfully assesses musical scholarship in the aftermath of critical musicology and musical hermeneutics and in view of more recent concerns with embodiment, affect, and performance. This authoritative and timely work challenges the prevailing conceptions of every topic it addresses: language, context, and culture; pleasure and performance; and, through music, the foundations of understanding in the humanities. The publisher gratefully acknowledges the Joseph Kerman Endowment of the American Musicological Society, funded in part by the National Endowment for the Humanities and the Andrew W. Mellon Foundation.

**Edgar G. Ulmer** Noah Isenberg, 2024-09-03 Edgar G. Ulmer is perhaps best known today for *Detour*, considered by many to be the epitome of a certain noir style that transcends its B-list origins. But in his lifetime he never achieved the celebrity of his fellow Austrian and German émigré directors—Billy Wilder, Otto Preminger, Fred Zinnemann, and Robert Siodmak. Despite early work with Max Reinhardt and F. W. Murnau, his auspicious debut with Siodmak on their celebrated Weimar classic *People on Sunday*, and the success of films like *Detour* and *Ruthless*, Ulmer spent most of his career as an itinerant filmmaker earning modest paychecks for films that have either been overlooked or forgotten. In this fascinating and well-researched account of a career spent on the margins of Hollywood, Noah Isenberg provides the little-known details of Ulmer's personal life and a thorough analysis of his wide-ranging, eclectic films—features aimed at minority audiences, horror and sci-fi flicks, genre pictures made in the U.S. and abroad. Isenberg shows that Ulmer's unconventional path was in many ways more typical than that of his more famous colleagues. As he follows the twists and turns of Ulmer's fortunes, Isenberg also conveys a new understanding of low-budget filmmaking in the studio era and beyond.

**Andre Kostelanetz on Records and on the Air** James H. North, 2011 An important extra in the book is a survey of Kostelanetz's career and an evaluation of his achievements, contributed by noted radio historian Dick O'Connor.
