**Nazarene Commentary** Mark Heber Miller,2010-11-13 At my birth in Norfolk, Virginia September 24, 1938 my mother June prayed I would become a teacher or minister. Now at 72 years of age - after 45 years as a pastor, teacher and missionary - I can thank her for her prayers for they were fulfilled beyond her most hopeful dreams. I look back on 60 years of Biblical studies beginning when I first completed reading the King James Bible at the age of 12. I have been in love with the Scriptures - and reading/writing in general - and always wanted to publish a new edition of the New Testament.

*Calvin's Complete Commentary on the Bible* Calvin, John, All 46 of the original volumes are included in this one volume. There are two linked indexes in this volume, a main index at the front of this volume that will take you to the beginning each of the books of the bible and another index at the beginning of each book there is a linked scripture index leading to the particular subject. John Calvin is considered as the first truly great scholar of the Reformation. Indeed, he has even been seen by some to be one of history's greatest Christian biblical scholars. He had an incredible command of the Bible, and his interpretations were not based on just one or two passages. He combined pastoral insight with solid exegesis to form a strong interpretation of the scriptures. However, some of his views on the prophetic interpretation, such as in the book of Daniel, are controversial. He put forth a purist view and believed that the prophecies in the book of Daniel applied solely to the history between the time of the prophet Daniel (530 BC) and Jesus' first coming (30 AD). Nevertheless, John Calvin was a force to be reckoned with, and is considered to have a unique insight which enabled him to find the true meaning of the Bible. Dutch theologian Jacobus Arminius, after whom the anti-Calvinistic movement Arminianism was named, states that, "Next to the study of the Scriptures which I earnestly inculcate, I exhort my pupils to peruse Calvin's Commentaries, which I extol in loftier terms than Helmich himself (a Dutch divine, 1551-1608); for I affirm that he excels beyond comparison in the interpretation of Scripture, and that his commentaries ought to be more highly valued than all that is handed down to us by the library of the fathers; so that I acknowledge him to have possessed above most others, or rather above all other men, what may be called an eminent spirit of prophecy. His Institutes ought to be studied after the (Heidelberg) Catechism, as containing a fuller explanation, but with discrimination, like the writings of all men." During his life, Calvin produced commentaries on 48 books of the Bible, a total of 45 published volumes. He intended to put out a complete commentary of the Bible, but his death prevented this. The books of Judges, Ruth, 1 & 2 Samuel, 1 & 2 Kings, 1 & 2 Chronicles, Ezra, Nehemiah, Esther, Job, Proverbs, Ecclesiastes, Song of Solomon, 2 & 3 John, and Revelation were unfortunately not completed. He did, however, write a two volume commentary of the Harmony of the Gospels (Matthew, Mark, and Luke) as well as a separate commentary for the gospel of John. Likewise, he also wrote a two volume series on the Harmony of the Law (Exodus, Leviticus, Numbers, and Deuteronomy). Calvin's own exegesis of the original text allowed him to bring out a

unique and pleasing interpretation. He begins each section of scripture with his own translation of the text and then further expounds upon it, point by point, making it an excellent resource for ministers and teachers alike. After more than 400 years, Calvin's commentaries are still a relevant and essential tool for Christians.

Owen, 2021-09-07 A Teacher's Commentary on First and Second Corinthians is especially designed as a practical tool for those who preach from the Corinthian letters or teach Bible studies from them. The material on First Corinthians will help ministers with many practical church matters and encourage them to work for unity in the church during times of conflict. The material on Second Corinthians will help ministers navigate relationships with people in their churches over time and at the same time remain faithful to Christ in ministry.

*The Trinity and the Bible* J. Alexander Rutherford, 2022-10-14 To write on the Trinity is to enter a minefield of presuppositions-presuppositions of theology, exegesis, grammar, logic, philosophy, etc. However, at the heart of God's self-revelation in the Bible is God's tri-unity, that God is three, Father, Son, and Holy Spirit. Confessional Christians would identify this claim, that God is Triune, as a necessary condition of true Christian faith. To be Christian is to follow Christ who is the 2nd person of the Trinity. Yet, does following this Christ mean following the 2nd hypostasis who is eternally begotten of the Father, sharing with him his ousia? That is a more difficult question, isn't it? Indeed, many faithful men and women in my life could not make heads or tails of the latter claim while worshipping and following the Christ of the former. So, what does it mean to be Trinitarian? This book is about that question, what does it mean to be a Christian who worships a triune God, to be "Trinitarian"? Is the Trinity a doctrine, arrived at through second-order reflection on the Biblical data several hundred years after the canon closed, or is it something else? Is it, perhaps, a presupposition about the reality of God that has shaped the Christian imagination, that has shaped the framework Christians bring to the world, throughout created history?

*Second Corinthians* David E. Garland, 1999 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text.

**NEW TESTAMENT CONTEXTUAL COMMENTARY** Dr. Robert R. Seyda, 2024-05-16 Here John advises us that loving one another is not an option or a suggestion, it is a commandment. John doesn't want any believer to become like Adam and Eve's firstborn, Cain. That happened because Cain was under the influence of Satan. This is, therefore, a warning not to mess with the world. So, what if they hate us? We are bound for everlasting life in the presence of God. That's why death has no power over us. And that's why, if our thoughts do not tell us that we are guilty, we will not be afraid to come to God. We can pray to God and we can ask Him to help us. He will give us what we ask Him for. That is because we obey His commands and we do the things that please Him. Furthermore, we should all love each other because God makes us able to love other

people. Everyone who loves other people confirms our claim to be a child of God. If anyone says clearly that Jesus is the Son of God, God lives in that person. And that person lives together with God. We know the kind of love that God has for us. That's why if we love God, we will not be afraid of Him. So, how do we know that we love God's children? We know it when we love God and we do what He tells us to do.

*Holy Scripture in the Qumran Commentaries and Pauline Letters* Timothy H. Lim, 1997 What was the ancient exegetes' attitude to the biblical texts? Did they consider them 'sacred' in the sense that the words were the inviolable utterances of God? Or did they when necessary modify and adapt holy writ for their own purposes? This book examines the question of exegetical modifications from the post-Qumran perspective of textual pluriformity of literalism that runs through ancient exegeses and translations. The Qumran Commentators and Paul complemented their fulfilment-exegeses by paying close attention to the verbal formations of the biblical texts. The hermeneutical principles underlying their exegeses involved a multiplex of competing forces that at the same time sought to make scripture relevant while guarding it from changes. In so far as the label 'post-biblical exegesis' describes a clear separation between the written, authoritative texts and its interpretation, the distinction is overdrawn, for the ancients were not merely commentators, but also in some sense authors of the biblical texts.

Dictionary of Paul and his letters GERALD F HAWTHORNE, RALPH P MARTIN, DANIEL G REID, 2020-05-21 The

'Dictionary of Paul and his letters' is a one-of-a-kind reference work. Following the format of its highly successful companion volume, the 'Dictionary of Jesus and the Gospels', this Dictionary is designed to bring students, teachers, ministers and laypeople abreast of the established conclusions and significant recent developments in Pauline scholarship. No other single reference work presents as much information focused exclusively on Pauline theology, literature, background and scholarship. In a field that recently has undergone significant shifts in perspective, the 'Dictionary of Paul and His Letters' offers a summa of Paul and Pauline studies. In-depth articles focus on individual theological themes (such as law, resurrection and Son of God), broad theological topics (such as Christology, eschatology and the death of Christ), methods of interpretation (such as rhetorical criticism and social-scientific approaches), background topics (such as apocalypticism, Hellenism and Qumran) and various other subjects specifically related to the scholarly study of Pauline theology and literature (such as early catholicism, the centre of Paul's theology, and Paul and his interpreters since F. C. Baur). Separate articles are also devoted to each of the Pauline letters, to hermeneutics and to preaching Paul today. The 'Dictionary of Paul and His Letters' takes its place alongside the 'Dictionary of Jesus and the Gospels' in presenting the fruit of evangelical New Testament scholarship at the end of the twentieth century - committed to the authority of Scripture, utilising the best of critical methods, and maintaining dialogue with contemporary scholarship and challenges facing the church.
