**Aramis Rodríguez**

*Son of Hamas: A Gripping Account of Terror, Betrayal, Political Unthinkable Choices* Mosab Hassan Yousef, Ron Brackin, 2023-12-01 The shocking true story of a Hamas insider who rejected his violent destiny—and is now risking everything to expose closely guarded secrets and show the world a way to peace. *Son of Hamas* is now available with an all-new chapter about events since the book's release such as the revelation of Mosab's Israeli intelligence handler's true identity, and Homeland Security's effort to deport the author. Since he was a small boy, Mosab Hassan Yousef has had an inside view of the deadly terrorist group Hamas. The oldest son of Sheikh Hassan Yousef, a founding member of Hamas and its most popular leader, young Mosab assisted his father for years in his political activities while being groomed to assume his legacy, politics, status . . . and power. But everything changed when Mosab turned away from terror and violence, and embraced instead the teachings of another famous Middle East leader. In *Son of Hamas*, Mosab reveals new information about the world's most dangerous terrorist organization and unveils the truth about his own role, his agonizing separation from family and homeland, the dangerous decision to make his newfound faith public, and his belief that the Christian mandate to "love your enemies" is the only way to peace in the Middle East.

**From Hamas to America** Mosab Hassan Yousef, James Becket, 2024-08-06 *From Hamas to America* is a gripping memoir that follows the son of Hamas founder, Mosab Hassan, as he breaks away from his culture's practice of terrorism to becoming a double-agent for Israel to finally fleeing to America and becoming a US citizen, and ultimately finding peace. "This is my opportunity to share my journey with others, to let go of both the traumas and the triumphs, to find freedom, to proclaim my truth." Mosab Hassan Yousef has worn many labels: Hamas terrorist, Green Prince, spy, traitor, hero, Hollywood player, Muslim, Christian, yogi, stateless, refugee, deportee, citizen. But all these labels have one thing in common: they serve someone else's agenda. Now, for the first time, the New York Times bestselling author of *Son of Hamas* tells the full truth of his story. In it we see him growing up as the son of one of the founders of Hamas, being imprisoned and tortured by the Israelis, growing to hate the Hamas tactics of rape and violence, working with the Israeli intelligence to expose suicide bombers and save lives, seeking asylum in the US, fighting with Homeland Security to avoid deportation, rejecting Islam and converting to Christianity and making international headlines for it, becoming a top speaker on Middle Eastern affairs and

the Israeli/Palestinian conflict, working with Hollywood to tell his story, and obtaining US citizenship and discovering the life-saving discipline of yoga. This is the inspiring story of someone who has been under threat of assassination or imprisonment for most of his life, but who somehow finds the path to freedom and peace. Few will walk in his shoes, but everyone can follow his example and make their own journey to find redemption and peace.

*Summary of Mosab Hassan Yousef's Son of Hamas* Everest Media, 2022-06-11T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 I was arrested and taken to an interrogation room, where I was beaten and tortured by soldiers who were taking pleasure in doing so. I was bound, blindfolded, and unarmed, and still they beat me. I felt sad before losing consciousness.

Unpopular Religion Erik Swenson, 2013-05-16 Christianity is unpopular Many have come to view Christianity as a religion of intolerance, where judgmental people gather to build walls. They have come to see it as an irrational worldview held by people who have rejected reason. And they have come to believe that Christianity is mostly irrelevant, offering nothing to a broken, dying world. In *Unpopular Religion*, Erik Swenson suggests that these negative views of Christianity are misconceptions. At the same time, he believes that the misconceptions have formed because the church has often misrepresented Jesus. Erik tries to reconcile Christianity to the culture by confessing wrongdoing while also clarifying wrong perceptions.

**The World Almanac of Islamism 2017** American Foreign Policy Council, 2017-12-18 Now in its third edition, *The World Almanac of Islamism* is the first comprehensive reference work to detail the current activities of radical Islamist movements worldwide. The contributions, written by subject expert, provide up-to-date assessments on the contemporary Islamist threat in all countries and regions where it exists. Each country study will include valuable metrics for gauging the

advance or decline of Islamism. In places where Islamists are not in power, these include year-on-year comparisons of the number of terrorist attacks that have taken place, the level of popular support being received by radical religious organizations and political parties, and applicable government responses to these trends, if any. In places where they are in power, metrics encompass relevant changes to domestic human rights practices and social conditions, foreign policy rhetoric and action, and the overall stability of the state.

**The World Almanac of Islamism 2021** Ilan Berman, 2021-11-15 Now in its fifth edition, The World Almanac of Islamism is the first comprehensive reference work to detail the current activities of radical Islamist movements worldwide. The contributions, written by subject expert, provide up-to-date assessments on the contemporary Islamist threat in all countries and regions where it exists.

The World Almanac of Islamism 2019 American Foreign Policy Council, 2019-04-30 Now in its fourth edition, The World Almanac of Islamism is the first comprehensive reference work to detail the current activities of radical Islamist movements worldwide. The contributions, written by subject expert, provide up-to-date assessments on the contemporary Islamist threat in all countries and regions where it exists. Each country study will include valuable metrics for gauging the advance or decline of Islamism. In places where Islamists are not in power, these include year-on-year comparisons of the number of terrorist attacks that have taken place, the level of popular support being received by radical religious organizations and political parties, and applicable government responses to these trends, if any. The World Almanac of Islamism: 2014 American Foreign Policy Council, 2014

*The World Almanac of Islamism* American Foreign Policy Council, 2011-10-27 From Western Europe to Asia, from the Middle East to the Horn of Africa, societies are finding themselves under growing assault from radical Islamist forces. In some countries, such as Spain and France, the challenge posed by radical Islam is still limited in scope and embryonic in nature. But in others, including Somalia and Pakistan, it poses a mortal danger to the future of the existing state. The World Almanac of Islamism is the first comprehensive reference work to detail the global reach of Islamism across six continents. Each country study, written by leading subject-matter experts, examines the full scope of the Islamist phenomenon, from the activities of radical Islamist groups to the role of Islamist actors and ideas in society to the response – or complicity – of the local government. An additional series of “movement” studies explores the global reach, ideology, and capabilities of the world’s most powerful transnational Islamist movements. Finally, Almanac includes regional summaries and a global overview designed to provide context and strategic insights into current and emerging trends relating to Islamism the world over. This collection makes a major contribution toward properly defining the Islamist threat and paving the way for the

implementation of more effective strategies to counter the rise of radical Islamism by the United States and its allies. It provides policymakers, the news media, scholars, and students with a more comprehensive understanding of the threat we now confront from Islamic extremism. Additionally, the full Almanac is available electronically in database form. It can be accessed online at [almanac.afpc.org](http://almanac.afpc.org).

**Killing the Bible: A warning to all religious people of the world 2 Peter:3:14-18** Aramis Rodríguez,2022-01-25

According to Aramis as he is titled Servant of Jesus Christ. this book was written with the purpose of having a true conversion and repentance in the People of God, so that God may bring Salvation and Eternal life in the Name of Jesus Christ to all who read it. Philippians 2:10-11 Aramis Rodriguez was born in Santiago de Cuba on August 4, 1968. Thirty-three years ago, he heard about God but only two years ago there was a repentance in his life, when he had a face to face encounter with the Lord Jesus Christ. Job 19:25-27. Aramis is living in Miami Florida, dedicated only to speaking about the Gospel of Jesus Christ and giving testimony of his Mercy and Love for his Creation. John 5:39-40

*Oh Jew, Oh Gentile, Why?* K. M. Bascom,2024-05-06 *Oh Jew, Oh Gentile, Why?* explores the situation that Jews and the church currently face by searching back to the roots of Jewish leadership's animosity against Christians and Gentile atrocities against Jews. This is a call to recognize and admit Christendom's sins against the Hebrew people for two thousand years. It proposes that Christendom got the big story wrong in the early centuries and challenges the long-held presupposition of having replaced Israel. The chapters raise progressive questions that explore how Christendom's deviations from Scripture escalated, and how these legacies affect Jewish/Gentile relationships today, such as: How did Christendom become Gentile-ized? What legacies from the past alienate Jews and the nations today? Why is the growing Messianic Jewish movement so significant? Why can God's people move into the future with hope? Such questions call for redirections vital to generating biblical reconciliation. At this tense time when Jews and Gentiles are reaping the lethal legacy of misguided doctrines and histories, the unity of God's people is a crucial need. Who will accept and be blessed by the oneness already accomplished by Yeshua, the reconciliation that God says extends on into eternity?

**Praying for the Peace of Jerusalem** Douglas W. Kittredge,2023-06-23 About the Book Having the privilege to work with and caring for Palestinian and Messianic Jewish pastors for twenty-five years, Douglas saw the anguish and suffering of both Palestinians and Jews, and longed for reconciliation between the two groups. These pastors have become dear friends and both sides have suffered greatly from the injuries caused by the other side. Douglas experienced some of the hopelessness of a resolution, particularly from their political leaders. God promises that He will bring peace for both groups so they can genuinely reconcile with the other. This book is written to give hope for both Palestinians and Jews. About the Author Douglas W. Kittredge is a pastor who has engaged in reconciliation between Messianic Jews and Palestinian believers for over twenty-five years. The vision is to support the ministry of local Messianic and Palestinian congregations both in

Israel and the West Bank. The roots of the conflicts in the region are not essentially political but are spiritual. The gospel of Jesus Christ alone can heal the fractures and conflicts in the Middle East. The author is a graduate of Wheaton College (BA); Westminster Theological Seminary (M.Div); and Gordon-Conwell Theological Seminary (D.Min).

**One Nation Under Allah** Robert Taft, 2016-02-05 One Nation Under Allah: Islam's Peaceful Conquest over America by Robert Taft Ever wonder what Muslims worldwide really think about America? This fast-paced docu-novel treats Islam like never before and tells us exactly what Muslims think. It traces the global creep of the religion and how, why and about when it will consume America. Based on facts, current and future demographics, and the experiences and conversations the author has had with Muslims globally, it chronicles the Islam creep from the time of Mohammed to 2030. Post 9-11, George Anderson visits the Prophet Mohammed at three stages in the Prophet's life during which Islam evolved from a peaceful to a violent religion. The imaginings pit Mohammed's ever-changing reasoning against Western ideology. From there the story documents the endless war between Muslims and Christians and Jews, prompting George to seek out an influential imam who explains why America will eventually convert to Islam. The book lays out the imam's vision in what George believes will really happen - the transition in the United States, global developments that further pressure this transition, the collapse of Europe, the election of the first declared U.S. Muslim president and the creation of many Muslim towns in America. Phase 2 presents an idyllic Muslim town and the stark reality behind it leading to the novel's shocking conclusion. Robert Taft has written an excellent book. The author's premise that "Europe is in a predicament, and so is America" could not be more timely. - Jonathan Matusitz

**A High Price** Daniel Byman, 2011-06-15 The product of painstaking research and countless interviews, A High Price offers a nuanced, definitive historical account of Israel's bold but often failed efforts to fight terrorist groups. Beginning with the violent border disputes that emerged after Israel's founding in 1948, Daniel Byman charts the rise of Yasir Arafat's Fatah and leftist groups such as the Popular Front for the Liberation of Palestine--organizations that ushered in the era of international terrorism epitomized by the 1972 hostage-taking at the Munich Olympics. Byman reveals how Israel fought these groups and others, such as Hamas, in the decades that follow, with particular attention to the grinding and painful struggle during the second intifada. Israel's debacles in Lebanon against groups like the Lebanese Hizballah are examined in-depth, as is the country's problematic response to Jewish terrorist groups that have struck at Arabs and Israelis seeking peace. In surveying Israel's response to terror, the author points to the coups of shadowy Israeli intelligence services, the much-emulated use of defensive measures such as sky marshals on airplanes, and the role of controversial techniques such as targeted killings and the security barrier that separates Israel from Palestinian areas. Equally instructive are the shortcomings that have undermined Israel's counterterrorism goals, including a disregard for long-term planning and a failure to recognize the long-term political repercussions of counterterrorism tactics.

*Desert Pawn* Joel Feiss, 2017-01-16 *Desert Pawn* is a contemporary, character-driven mystery that begins with the kidnapping of Mary Ann Berman, an American newlywed honeymooning with her husband, Dr. Daniel Berman, in Eilat, Israel. Shoshana Rich and Yonah Ferreres are the Shin Bet lead investigators who are charged to rescue Mary Ann and capture the perpetrators. In the backdrop of Israel's high stakes conflict with Palestinian fundamentalists, the investigators have many problems to solve. Who are the kidnappers? Is Mary Ann still alive, and if she is, where is she being held? What ransom are the kidnappers going to demand? Would Mary Ann's family or the United States break protocol and pay a ransom? The investigators are led through a series of twists and turns that involve the political and historical relationships between Israel, the United States, and the Hamas-led Palestinians. A turning point in the investigation occurs when Mary Ann's stepfather, Leo Fields, a Baptist minister and ardent supporter of Israel, arrives to assist in the investigation. He is personally drawn into a world he thought he had left behind. Following his arrival, the characters are swept into a world of intrigue, global politics, and revealed past truths.

Israel Noa Tishby, 2022-09-20 A personal, spirited, and concise chronological timeline spanning from Biblical times to today that explores one of the most fascinating countries in the world-Israel--

Bombers, Hijackers, Body Scanners, and Jihadists Billie H. Vincent, 2012-11 In the timeline relevant to Billie H. Vincent's watch, terrorist attacks against world aviation are on the rise. Vincent weaves his plot with the motives of these radicals, their causes, and the religious biases for extremist Islamic Jihadist attacks on a global scale to his protagonist's story. Billie has his hands full dealing with these threats and helping out other nations in their aviation security efforts. The threats and attacks, in actual terms, have left a permanent impact on Western society and aviation in particular. Vincent knows all the ins and outs of the business. His book is replete with all the hardcore technology that are an aficionado's dream, the LED monitors light up the twilight world of the first line of defense for all airline passengers against all who might threaten the security of airports and airlines. Billie and an international company of aviation security experts come up against the attempted bombing of an international Pan-American Airlines flight to Rio de Janeiro. Over the previous two weeks they had been investigating a bomb that exploded on a flight out of Tokyo's Narita airport that killed a Japanese youth going to a vacation in Hawaii. Vincent faces a new generation of terrorists of the era - bombs sneaked in a variety of ingenious ways into the planes and terminals abound in this dangerous world. Will he and his elite profession of dedicated men and women be able to stand up against all aviation security threats? The answer is, they will have to because the lives of innocents are at stake. Billie shows readers exactly how in this gripping *Bombers, Hijackers, Body Scanners, And Jihadists*.

**Secrets on Display** Mark Stout, Sarah-Jane Corke, 2025-06-24 *Secrets on Display* takes readers on a tour of the thrilling, real-life history of intelligence and espionage from around the world. With tales of spies, codebreakers, moles, terrorist-hunters, spy chiefs, propagandists, and secret agents, these new histories uncover a world that many of us only see in the

movies. Bringing together stories and artifacts from the International Spy Museum in Washington, DC, this book makes the world's largest museum devoted to intelligence history accessible to everyone. *Secrets on Display* brings this hidden history to life with over 200 photographs, including over 100 color images of artifacts—among them, James Bond's Aston Martin DB5, the axe used to assassinate Leon Trotsky, a portion of the secret MI6 and CIA tunnel beneath East Berlin, and a precursor to the Predator drone, as well as concealment devices, secret cameras, disguise kits, cipher machines, and a host of other rare objects seldom seen by the public. These stories, told by historians, intelligence officers, and museum professionals, will fascinate scholars, intrigue practitioners, and entice those interested in a world of secrecy that most of us can scarcely imagine.
