Not Here to Stay Friends Kaitlyn Hill, 2023-04-04 Two childhood best friends reunite in L.A. the summer before senior year—but when one of them ends up starring on a teen reality dating show, their feelings for each other get complicated. Perfect for fans of friends-to-lovers rom-coms and *The Bachelor*! Sloane McKinney feels like a background character in her own life. But this summer will be different, because she's spending it with her childhood best friend, Liam Daniels, in her dream city, Los Angeles. Sure, she's surprised to find that Liam just happens to have had a Hot Guy glow-up since she last saw him, but so what? A little attraction won't ruin her plans for their fun—and completely platonic—reunion. What might, however, is that Liam has been roped into working for his producer dad's new teen reality dating show, Aspen Woods's *Future Leading Lady*. It turns out the show is one contestant short . . . and Sloane is the perfect last-minute addition. But it's behind the scenes where the drama really picks up. Because wanting to kiss your best friend? That's a plot twist neither Sloane nor Liam ever saw coming.

Not Here to Make Friends Jodi McAlister, 2024-06-04 In this “full-on villain romance” (*The New York Times*) a group of women on a reality dating show should be vying for the love of their Romeo, but it turns out one of them only has eyes for the showrunner. Murray O'Connell is standing on the greatest precipice of his career. As showrunner of the reality dating show *Marry Me, Juliet*, Murray is determined to make this season a success. Nothing and nobody will stand in his way. Except perhaps Lily Fireball, the network's choice for this season's villain. Lily has classic reality TV appeal: She's feisty, dramatic, and never backs down from a fight. She also happens to be Murray's estranged best friend and former co-showrunner. What was once a perfectly planned season turns to chaos as the two battle for control. Working in reality television, they're used to drama, secrets, and romance. But what happens when suddenly they're at the center of the storyline?

A Quiet Dissonance Poornima Manco, WINNER OF THE BRONZE MEDAL IN THE WISHING SHELF BOOK AWARDS Home. Is it a place or a feeling? When Anu and her family move to a small village in the English countryside, she is desperate to put down roots in her new community. To her dismay, not everyone is welcoming. Is it her? Must she change to fit in? In her quest for answers, she sets out to peel back the layers of her life, examining all that has made her who she is. Truth, she finds, is often uncomfortable and unpalatable. And rarely provides answers. At a crossroads, Anu needs to determine which is the right path for her — acceptance from within or without? Netgalley reviews: \*This novel is an important one for our times

especially. As a woman, it's hard to choose "what's good and right for me-my family, my work" and to find "a deeper happiness... that cannot be corrupted from the outside". There's so much pressure to be all put together, to have kids who are well rounded, and the list goes on. Manco demonstrates throughout her novel what is important to Anu and causes the reader to reflect on their own priorities and if they are in the right order.\* \*This is a beautifully written novel and I imagine it will resonate with a lot of readers for several different reasons. For me it resonated as I often struggled to find friendships and the ones that I cherish the most are ones that were found in later life. The author totally encapsulated how it must feel to be a migrant in a new country and the concerns and hurdles that they have to overcome just to fit in and be a part of society in ways that - I am ashamed to say - I may not have thought about before. It was very reminiscent to me of Brick Lane and Big Little Lies both are books that I adored.\*

The same Mickenlee who mysteriously backed out of the limelight at the height of their careers, never to be heard from again. Now Decklee's televised funeral marks the unveiling of her long-awaited time capsule. But when it's revealed to be empty, a trail of scavenger-hunt clues unfolds, leading to a whopping cash prize for whoever finds the real capsule. **Blackveil** Kristen Britain, 2011-06-16 Karigan G'ladheon was a regular girl until she stumbled across a dying man. There were two arrows embedded in his back, and wherever his horse was taking him, he was going to die before they got there. He gave Karigan his horse, his cloak and his brooch - the symbol that he was one of the King's Green Riders - and, with them, his mission. To deliver a message to the King. He made her swear to do it ... even though the Shadow Man who killed him would be hot on her trail. That mission made her a Green Rider. Now, her first legendary mission is long complete. Karigan has learnt to wield the magic her Green Rider brooch allows her to access, and she's used it to defy some of the most terrifying dark magicians of the age. But while Mornhavon the Black has gone, he's not defeated. His restless spirit haunts Blackveil, the lethal, corrupt forest that stands beyond a failing magical wall at the edge of King Zachary's territory. Karigan's destiny is leading her there, and when her King asks her to join a mission to Blackveil to save the remnants of a dying race, it seems she has little choice but to follow it ...

Learned Reactions Jayce Ellis, 2021-03-09 "The friends-to-lovers trope feels fresh in Ellis's hands, in part because it's underpinned by a lovingly drawn depiction of Black family dynamics." —Publishers Weekly Carlton Monroe is finally getting his groove back. After a year playing dad to his nephew and sending him safely off to college, it's back to his bachelor ways. But when his teenaged niece shows up on his doorstep looking for a permanent home, his plan comes to a screeching halt. Family is everything, and in the eyes of social services, a couple makes a better adoptive family than an overworked bachelor father. A fake relationship with his closest friend is the best way to keep his family together. If things between him and Deion

are complicated, well, it only needs to last until the end of the semester. Living with Carlton is a heartbreak waiting to happen, and once the adoption goes through, Deion's out. He's waited two decades for Carlton to realize they're meant for each other, and he's done. It's time to make a clean break. But it's hard to think of moving away when keeping up the act includes some very real perks like kissing, cuddling and sharing a bed. Even the best charades must come to an end, though. As the holidays and Deion's departure date loom, the two men must decide whether playing house is enough for them—or if there's any chance they could be a family for real. Pray for the Girl Joseph Souza, 2019-04-30 Joseph Souza, acclaimed author of The Neighbor, brings readers into the dark heart of a small town in this riveting, relentlessly twisting new novel . . . Lucy Abbott never pictured herself coming back to Fawn Grove, Maine. Yet after serving time in Afghanistan, then years spent as a sous chef in New York, she's realized her

only hope of moving on from the past involves facing it again. But Fawn Grove, like Lucy herself, has changed. Lucy's sister, Wendy, is eager to help her adapt, almost stifling her with concern. At the local diner, Lucy is an exotic curiosity—much like the refugees who've arrived in recent years. When a fifteen-year-old Muslim girl is found murdered along the banks of the river, difficult memories of Lucy's time overseas come flooding back and she feels an automatic connection. At first glance, the tragedy looks like an honor killing. But the more Lucy learns about her old hometown, the less certain that seems. There is menace and hostility here, clothed in neighborly smiles and a veneer of comfort. And when another teen is found dead in a cornfield, his throat slit, Lucy—who knows something about hiding secrets—must confront a truth more brutal than she could have imagined, in the last place she expected it . . . “Delivers one devilish twist after another, pulling you into the story and never letting go. A tightly paced suspense drawn with compellingly real characters, Souza's newest domestic thriller is a genre-defining tour-de-force.” —Steve Konkoly
