

# Reflections On The Psalms

**J. N. D.,John Nelson Darby**

**Reflections on the Psalms** Clive Staples Lewis,1958 The Psalms were written as songs and should be read more in the spirit of lyric poetry than as doctrinal treatises or sermons. C.S. Lewis then shares, with his characteristic grace and lucidity, reflections on both the form and the meaning of select passages.

**Reflections on the Psalms** Croft Steven,2015-05-07 Following in the footsteps of the bestselling Reflections for Daily Prayer, this special undated companion provides insightful commentary on the Psalms as they are arranged in the Common Worship Psalter. Some of the most outstanding writers from across the Anglican church offer insightful, informed and inspiring reflections on all 150 psalms.

**Reflections on the Psalms** C. S. Lewis,Asino Calcio,2014-06-21 'Reflections on the Psalms' was first published in 1958. In this book C S Lewis interprets the psalms on various subjects, such as Judgement, Blessings, Cursing and Praise of the God. He compares the intention of their writers with paganism and modern Christian beliefs with references from both Old Testament and New Testament.This book is not only inspirational but also introduces the readers to the ancient world of the Jews when the Old Testament was written.

**Seeking the Face of God** Martyn Lloyd-Jones,2005-03-03 One thing have I desired of the LORD, that will I seek after; that I may dwell in the house of the LORD all the days of my life, to behold the beauty of the LORD, and to enquire in his temple. -Psalm 27:4, KJV The Psalms are treasures from those who earnestly sought the face of God. They are honest messages of sorrow, joy, praise, and wisdom from real people who experienced real struggles. In the psalmists' words we see their hearts open before God. In Seeking the Face of God, Martyn Lloyd-Jones unpacks nine passages from the Psalms and weaves them together with the everyday life of the world in which we live. His reflections are practical, powerful, and profound. For those just beginning to study the Psalms as well as those who know them well and wish to consider them from a new angle, this collection of sermons from one of the greatest preachers of the twentieth century will move your mind to greater understanding and your heart to deeper worship.

**Summary of C. S. Lewis's Reflections on the Psalms** Everest Media,2022-09-12T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The Psalms were written by many poets and at many different dates. Some are allowed to go back to the reign of David, while others are later than the Babylonian Captivity.

Nothing more needs to be said about chronology in a scholarly work, but it is important in a book like this. #2 The Psalms are poems, and must be read as such. They are not doctrinal treatises, nor even sermons. Those who talk of reading the Bible as literature often mean reading it without regard for its main point. #3 The Psalms are not doctrinal treatises, nor sermons. They are poems, and should be read as such. They are not practical guides. #4 This book is not an apologetic work. I am not trying to convince unbelievers that Christianity is true. I am writing for those who already believe, or those who are ready to suspend their disbelief while reading.

*Notes and reflections on the Psalms* Arthur Pridham (author of *Notes and reflections on the Psalms.*),1852

**Notes and reflections on the Psalms** Arthur PRIDHAM (Author of “Notes and Reflections on the Psalms.”.),1869

**A God Who Comes Near** Rhoda A. Carpenter,2019-08-06 This book is written to reawaken awareness of both the beauty of the psalms and their ability to speak with relevance to our contemporary culture--a generation in danger of losing the psalmist's voice. It is written for those who may have felt marginalized by church or society, whether from loss, tragedy, illness, or misuse of power. May this generation hear the voice of the psalmist pointing them to a God who desires honest expression, who comes close to listen to their cries, and points them to a deeper understanding of who he is and how he loves. May the words of the psalmist lead them out of isolation and into authentic community. The author's approach to the psalms begins with recognition of the intertwining of imagery with the literary structure of the poetry found in the psalms. The imagery in the psalms comes from an earthy connection of the psalmist with the land of scripture. Understanding the imagery allows the reader to “see” the psalms and receive the message. It deepens the relevance of the psalms to speak into the myriad contexts in our present day multi-cultural world. Recognition of the religious and social dynamics of ancient Israelite life--such as kingship, Zion as a place of God's presence, and the covenant relationship of a people with their God--provide further clues to understanding the message of the psalms. Along with the rich imagery present in the psalms, this book explores the literary structure of the poetry in the psalms. Recognition of key characteristics of Hebrew poetry allows the words to “sing.” In every psalm a vivid echo of ancient voices resounds, building century upon century of expression, reaching into the present. If one reads carefully, the melodies and message can be heard. The music of the psalms breathe with life and relevance. Psalms are filled with movement to hope and praise. Yet, they address the reality that life at times hurts. The psalmist gives honest voice to pain and affirms God's presence in the darkest moments of life. This book explores the importance of lament both individually and in community as a vehicle to healing and a deeper understanding of God's care. The book closes with an examination of five select psalms that are representative of different types of psalms found in the psalter. They were chosen because of personal relevance. Through imagery, structure, and voice the psalms convey movement from honest expression to hope. Hope leads to thanksgiving. Praise resounds because of who God is and how he cares.

**Practical Reflections on the Psalms. To which is added, a Prayer adapted to each Psalm** Sarah Sheriffe, 1821

Reflections on the Psalms Bramwell Jp Tout, 2017-09-20 *Reflections on the Psalms* is one man's response to each of the 150 Psalms contained in the Old Testament. Applying each of the psalms to current and everyday situations, this collection of poems has been written to be read either on its own, or even better with the Psalm on which each poem is based. Using experiences from working with the homeless, with addictions and with mental health issues, as well as drawing from everyday life situations, the poems also respond to questions and issues often raised in the media. They describe responses to situations, cries for help and shouts for joy. The collection can be a good basis for personal use and also group situations. As the title suggests, most is gained by reflecting on the poem and or the psalm. Who is the book written for? Anyone who has a question about life today, anyone who has faith, or anyone who loves the written word.

*My Soul Thirsts for God*, 2009 Millions around the world read Our Daily Bread every day. Now we have drawn from years of these devotional writings to compile this selection of 92 daily meditations focused on the most beloved book of the Bible. From the opening verse of Psalm 1, "Blessed is the man. . ." to the closing exclamation of Psalm 150, "Let everything that has breath praise the Lord!" readers will find comfort, encouragement, and hope for every circumstance of life as they enjoy the rich teaching and writings of 21 favorite ODB writers like David Roper, Joanie Yoder, Henry Bosch, David McCasland, Julie Ackerman Link, Dave Branon, and Richard and Mart DeHaan.

**Reflections on the Psalms** David Krishef, 2023 Discover how the Psalms can inspire you to engage significant contemporary issues. *Reflections on the Psalms* is not a commentary on the meaning and message of the Psalms; rather, this book considers the Psalms as a collection of phrases and images that invite us into brief meditations using Jewish wisdom for spiritual development. -- [www.luminescence-llc.net](http://www.luminescence-llc.net)

**Practical Reflections on Every Verse of the Psalter of Psalms of David-**, 1891

**The Power of Praise** J A Russell, 2014-11-13 The Psalms enter God's heart, reaching from the height and depth of our being. What makes the Psalms so especially relevant to our prayer life is that they were part of the prayer life of Jesus,

hallowed words prayed to His Father in Heaven. The beautiful surroundings of the Santa Barbara Mission in California lend themselves to contemplating the splendour of creation and the marvel of God as Creator. In this book the chosen Psalms reflect the joy that is found in delighting in God, the comfort found in resting in Him. However we pray the Psalms, saying or chanting them, we can come ever deeper into the healing Presence of God, knowing His love for us as His beloved children in Christ Jesus.

Eventually, you will unquestionably discover a other experience and achievement by spending more cash. still when? attain you recognize that you require to acquire those every needs when having significantly cash?
