The Ritual Shantel Tessier,2023-05 THE CHOSEN ONEBarrington University is home of the Lords, a secret society that requires their blood in payment. They are above all-the most powerful men in the world. They devote their lives to violence in exchange for power. And during their senior year, they are offered a chosen one.I VOW. YOU VOW. WE VOW.People think growing up with money is freeing, but I promise you, it's not. My entire life has been planned out for me. I never got the chance to do what I wanted until Ryat Alexander Archer came along and gave me an option for a better life. He offered me what no one else ever had-freedom.I chose to be his. He made me believe that anyway, but it was just another lie. A way that the Lords manipulate you into doing what they want.After being sucked into the dark, twisted world of the Lords, I embraced my new role and allowed Ryat to parade me around like the trophy I was to him. But like all things, what started out as a game soon became a fight for survival. And the only way out was death.

The Sinner Shantel Tessier,2025-09-05 The Bookish Box Exclusive Luxe Edition of The Sinner by Shantel Tessier LITTLE DEMON I was raised in a world where money and power are at your fingertips. My father is a LORD, a very respected member of a secret society that knows no bounds. When tragedy struck my family, we discovered we weren't untouchable. Just when I thought life couldn't get any worse, I was shown what hell is really like. Then he came and saved me. The devil disguised as my personal hero. But of course, nothing is for free. Not when a soul is up for grabs. I VOW. YOU VOW. WE VOW. Easton Bradley Sinnett-Sin-uses his power for his own sick pleasure. Like a typical Lord, he never thought about the consequences of his actions. I grew up with him, obsessed over him, craved him. He was who I pictured when I imagined doing things my body shouldn't want. One day, I realized he was not who I thought he was. It didn't change anything, though, because I was already too far gone. If anything, I fell for him harder. Every now and then, someone enters your life who flips it upside down. Sin wrecked me in the worst way, and I thanked him for it by serving on my knees. As they say, nothing lasts forever. Men like him never stay with a woman like me. I'm what they use, not keep. So when he threw me away, I shouldn't have been all that surprised. My body had always craved the darker side of love. The kind that left bruises and scars. I was what most would call unholy. And when the devil whispered in my ear that he loved me, I was more than determined to show him just how devoted I could be.

The Sacrifice Shantel Tessier,2025-09-05 The Bookish Box Exclusive Luxe Edition of The Sacrifice by Shantel Tessier HIS LADY A Lord is to marry after he graduates from Barrington University, an elite college for the rich. A Lady's job is to help him fit into a world unaware of his secret society. The Lord does not get to choose who he spends the rest of his life with. But there is always an exception to the rule. And I just so happen to be his. I VOW. YOU VOW. WE VOW. I was to wed a Lord of my parents' choosing. Wealth can't buy you everything, or I would have had freedom years ago. Instead, my strict parents made sure I lived a dull life in a mansion resembling a prison. But on my wedding day, I was handed over to another man-an even more ruthless Lord that my family hated. Tyson Riley Crawford only wanted me for his revenge. I'm nothing more than a debt to be paid. I didn't have a say in the matter. So when I said my vows before the congregation, I knew I'd break them. Consequences be damned. Too bad I underestimated my husband and didn't realize he was more determined to punish me than I was to succeed at escaping. He'll make me choke on those words I used to bind myself to him. Yet even he couldn't have seen what our future held. Ultimately, we're all just pawns in a game that none of us can win unless you're willing to pay the ultimate sacrifice and even that may not be enough.

Carnage Shantel Tessier,2023 A PUPPET. The men in the secret society known as the Lords think they rule the world. And in a way, they do. Each has sold their soul to the devil at a young age in exchange for power and wealth. Like anything else, they have different levels of success. The more they're willing to serve, the more power they have. Among them are the Spade brothers, who run Carnage. It's where the Lords who have not held up their oath go to live out the rest of their lives in shackles. Tucked away from the world as if they never existed. I VOW. YOU VOW. WE VOW. I once belonged to a Lord—Saint Beckham Carter. Although nothing was holy about him, I still kneeled as if he could grant me eternity in a world where only evil existed. At the time, I willingly vowed to be his and allowed him to share me with his “brothers.” But things changed. And what I thought couldn't get any better got exceptionally worse. So I did the only thing I could and ran from him, knowing I could never return. Now he's found me and dragged me back to his hell, where he will make me his pet. The world already thinks I'm dead, so no one will miss me. And I'm just another name on a long list of those who will never know freedom. What he doesn't know is why I ran from him in the first place. A Lord doesn't listen to reason, so it's not like he'd care anyway. Saint was born a Lord, and he will die as one. If life has taught me anything, it's that we all pay for our sins. And Saint will never let me forget that my place is at Carnage, serving him on my knees until death is granted -- Amazon.com.

Lords of Pain (Discrete Paperback) Angel Lawson, Samantha Rue, 2023-08-11 I never claimed to be a good girl, but I definitely never asked for this. Killian, Tristian, and Rath. These three men are a part of my past—one that I'd rather never look in the eye again. In high school, they knew my secrets and I knew theirs. They had power and I had nothing. The night everything fell apart, my stepbrother allowed his two best friends to take their rage out on me while he watched. While they laughed. But what happened that night wasn't my biggest secret. So I ran, planning on never coming back. Three years later I'm standing on their doorstep like a stray. They're more powerful than ever now, having risen to the rank of Lords at Forsyth University. But I'm still on the run and there's another monster chasing me down. What could bring me back into their lives, their homes, and ultimately, their beds? Fear. Shame. Desperation. Killian, Rath, and Tristian aren't the only ones who want me. There's someone far more dangerous out there who's been stalking me since I left town the first time. Someone who makes the evil I know feel less dangerous than the evil I don't. But being their Lady is more than just fancy clothes and reputation. I might be under their protection, but I'm also at their mercy. And there's nothing a Lord loves more than taking control.

The Villain's Beast Kate Hawthorne, 2025-04-04 Once upon a time, Gideon North was a teenager with an ill-fated crush on Fletcher Sinclair. Nothing good could ever come from having feelings for the son of his father's sworn rival, but Gideon never expected Fletcher to kiss him on the lips and then stab him in the back. Six years later, Fletcher has grown from a boy into a man, living in a fairytale world where he's never been told no. The privileges granted by his name have come at a steep price-unwavering allegiance to his father, and no one else. There was no room for Gideon in his life before, and now there's even less. Caught in a world of money, power, and loyalty, Gideon and Fletcher find themselves forced to lead dueling societies cursed by rules designed to control everyone involved-including, and especially, themselves. But in some stories, curses are meant to be broken. Tired of being pawns in someone else's game, Gideon and Fletcher team up-then tumble into bed-with Daren and Luca, the men meant to keep them in line. As former enemies turned lovers, they're ready to take control of their own destinies and take down anyone who tries to stop them-even the golden-haired beauty sent to spy on them, even their own fathers. Gideon North wasn't always known as The Beast, and Fletcher Sinclair hadn't always been the villain. But one thing is certain-the rivalry between them is not only forever; it's also until death. The Villain's Beast is a loose fairy tale retelling with dark academia vibes, mob ties, and an extremely kinky and complicated polycule.
