Are We Having Fun Yet? Kay Willis,Maryann Bucknum Brinley,2009-10-31 Based on 20 years of successful workshops, the founder of Mothers Matter shares a wealth of advice and practical tips for both new and experienced parents on how to raise happy children -- and have fun doing it. Twenty years ago, Kay Willis, a New Jersey mother of 10 children, realized that mothers needed a forum to learn from each other and increase their skills, confidence, and enjoyment as parents. As the founder of Mothers Matter, an educational organization which helps thousands of parents across the country, Willis offers workshops for new and single parents, working mothers and fathers, and even grandparents. Believing that parenting is a profession, and that no other profession makes as important a contribution to society, Willis has distilled the shared wisdom of her fellow parents into this concise and wonderful guide.

Power U S.M. Croucher,2014-10-08 Power U: Seven Keys to Finding Purpose and Achieving Success uses anecdotes from ordinary peoples daily lives and their most memorable moments to introduce seven insights that can help people discover Gods plans and make decisions to help those plans succeed. S.M. Croucher groups the vignettes and reflections into categories called keys: purpose; planning, persistence, and progress; positive perception; people and peace; perseverance; power and possibility; and prosperity. Many of the individual entries grouped under each of the keys offer inspirational quotes and scriptures that highlight the themes of the stories and their reflections. Because the entries present insights that can create openings for discovering ways to change ones life, the Introductions sound advice recommends taking time to read slowly and to let the entries do their work in guiding self-reflection. Perhaps you have taken stock of your life and said, There must be more than this! What really is my purpose? If that is so, then Power U: Seven Keys to Finding Purpose and Achieving Success offers the opportunity and the means for you to take stock of your life, to explore the possible directions your lifes journey might take, and to say, This is my purpose! This is how I can succeed.

The Realms of Dreams Maria Pontes,2021-01-22 When duties come along with family sacrifices, never lose heart when

in a plight, the rainbow could just be in sight. Never lose the focus on goals along the way of life's hurdles. No one except you can be the strength to your thoughts and actions. Introspection is easily said than done, yet it is a task that needs a constant revisit. Most of the time, our own skills, talents and personalities are underestimated, thus being relegated to the back burner. By the way, are you one of them? This is exactly what undermines our success. The book ahead will prod you on to delve into your dreams with greater faith and beliefs. As the author with these experiences says, "Take out those dreams and put them in front of you as a constant reminder, practice and preach your dreams at every opportunity to strengthen and rekindle your faith in dreams." Hurdles fall into the path of only the strong ones who are chosen as they have the capabilities to surpass and overcome them. You are also the chosen one only because YOU ARE WORTH IT!

He combines specific personal and business lessons, experiences, affirmations, and actions that have made him the person he is today, including: Keeping a journal; writing down thoughts and keeping perspective. Apollo's Creed Traci Shoblom, 2023-01-24 If you had the chance to talk to someone who went to the moon, what would you say? What questions would you ask? Imagine the stories, thoughts, and reflections he would share. "What was it like to be in zero gravity?" "Did you see any UFOs?" "Were you scared?" Imagine what it would be like to spend time with one of the twenty-four human beings in the history of our planet to go to the moon. Now imagine that the astronaut was your dad. Traci Shoblom is the youngest daughter of Apollo 12 astronaut Richard F. Gordon. She is an author, speaker, and a university lecturer. Although she's published numerous nonfiction books, articles, academic chapters, scripts, and more, Apollo's Creed is Traci's "labor of love." In it, she shares the stories, anecdotes, and wisdom that her dad told her at home—when the cameras were off. When you've sat upon a rocket and had it set on fire, been shot into outer space and then have been all alone in a space capsule, you get a different perspective on life, and that unique viewpoint lives on as Richard's legacy. These are Traci's stories—the funny ones, the profound ones, and the rare chance for a daughter to ask her dad, "So, what was it like to go to the moon?"

*How to be a Complete and Utter F**k Up* Steve McDermott, 2020-12-09 How to be a Complete and Utter F**k Up is your ultimate ANTI life coach. Be warned: whatever you do, don't do the opposite of what you learn here or else you're in serious danger of making some positive changes and leading a more successful life. How to be a Complete and Utter F**k Up turns the concept of self-improvement on its head. It brings together 47 and a half leading ideas in personal and business development, and offers a total antidote to the motivational, gung-ho, over-enthused tone of all the usual self-improvement guides. Delivered in fast, easily digestible chunks, in a style that makes you laugh while you learn, this book offers tongue-in-cheek advice about what not to do to ensure certain failure in every aspect of your life. From not having any goals, to not getting advice from people you've never met or who are dead, to not taking personal responsibility for your life and results, every idea, strategy, suggestion and story is guaranteed to propel you into the slow lane of total inadequacy and has been tested with thousands of real people. How to be a Complete and Utter F**k Up comes with a warning - that you don't think about taking the direct opposite steps to those outlined in the guide, as this could seriously damage your chances of becoming a failure. Behind the humour, though, is good advice and a serious message. And whether you choose to heed the warning or not, it's an extremely entertaining read.
