But the more he gets to know her, the more he takes it as a challenge to show her how much more fulfilling life can be. Love and Joy is a stand-alone romance in Linda Seed's Otter Bluff series.

Little Pink Raincoat Gigi Anders,2009-10-06 A little Coco Chanel, a lot Carrie Bradshaw, with a dash of Maureen Dowd—a hip, hilarious collection of mini-profiles in shopping and romantic courage. From one very fabulous and elusive little pink raincoat (to woo the commitment phobe) to a pair of very persuasive peach panties (gift from a dazzling doc), author Gigi Anders relates her experiences as they deal with her dual obsessions of clothing and men. Here are ten vignettes chronicling ten choice sartorial items and the corresponding boyfriends that would undoubtedly love her stylishly ever after...even if they didn't. Featuring items and boyfriends from Anders's real life, real (extremely jammed) closet, and real bed, Little Pink Raincoat is a very tasty, very funny, universal, uplifting, pop cultural meditation on the things we crave and the lengths we'll go to get them.

Love and Cherish Terry Rajan, 2007 Why is he doing this? I don't understand. He was so wonderful before. Taking me to dinner, the opera at the beautifully remodeled Paramount, the trip to Vegas. His hands always so gentle and knowing afterwards. I would have done anything for him. What happened? He's treating me so hatefully now! On top of everything else, I thought at least he, a doctor, would understand what I'm going through. Well, I've made my plans. They'll all get what's coming to them! Soon. Love & Cherish: Till Death Do Us Part is about relationships, losing trust, jealousy, murder, who did it and a surprise in the end. What is important in a marriage? Trust is the most important element in a relationship. When the trust is gone, the relationship is gone. Arnold's innocence and casual relationship with a beautiful girl started the chain event of jealousy and murder. Arnold's conversation with the young girl is fascinating and moving. The Power of Mother Love Brenda Hunter, 2011-05-04 The Power of Mother Love highlights the incredible--although sometimes unrealized--influence that a mother has on her children and her society. Decades of scientific and psychological study provide overwhelming evidence for the idea that mother love has an enormous, permanent impact in shaping the character and life of a child. In her compelling new work, psychologist Brenda Hunter presents a convincing argument that indicates this love is even more powerful, even more far-reaching than our culture has yet realized, not only for the child, but for the mother and society as a whole. Affirming the immeasurable value of the mothering role while realistically addressing women's greatest questions and concerns, Hunter clearly reveals how mother love positively affects the way a woman defines herself. All mothers, and all those who care about the lives of women, children, and the future of our society will be dramatically impacted by this not-to-be-missed book, skillfully written to empower women to mother from the heart.
