**The Book of Shadows** Brittany Nightshade, 2016-04-26 EDIT: Updates for 2017! Added more spells, illustrations and a glossary. I compiled this Book of Shadows from a collection of spells I have been using since I started down my path. This book contains over 100 spells, a list of runes, how they can be used in spell casting and even crafting your own spells. I've collected these spells from several different sources, mostly from witches I have met in my travels and covens I have been a part of. I've tweaked a few of these spells to fit my needs from time to time and you can do the same as the words aren't what give the spells power, your energy is what really matters, so feel free to do the same and change what you want to suit your own needs. The craft of Magic is a constant fluctuating living thing and our ancestors have borrowed, changed, and made from scratch what we practice today. I hope this book helps you grow as a person and a spellcrafter. -Brittany Nightshade-

**Traditional Magic Spells for Protection and Healing** Claude Lecouteux, 2017-11-07 An in-depth collection of ancient spells and magic practices drawn from rare and newly discovered texts • Presents more than 600 magical prescriptions for healing and protection from both pagan and Christian sources • Examines the practice of diagnosing illness through magic and explores ancient beliefs about curses and other evil spells and about devils, demons, and ghosts • Includes spells from the heavily guarded gypsy tradition of magic and healing, drawn from newly discovered materials Since the beginning of history, people have sought remedies for the many ills that have beset them, from illnesses afflicting the body to threats posed by evil and hostile individuals. In many folk healing and pagan traditions, it was believed that one must gain the assistance of the guardian spirit of a healing plant or substance through prayers or offerings before its chemical properties

would be effective. The Church decried these spells and practices as pagan superstition but did not seek to exterminate these beliefs, instead transferring the responsibility for their healing powers to the apostles and saints. Drawing on his extensive knowledge of ancient texts, Claude Lecouteux presents more than 600 magical prescriptions from both pagan and Christian sources from the last 2,000 years, covering everything from abscesses and shingles to curses and healing animals. He examines the practice of diagnosing illness through magic and looks at the origins of disease according to the evolving beliefs of magic practitioners over the centuries. He explores ancient beliefs about curses and about devils, demons, and ghosts and provides an in-depth look at protection magic, including protection of health, animals, and cultivated land, protection against curses, witchcraft, bad weather, and beasts, protection of a home, and protection while traveling. He includes spells from the heavily guarded gypsy tradition of magic and healing, drawn from newly discovered materials collected by two Romanian ethnologists who lived and traveled with gypsies in Transylvania in the mid-19th century. The author also reproduces rare texts on magic healing from the 14th and 15th centuries. Revealing the vitality of these practices in the remoter areas of Eastern Europe, Lecouteux shows how the influence of this pagan worldview is still detectable in the work of modern folk healers in France and Scandinavia. He also shows how the condemnation of unorthodox methods of healing has not vanished from the contemporary world: the medieval legislation against healing by wizards and bonesetters is echoed in modern health codes that challenge the authority of naturopaths and faith healers.

*Dictionary of Ancient Magic Words and Spells* Claude Lecouteux, 2015-10-15 A comprehensive handbook of more than 1,000 magical words, phrases, symbols, and secret alphabets • Explains the origins, derivatives, and practical usage of each word, phrase, and spell as well as how they can be combined for custom spells • Based on the magical traditions of Europe, Greece, and Egypt and recently discovered one-of-a-kind grimoires from Scandinavia, France, and Germany • Includes an in-depth exploration of secret magical alphabets, including those based on Hebrew letters, Kabbalistic symbols, astrological

signs, and runes From Abracadabra to the now famous spells of the Harry Potter series, magic words are no longer confined to the practices of pagans, alchemists, witches, and occultists. They have become part of the popular imagination of the Western world. Passed down from ancient Babylon, Egypt, and Greece, these words and the rituals surrounding them have survived through the millennia because they work. And as scholar Claude Lecouteux reveals, often the more impenetrable they seem, the more effective they are. Analyzing more than 7,000 spells from the magical traditions of Europe as well as the magical papyri of the Greeks and recently discovered one-of-a-kind grimoires from Scandinavia, France, and Germany, Lecouteux has compiled a comprehensive dictionary of ancient magic words, phrases, and spells along with an in-depth exploration--the first in English--of secret magical alphabets, including those based on Hebrew letters, Kabbalistic symbols, astrological signs, and runes. Drawing upon thousands of medieval accounts and famous manuscripts such as the Heptameron of Peter Abano, the author examines the origins of each word or spell, offering detailed instructions on their successful use, whether for protection, love, wealth, or healing. He charts their evolution and derivations through the centuries, showing, for example, how spells that were once intended to put out fires evolved to protect people from witchcraft. He reveals the inherent versatility of magic words and how each sorcerer or witch had a set of stock phrases they would combine to build a custom spell for the magical need at hand. Presenting a wealth of material on magical words, signs, and charms, both common and obscure, Lecouteux also explores the magical words and spells of ancient Scandinavia, the Hispano-Arabic magic of Spain before the Reconquista, the traditions passed down from ancient Egypt, and those that have stayed in use until the present day.

*Forbidden Magic Spells from the Bible* Jessica Springfield, 2016-05-22 IT IS THE SECRET THAT CHURCH LEADERS HAVE SOUGHT TO SUPPRESS FOR CENTURIES! MAGIC, SPELLS, CHARMS AND ENCHANTMENTS ARE REAL AND CAN BE PERFORMED BY ANYONE! THE BIBLE AND OTHER BOOKS FROM THE HOLY LAND HAS BEEN USED AS A SOURCE OF MAGICAL SPELLS BELIEVED TO HAVE BEEN GIVEN TO HUMANITY BY GOD HIMSELF! In this book you will learn how to use magical Bible verses to better your life, find love, be successful in every aspect of life and live free of fear of the unknown. Learn the secrets of Folk Magic and the healing powers of powerful words given to us by the Angels of the Lord. The Church has long sought to suppress the knowledge of powerful magic taken from the pages of the Holy Bible. Nevertheless, many people throughout the centuries have learned the secret of Bible Magic and have used these spells to enrich their lives, and the lives of others. Now, for the first time, this hidden knowledge is brought together in one book by noted Biblical scholar Jessica C. Springfield. Springfield has spent years gathering this ancient, esoteric knowledge and presents it in a way easily understood in the modern era. Most church leaders have convinced their parishioners that magic

spells are the work of Satan and inherently evil. However, this is a centuries-long suppression of the fact that all churches practice magic rituals everyday as part of their services. The truth is that church leaders have kept these Forbidden Bible Spells from the general population to enrich and empower themselves with the magical forces intended for all of mankind. Don't take this book lightly as the spells and incantations taken from the Bible are powerful and contain the very forces of Creation itself!
