How to Write Reports: A Guide for Grades 6-9 Randy Larson,1991

Next Level David Komolafe,2017-01-31 In *Next Level:My Strategic Recoveries* Pastor Komolafe writes: Rewards await those who may be pressured on every side, struck down to the ground, but never struck out. He graciously shares the wisdom he has gained from God's Word, and from nearly 40 years of ministry. *Next Level* offers an arsenal of weapons—prayer, biblical truth, strategic instructions, and prophetic declarations—with which to do battle against our soul's enemy, who is the destroyer of hope. As a child of God, you are heir to a glorious future. Learn how to take effective aim at the specific things that hinder you. Set your course to experience God's goodness and grace to the fullest!

The Seat of the Antichrist Erika Grey,2010-02-15 *The Seat of The Antichrist: Bible Prophecy and The European Union* identifies the European Union as the final world empire and explains what Bible Prophecy predicts will occur in the end times.The reader discovers the relationship between Bible Prophecy, the European Union and today's current affairs. *The Seat of the Antichrist* details the European Union's history and institutional structure and shows how it aligns with Bible Prophecy. Bible Prophecy comprises one third of the Bible. The Bible's last book, *The Revelation*, predicts the events leading to the end of the world. It provides the details for the Tribulation, which occur during a seven year period of wars, plagues, earthquakes and calamities, which end in the battle of Armageddon. Part of the earth's judgments happen through a leader who rises to power from the final world empire predicted in Bible Prophecy. Evangelical Christians customarily refer to this leader as The Antichrist. *The Seat of the Antichrist* is the first book dealing with Bible Prophecy, which shows prophecy's relation in the present geopolitical framework and in doing so dismisses end-time conspiracy theories, which Bible Prophecy works often rely on. No book dealing with Bible Prophecy provides such in-depth analysis and extensive research as *The Seat of the Antichrist: Bible Prophecy and The European Union*, which presents the reader with a gripping, riveting expose.

Uniform Feelings Jessi Lee Jackson,2022-05-09 In *Uniform Feelings*, American studies scholar and abolitionist psychotherapist Jessi Lee Jackson reads policing as a set of emotional and relational practices in order to shed light on the

persistence of police violence. Jackson argues that psychological investments in U.S. police power emerge at various sites: her counseling room, manuals for addressing bias, museum displays, mortality statistics, and memorial walls honoring fallen officers. Drawing on queer, feminist, anticolonial, and Black engagements with psychoanalysis to think through U.S. policing—and bringing together a mix of clinical case studies, autotheory, and ethnographic research—the book moves from the individual to the institutional. Jackson begins with her work as a psychotherapist working across the spectrum of relationships to policing, and then turns to interrogate carceral psychology—the involvement of her profession in ongoing state violence. Jackson orbits around two key questions: how are our relationships shaped by proximity to state violence, and how can our social worlds be transformed to challenge state-sanctioned violence?

Gilly the Giraffe Self-Esteem Activity Book Karen Treisman, 2019-01-21 Even though Gilly the Giraffe has many wonderful things in her life, she sometimes lacks confidence. Why does she have to stand out so much with her long neck, her long black tongue and her mosaic patches? Why do some of the other animals point and laugh at her? Can it be possible to be different and to be cool? This activity book developed by expert child psychologist Dr Karen Treisman combines a colourfully illustrated therapeutic story about Gilly the Giraffe to help start conversations, which is followed by a wealth of creative activities for children to explore and build upon some of the ideas raised in the story, and beyond! The activities are accompanied by extensive advice and practical strategies for parents, carers and professionals on how to help children aged 5-10 boost their self-esteem and confidence. This activity book is complemented by a standalone picture book of Gilly's story, also available from Jessica Kingsley Publishers (Gilly the Giraffe, ISBN 9781839970290). It is also complemented by a host of bestselling publications and card sets created by Dr Treisman (search on 'Therapeutic Treasures Collection' to discover them all!).
