The Prince of Milk Exurb1a,2018-04-05 All of time is simultaneous. Matter tends towards perfection. Cats can be dicks sometimes. The Prince of Milk is a leisurely stroll from prehistory to the distant future, stopping for tea in the 21st century English countryside. Before the time machine, before the undead mannequins, before the cat with the universe eye, there were the arbiters. They regulated the world and kept reality from banging into itself. All was well in paradise. But even the gods end up in love triangles from time to time. Several galaxies and a dimension away, Wilthail is a small English village alternating between flower shows and the occasional divorce. Life ambles. Old men and women make peace with their gods. Little do they know three deities walk among them already, biding their time before an ancient grudge rears its head. The world is a garden. The world is a gutter. Which is it? PRAISE FOR THE PRINCE OF MILK: Please stop contacting me. I'm not going to read your book. - Exurb1a's mother Sorry, I don't like science fiction. - Woman on the bus Is that you again? Look, we've talked about this. - Exurb1a's mother

The Prince of Poison Pamela Kaufman,2006 In the conclusion of the Alix of Wanthwaite trilogy, which began with Shield of Three Lions, Alix, pregnant with the child of Richard the Lionheart, flees from Richard's ruthless brother, Prince John, who will do anything to ensure that the child will never take the throne, joining an alliance of northern lords pledged to end the reign of the ruthless prince. Original. 25,000 first printing.

The Sea of Milk Chad Cobb,2004-10 Trinity remains ignorant of her creative potential as an artist. Her son Zeus loses himself in the attainment of corporate wealth and power. Feeling alone and confused, her grandson Enoch wanders displaced thirty years after the turn of this century, and only Trinity's secret wisdom can uncover Enoch's path towards enlightenment and subsequently restore a family torn apart by violence and fear. The Sea of Milk is a novel about a woman's fateful fall and her fulfilling rise. This is a story about the woman's son who attempts to conquer and control his environment in order to rid personal shame and suffering. This is a story about the woman's grandson who redeems his father and thus glorifies her. It is, most of all, a myth about living and dying and returning home.

The Cosmography and Geography of Africa Leo Africanus,2023-03-02 The first new translation in over 400 years of one of the great works of the Renaissance In 1518, al-Hasan ibn Muhammad al-Wazzan, a Moroccan diplomat, was seized by pirates while travelling in the Mediterranean. Brought before Pope Leo X, he was persuaded to convert to Christianity, in the process taking the name Johannes Leo Africanus. Acclaimed in the papal court for his learning, Leo would in time write his masterpiece, The Cosmography and the Geography of Africa. The Cosmography was the first book about Africa, and the first book written by a modern African, to reach print. It would remain central to the European understanding of Africa for over 300 years, with its descriptions of lands, cities and peoples giving a singular vision of the vast continent: its urban bustle and rural desolation, its culture, commerce and warfare, its magical herbs and strange animals. Yet it is not a mere catalogue of the exotic: Leo also invited his readers to acknowledge the similarity and relevance of these lands to the time and place they knew. For this reason, The Cosmography and Geography of Africa remains significant to our understanding not only of Africa, but of the world and how we perceive it. Ocean of Milk Jan Erhard,2022-07-21 The jungle and the war follow the same rule: A bitter fate devours the family and the whole world of a little boy. Arun is only a slave, a talking tool of the Khmer, and in a lost country nobody cares about his suffering. Despair turns into anger and from anger the thirst for revenge arises. And when Arun rises up, the story of the largest and most beautiful religious monument on the earth begins. The first historical adventure novel about the legendary miracle and the beginning of an immortal story.

The Everything Bagel with a Side of Milk and Honey Sandra Henley,2017-08-09 Are you concerned or curious about current world events? If so, between the covers of The Everything Bagel, readers will relish greater insight into mysteries concealed but revealed unto those who seek God's knowledge and wisdom. The author provides a panoramic view from eternity past, where God spoke in a heavenly language bringing forth the invisible particulates of creation into existence and capsulizing over six thousand years of history into the twenty-first century. No need to buy numerous books dealing with one subject when readers will enjoy a treasure of nuggets in The Everything Bagel. This book provides a summary of biblical history marrying the scriptures together with world events, allowing for an overview of all things Yahweh. Satan's diabolical plan is exposed from its inception and his obsession with destroying God's future kingdom upon the earth. It is important to highlight the journey of the Hebrew Israelites and the fulfillment of Messiah coming through the tribe of Judah. Traversing

through Bible prophecies, readers will better comprehend the machinations of the one-world order cabal operating through secret societies, false religions, wealthy overlords, and corrupt nations. The book of Revelation is pivotal in these last days spotlighting the time frame for the war of Gog and Magog, the building of the third temple in Israel, and paving the way for Antichrist and the false prophet. The world is standing at the precipice of the seven-year tribulation period. The redeemed of God will embrace their Sabbath rest in a land of milk and honey. It is our greatest desire that the contents of this book will open the eyes of the sleeping masses and be a beacon of hope in these perilous times.
