**Charles Taze Russell**

*The Battle for the Bible* Harold Lindsell, 1976 From the God and Politics series by Bill Moyers.

*Beyond the Battle for the Bible* James Innell Packer, 1980

*The Battle for the Bible* David Marshall, 2004-01-01 Previous ed. : published as the battle for the book. 1991

**The Battle for the Resurrection** Norman L. Geisler, 2004-06-21 Since the belief in a purely spiritual resurrection of Christ is prevalent in many cults, those involved in countering the rise and growth of cults would benefit greatly from reading this book. Dr. Walter Martin, author of 'The Kingdom of the Cults' Dr. Geisler's book is effectively designed as [an] antidote to the misery of turning Christ's factual resurrection into an event outside the bounds of ordinary history. Dr. John Warwick Montgomery, author of 'History and Christianity' Geisler demonstrates not only the danger in the theology of various cults but also the tendency to discount the bodily resurrection of the Lord, even among evangelicals. It is essential reading for every pastor and student. Dr. Paige Patterson, author of 'Song of Solomon' The proclamation that Jesus was raised in the same physical body in which he died is just as important today as it was in the first century. The book signals such a call to the importance of this doctrine. Dr. Gary Habermas, Distinguished Professor of Apologetics and Philosophy, Liberty University

*The Battle for the Bible* Herman C. Hanko, 1993

*The Battle For Your Mind* Christian Mann, 2019-09-25 This book gives outlines to the basic steps you need to take in 12 different chapters. Each Chapter describes something new that needs to become part of your regular routine in life and spells out why it's very important. If your serious about being transformed by the renewing of your mind. It starts here!

*Francis Schaeffer and the Shaping of Evangelical America* Barry Hankins, 2008-11-03 Francis Schaeffer (1912-1984) was probably the single greatest intellectual influence on young evangelicals of the 1960s and '70s. He was cultural critic, popular mentor, political activist, Christian apologist, founder of L'Abri, and the author of over twenty books and two important films. It is impossible to understand the intellectual world of contemporary evangelicalism apart from Francis Schaeffer. Barry Hankins has written a critical but appreciative biography that explains how Schaeffer was shaped by the contexts of his life -- from young fundamentalist pastor in America, to greatly admired mentor, to lecturer and activist who encouraged world-wary evangelicals to engage the culture around them. Drawing extensively from primary sources,

including personal interviews, Hankins paints a picture of a complex, sometimes flawed, but ultimately prophetic figure in American evangelicalism and beyond.

**The Battle for the Trinity** Donald G. Bloesch, 2001-07-11 In *The Battle for the Trinity*, Dr. Bloesch tackles the controversial issues surrounding the questions of God-language and their potential as one of the most divisive issues facing the church in the twentieth century. Should God be addressed as Father, Mother or Parent, should Jesus be referred to primarily as the Son of God or the Child of God, did God really reveal himself definitively in the person of his Son Jesus Christ? Bloesch contends that how we speak about God embodies the very core of Christianity and how we ultimately understand the biblical and historical meaning of the Trinity itself. The debates surrounding the Doctrine of God are many, and Bloesch urges the church to respond to the concerns of women that the sacred carries both masculine and feminine dimensions. Bloesch emphasizes that the God of the Bible is not described in masculine terms exclusively, and we err in our failure to recognize it. If Christianity is to remain genuinely Christian, these controversial issues must be dealt with in such a manner that will preserve the full historical and biblical understanding of the Trinity.

The Battle of the Bible with the "Bibles" William Dallmann, 1926

**The Intimidation Factor** Charles Redfern, 2020-08-05 What do we do when a formerly vibrant back-to-the-Bible movement drifts into a toxic swamp rimmed with attack dogs? Charles Redfern faces that grim question squarely. He discovers that American evangelical Christianity, which surged in the mid-twentieth century and offered a more genteel, intellectually vigorous alternative to caustic fundamentalism, fell into the hands of intimidators and backbiters. It was a short journey from there to the movement's partisan sell-out and the abandonment of time-honored creeds. Redfern describes his own story, in which he came into the faith at the movement's height in the 1970s, then views evangelicalism's decay across its spectrum. He doesn't spare conflict-adverse moderates in the process. But he also discovers hope: A winsome remnant survives, and its wooing the back-to-the-Bible people back to the Bible, bearing the fruits of the Holy Spirit as they do so.

The Battle for Redemption Chris Webber, 2020-07-16 The Bible is daunting, confusing, and it's so massive that there's not enough time to actually sit down and read it. These are statements that I've heard over and over working in ministry. In this book, I will show you that reading the Bible doesn't have to be daunting or confusing. I'll even show you that the Bible is extremely relevant today and just as much relevant now as it was when it was written to its original audience thousands of years ago. Over the course of this book, I will break down the Bible for you and show you how the books fit together chronologically. I'll also explain to you some of the hidden truths that many people just skip right over while reading the Bible (things like the women who paid for Jesus' bills). Trust me, stay on this ride and you will come out enthralled with God's Word. The best thing about this book is whether you've read ten pages or one hundred pages you'll be fascinated by the depth, wonder, and whimsy of the incredible book we call the Bible. If you stick with this, I promise you that the Bible will

look very different to you. Not that I will be adding to or taking away from this God-breathed book, but that we will walk through the Bible in such a way that you'll be able to grasp the flow of all the books. That's my goal. I wrote this with you in mind.

*The Bibles of the Far Right* Hannah M. Strømmen, 2024 The Bibles of the Far Right is about a far-right worldview that has taken hold in contemporary Europe. It focuses on the role Bibles have come to play in this worldview. Starting with the case of far-right terrorism in Norway in 2011, the study argues that particular perceptions of the Bible and particular uses of biblical texts have been significant in calls to protect Europe against Islam. This study proposes new ways to understand political Bible-use today in order to respond to violence inspired by biblical texts.

**The Bible's Story of Salvation** Bill Stahl, 2008-11 This easy to read book, which covers the Bible from Genesis through Second Chronicles, is the work of one who has devoted years to the study of the Bible. The first of three volumes, it tells the early Bible stories in simple, uncomplicated language. It incorporates the contributions from the Bible scholars, plus the historians, archaeologists, and scientists. Its purpose is to present the ancient people of the Bible as accurately as possible. Now the twenty first century reader can relate to the people of the Bible, and even empathize with them. Finally, this book offers the essential teachings, their value to us, and their place in the overall scope of the Bible. God's gradual revelation of the means to salvation, and thus the religious progress of mankind, are unfolded through the truths taught in the Bible. This book attempts to present those truths in simple, understandable language. The book begins with a concise overview of the entire Bible which describes its contents, its authors, the timeframe over which it was written, and how it has come down to us. The book ends with the devastation of Israel, and that event's affect upon the coming of God's Son, the Messiah.

*The Battle of the Giants* W. E. Gladstone, 2023-10-22 Reprint of the original, first published in 1875. The publishing house Anatiposi publishes historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost.

**Studies in the Scriptures, Series IV** Charles Taze Russell, 1904

*Evolution, Creationism, and the Battle to Control America's Classrooms* Michael Berkman, Eric Plutzer, 2010-09-20 Who should decide what children are taught in school? This question lies at the heart of the evolution-creation wars that have become a regular feature of the US political landscape. Ever since the 1925 Scopes 'monkey trial' many have argued that the people should decide by majority rule and through political institutions; others variously point to the federal courts, educational experts, or scientists as the ideal arbiter. Berkman and Plutzer illuminate who really controls the nation's classrooms. Based on their innovative survey of 926 high school biology teachers they show that the real power lies with individual educators who make critical decisions in their own classrooms. Broad teacher discretion sometimes leads to excellent instruction in evolution. But the authors also find evidence of strong creationist tendencies in America's public high

schools. More generally, they find evidence of a systematic undermining of science and the scientific method in many classrooms.

**Spiritual Warfare The Battle** Madison McGarr,2014-06-16 This book tells us all about a mans triumph, joy, struggles, realizations and getting back his life together. This work of art is dedicated to my Granddaughter Allie Wynn. She is a young woman in the Lords army

**The Battle for Jerusalem** John Hagee,2003-01-12 Newly updated and revised with the most current information about the events in the Middle East, Pastor John Hagee explains how the Israeli and Palestinian conflict will affect global politics, America's energy supply, and the world economy. The Battle for Jerusalem explores the heart of Israel's current struggle, the history behind the antagonism between Arabs and Jews, and the powerful significance of the Temple Mount, a thirty-five acre parcel that is the most fiercely contested real estate on the planet. Hagee explains how this conflict is not merely political or economic, but is also spiritual, with the repercussions of their actions continuing to echo across the world. Most importantly, Hagee illustrates how all the players in this tortuous conflict fit into God's plan for the ages. Previous editions: 0-7852-6788-3, 0-7852-6588-0, and 0-7852-6542-2
