The Emotions God Gave you Art & Laraine Bennett, 2011-05-01 Emotions such as anger or sadness or desire arise within us, often without our directly willing them. But we are still free to choose how we respond to them. How can we better understand our God-given emotions and manage them so that we gain the emotional equilibrium and healthy balance we need to take charge of our lives, grow closer to Christ, and share in the joy of his love? In this insightful and easy-to-read book, Catholic therapist Art Bennett and his wife Laraine explain how our emotions affect us and how our thoughts, attitudes, and behavior can affect our emotions. In a conversational and non-technical way, the authors address these and other questions: What are the effects of temperament and our past experiences on our emotional health? Can we trust our feelings? When do our emotions become destructive? How do past emotional wounds affect our present-day emotional balance? - Outlines the Catholic understanding of emotions. - Uses real-life examples of people dealing with emotional issues. - Helps us see how managing our emotions can lead to healthier relationships with others as well as growth in virtue and a closer relationship with the Lord. - Includes questions for reflection and prayer at the end of each chapter.

The Temperament God Gave Your Kids Art Bennett, Laraine Bennett, 2012-02-17 Do you have a child who is into everything? Your energetic, bubbly child is often the center of attention and sometimes in the middle of trouble! Or perhaps you have a child who is just the opposite: quiet, studious, and slow to warm up in social situations. Then there's the future lawyer: that argumentative, willful child who sometimes makes you want to pull your hair out. As parents, we all have, at one time or another, wondered: Where did this child come from? Why isn't he just like me? Am I doing something wrong? You are not doing anything wrong, and there is very likely nothing wrong with your child! The differences described above are all differences in God-given temperament. When you understand your child's unique temperament, you will have the key to unlocking his behavior, moods, and motivational forces. The end result is not only more effective discipline for day-to-day adventures but also a lifelong recognition of how to nurture your child's strengths as a loving and supportive parent, teacher, or grandparent. Become an active, compassionate participant in your child's social and spiritual formation and bring peace, happiness, and holiness to your family in the way God intended. Art and Laraine Bennett provide an accessible synthesis of

classical wisdom, modern counseling, science, Catholic spirituality, and wonderful storytelling to the four basic temperaments that serve as the foundation of one's personality and approach to life. This is the authors third book on the topic of temperaments, sharing not only their professional expertise but also their personal life experiences. They have been married for thirty-four years and have four children one each of the four temperament types!

The Temperament God Gave Your Spouse Art Bennett,Laraine Bennett,2008 In no other kind of human relationship is knowledge of the temperaments so critical and so fruitful as in a Christian marriage.

Tuned In Art Bennett,Laraine Bennett,2017-09-07 “Did you say something?” We’ve all been there: that moment when we realize we weren’t listening. Fortunately, listening is a skill we can all acquire with practice, one that has the power to transform our personal and professional relationships. Does the siren call of your Facebook feed tend to drown out the people around you? Do you struggle to make time for face-to-face conversation or prayer because of the constant distractions of technology? Do you really hear what the people around you are trying to say when they speak to you? In *Tuned In: The Power of Pressing Pause and Listening*, relationship experts Art and Laraine Bennett offer advice, techniques, and practical suggestions for shutting out the distractions and becoming a better listener. Using real life situations woven throughout with scriptural reflections, the Bennetts offer profound and practical advice for improving your relationships through the art of listening. About the Author Art Bennett is currently the president and chief executive officer (CEO) of Catholic Charities in the Diocese of Arlington, Virginia. He was also the co-founder and director of the Alpha Omega Clinics in Maryland and Virginia (2002-2010). The Hook and I David Cannane,2008-11 *The Hook and I* describes a 12-Step Recovery Program using traditional Catholic spirituality in an integrated approach that restores the entire 12-step recovery concept to its original Catholic roots in order to attack addictions by addressing the weaknesses of the soul, especially against *The Hook*. More than a method to simply conquer an addiction, this technique of struggling against a Hook is used, first of all, to overcome the addiction, second, to grow in sanctity by striving for perfection and holiness, and thirdly, to give God glory for the graces He lovingly bestows on souls struggling against addictions. *The Hook*, which can be any sinful addiction, is that primary means by which Satan uses to pull souls from the waters of sanctifying grace. *The Hook* is as much a permanent part of the soul as the temperament so that it can never really be removed; we can only cut the fishing line of temptation and to trim it as close to

the hook as possible so that we are rarely, if ever, reeled in to the state of sin again. Written in conversational style yet true to Catholic teaching, *The Hook and I* covers the fight against a hook every step of the way, from running aground through each of the steps necessary to strengthen the soul to gain mastery over the Hook to the subsequent stages of using the success against the Hook as the springboard to holiness and the pursuit of perfection. *The Hook and I* was written as an apostolate of the Blessed Margaret Family Help Center, Inc, a non-profit 501(c)3 corporation to help families, both in and out of crisis, using traditional Catholic teachings. All royalties from the sale of *The Hook and I* go to finance the Center's activities.

In these pages the Verrets offer the married and soon-to-be married a program for profound and transformative discipleship. *Witness to Love* gives married couples the tools and encouragement to share the grace, struggles, joys, and blessings of their marriage with young couples in desperate need of mentors. Holy Ambition Taryn DeLong, Elise Crawford Gallagher, 2024-10-25 Whether you are an entrepreneur (or aspiring entrepreneur), a business or nonprofit professional, or a business student, *Holy Ambition: Thriving as a Catholic Woman at Work and at Home* will help you navigate work and life with Christ at the center of it all, recognizing that our most ambitious calling is to be saints. Authors Taryn DeLong and Elise Crawford Gallagher draw from *Catholic Women in Business*, their online community of more than five thousand Catholic professional women, to answer some of the most pressing questions about what it means to fully live out your vocation as an ambitious Catholic businesswoman, recognizing that the specifics can vary from woman to woman and from one season of life to the next. Each chapter includes wisdom and insights from saints and courageous women past and present who serve as mentors, role models, and friends. Some of the questions addressed in *Holy Ambition* include the following: Am I discerning God's will for my life correctly? (Learn from St. Teresa of Calcutta, who persevered during times when she could not hear God's voice.) Is it OK to be ambitious and build wealth? (Be encouraged by St. Jane Frances de Chantal, who used her ambition and wealth for good—to protect her children.) How can I practice my faith in a secular environment? (Be inspired by St. Gianna Molla, who built up her medical practice with unwavering faith.) How can I cultivate good relationships and get along with difficult people? (Meet St. Thérèse of Lisieux, whose "little way" enabled her to love even the most irritating and disagreeable of her religious sisters.) How can I succeed at work while being open to new life? (Discover how St. Zélie Martin found the balance between work and family life.) How can I make a difference as a Catholic entrepreneur? (See how Catherine de Hueck Doherty fought against Communism by

helping the poor, the very people targeted by the Communists.) With the turn of each page, you will deepen your understanding of the feminine genius and discover how “women imbued with the spirit of the Gospel can do so much to aid humanity in not falling” (St. John Paul II). The lived experiences of these women will encourage you to discover and thrive in God’s unique and unrepeatable plan for your life. Chapter questions for reflection and discussion make this the perfect choice for book clubs and small-group discussions.

Be Devoted Bob Schuchts, 2020-02-21 Winner of a third-place award for marriage and family life books from the Catholic Media Association. Drawing from his popular healing conferences, forty years of marriage, and decades of clinical work as a couple’s therapist, bestselling author Bob Schuchts presents his first resource for married and engaged couples and those who desire true love in their relationships: *Be Devoted*. This highly anticipated guide delivers sound Catholic teaching, rich storytelling, and practical tools for healing, along with psychological insights and expertise to help couples create a relationship that is rich in trust, passion, and unity. The key to a healthy and passionate marriage is as simple as fostering genuine love and affection, or devotion, according to retired couple’s therapist and healing expert Bob Schuchts of the John Paul II Healing Center. True devotion only develops, however, when both spouses take responsibility for their actions and emotional wounds—something each of us brings to all of our relationships. These wounds, which are often rooted in

childhood and past relationships, exist in all of us to some degree, making it difficult for couples to cultivate friendship, resolve conflicts, and build trust. Drawing on the riches of St. John Paul II's theology of the body, *Be Devoted* is an essential guide to healing from these wounds within your marriage, while providing practical tools for cultivating unity. The first part of the book focuses on building intimacy, unity, and communion, and the second part offers wisdom and guidance for restoring trust when it is damaged. You'll find practical tools for cultivating intimacy, resolving conflicts, and restoring sexual passion. To help you engage deeply and prayerfully, *Be Devoted* includes: Take A Moment reflection questions prayer guides for couples scripts for apologizing and tackling difficult discussions practical ways for understanding and working through conflicts spiritual exercises for healing past wounds prompts for journaling appendices with extended prayer exercises and resources

Salvation Stories: Family, Failure, and God's Saving Work in Scripture Ryan Patrick Budd, 2024-07-01 The story of Scripture is the story of God's family. That family, like ours today, has its share of hardships, moral failings, betrayals—and dramatic transformations. In *Salvation Stories: Family, Failure, and God's Saving Work in Scripture*, author Ryan Budd explores the profound humanity of Old Testament figures like Abraham, Jacob, Tobit, Judith, and more and shows how God made his merciful love evident in their sufferings and joy. What *Salvation Stories* reveals that the families in Scripture experienced all that we do. And just as God shaped their stories for his glory and their good, he does so for each of us.
