Bikram and Vitthal Kanika Sharma ,2020-10-31 A ghastly creature at loose in a peaceful hill station, a multi-millionaire's murder mystery goes unsolved, another man with a harrowed childhood, and a successful author all unwillingly involved in a drama that might give the latter, his best novel so far. All these events happen in different timelines and cities and yet are connected to each other like the universe's own conspiracy. Read this modern-day re-telling of classic Indian folklore of Vikram and Vetala, with a twist.

Harry Potter's World Wide Influence Diana Patterson, 2009-10-02 The Harry Potter series forms a single epic story that has been published in nearly 70 languages, and has been examined in a large number of disciplines. This collection of essays contributes to the scholarly discourse that forms Potter Studies. These essays take on the consideration of Rowling's work as being worthy of study as a phenomenon and influence, as well as a work of literary value. They add genuine statistical information about the reasons for the books' popularity, consider their effects on child readers, and examine some deep-rooted reasons for their having been manipulated in American publishing, in film adaptations, in musical complements, and in their thingification in popular culture around the world. Some of these essays take on the critics of the books' religion and considerations of psychological, as well as philosophical good and evil, and well as some stylistic anomalies. The fact that scholars from China, Germany, Poland, Romania, and Israel, in addition to English-speaking nations, have felt compelled to examine these books in detail testifies in part to Harry Potter's world-wide influence.

Fantastic Words of J K Rowling Sreechinth C, FANTASTIC WORDS OF J K ROWLING ~ 1350+ Quotes of J K Rowling ~ J K Rowling, the most celebrated woman author is much famous for her Harry Potter novel series. The seven books from the series not only created the best selling history, but also paved roots for films with this name on her script. She struggled as a single parent to support her daughter and herself, yet continued writing as it was her passion. The first Harry Potter book was rejected several times before its success. Her perseverance and dedication paid her and now Jo is one among the wealthiest people in the world. Her life itself is much an inspiration to all. Here in this book, we bring you the best collection of quotes from the people's favorite author.

Positive Psychology at the Movies Ryan M Niemiec,Danny Wedding,2013-01-01 For educators, practitioners, researchers, and everyone striving for personal growth and a fulfilling life! This completely revised edition of a classic in the field provides a unique way to learn about positive psychology and what is right and best about human beings. Positive Psychology at the Movies now reviews nearly 1,500 movies, includes dozens of evocative film images, and is replete with practical aids to learning. Positive psychology is one of the most important modern developments in psychology. Films brilliantly illustrate character strengths and other positive psychology concepts and inspire new ways of thinking about human potential. Positive Psychology at the Movies uses movies to introduce the latest research, practices, and concepts in this field of psychology. This book systematically discusses each of the 24 character strengths, balancing film discussion, related psychological research, and practical applications. Practical resources include a syllabus for a positive psychology course using movies, films suitable for children, adolescents, and families, and questions likely to inspire classroom and therapy discussions. Positive Psychology at the Movies was written for educators, students, practitioners, and researchers, but anyone who loves movies and wants to change his or her life will find it inspiring and relevant. Watching the movies recommended in this book will help the reader practice the skill of strengths-spotting in themselves and others and support personal growth and self-improvement. Read this book to learn more about positive psychology - and watch these films to become a better person!

Phoenix Rising: Collected Papers on Harry Potter, 17-21 May 2007 Sharon K. Goetz,2008-04-01 Phoenix Rising was a

221 ways to Success N.Raman,2022-01-18 The world order has been thrown into confusion during the past several decades. Due to various reasons ranging from technology intervention to erosion of high values of living, which our forefathers have taught us, economic turmoil, triggered by greed and such other negative attributes, has pushed humanity into disarray. Adding to it is the recent pandemic which has turned our social, cultural and economic fabric upside down. Therefore, it is necessary to retrace back to the root causes of many of the present woes and start afresh by inculcating the positive virtues of life. The author strongly believes the messages conveyed in this book would be able to guide the readers towards abundant peace, happiness and prosperity. Yes, it will help us start a fresh life all over again.

Field Guide to Harry Potter Colin Duriez,2007-11-16 A companion to the Harry Potter books features an overview of the life of J. K. Rowling; discusses the themes presented in the books; offers an A-to-Z of beings, places, things, and events; and includes plot summaries of all seven books.

You will find in this quote book several character's quotes from Harry Potter's movies and books with pictures and images... With this book you will be able to recall the most famous and powerful moments of the movie in the palm of your hand. In this Book: - 80 Quotes from Harry Potter Books and Movies. - 11 Pictures and images of Harry Potter, the castle, the car and many surprises... - Size: 8.5x11 in - Play games with the quotes and find out who said it. Dark and difficult times lie ahead. Soon we must all face the choice between what is right and what is easy. It is the unknown we fear when we look upon death and darkness, nothing more. It is a curious thing, Harry, but perhaps those who are best suited to power are those who have never sought it. Those who, like you, have leadership thrust upon them, and take up the mantle because they must, and find to their own surprise that they wear it well. Youth cannot know how age thinks and feels, but old men are guilty if they forget what it was to be young. When in doubt, go to the library.
