From the Words of Angels and Ancient Book of Jika - On the Drama of Initiation in the Atlantean Age and Our Hidden Genesis Christine Preston,2011-07-15 This work unravels the great mysteries of the Bible and ancient civilization. In introducing her disclosures Christine Preston reveals the meaning of Trees in Scripture as being in connection with Initiation in the Old World. The latter being the Atlantis of Plato, she reveals original sin as a misuse of power by Atlanteans influenced by Wise Serpents, who opposed spiritual evolution. She discusses divine-human intermarriages and provides a solution for the fact that the Watchers parallel to the Sons of God of Genesis are depicted as evil, by disclosing a secondary scenario in Enoch that is illustrated by the Ancient Book of Jika.

The Prayer of Mary at Bartos D.P. Curtin,Rene Basset,Bekele Tesfaye,2017-08-15 This Ethiopian apocryphal work is a detailed account of a prayer spoken by the Virgin Mary in the city of Bartos, where she intercedes for Matthias, a disciple held captive. It emphasizes the unique nature of her prayer, known only to the Holy Trinity, and illustrates Mary's deep connection with her son, Jesus Christ. The narrative includes her invocation of angels and celestial beings, asserting the prayer's power to heal, free captives, and protect believers from evil. The text concludes with Jesus affirming the efficacy of the prayer and promising blessings to those who invoke it.

A Gift of Angels ,2010-09-20 It rises suddenly out of the Sonoran Desert landscape, towering over the tallest tree or cactus, a commanding building with a sensuous dome, elliptical vaults, and sturdy bell towers. There is nothing else like it around, nor does it seem there should be. This incongruity of setting is what strikes first-time visitors to Mission San Xavier del Bac. This great church is of another place and another time, while its beauty is universal and timeless. Mission San Xavier del Bac is a two-century-old Spanish church in southern Arizona located just a few miles from downtown Tucson, a metropolis of more than half a million people in the American Southwest. A National Historic Landmark since 1963, the mission's graceful baroque art and architecture have drawn visitors from all over the world. Now Bernard Fontana—the leading expert on San Xavier—and award-winning photographer Edward McCain team up to bring us a comprehensive view of the mission as we've never seen it before. With 200 stunning full-color photographs and incisive text illuminating the religious,

historical, and motivational context of these images, A Gift of Angels is a must-have for tourists, scholars, and other visitors to San Xavier. From its glorious architecture all the way down to the finest details of its art, Mission San Xavier del Bac is indeed a gift of angels.

The Blue-Flamed Angel Tyler James,2025-01-02 St. Michael the Archangel is a humble being who was not initially a warrior angel, nor was he granted the title of saint or even the general of the celestial armies. His beginnings were as a newly created angel placed in the choir of archangels. Like us humans, he also had doubts about what his full potential could become, although he was content as an archangel. Eons passed since the creation of time itself, and Michael was selected to become a warrior angel in the celestial army commanded by General Azrael at the time. He passed a rigorous and incomprehensible set of trials to earn the title of warrior in God's celestial army. Shortly after, according to celestial time, war in heaven broke out, led by Lucifer, who was formerly known as Samael. At a critical moment, his general did not have the faith needed to repel the legions trying to invade God's throne and kingdom. God bestowed an unfathomable blessing upon Michael, who was transformed into the Blue-Flamed Angel and promoted to the choir of Seraphim. With Michael's new abilities and responsibilities, he defeated the dragon and his legions, banishing them from the heavens. However, the battle was just beginning when Man was created, posing new curiosities among the celestials and threats from the demonic enemy legions. The Son of God, Jesus, had now taken over the responsibilities of his Father when the unthinkable happened. God's newest creation, Man, had fallen into sin, and thus the heavens were lifted from the earth as punishment. This began the divine plan for the salvation of mankind. Shortly after, Michael and a few of his fellow angels, Gabriel and Raphael, were granted the authority to interact with mankind directly, donning the title of saint. After Mary was assumed into heaven, she blessed St. Michael with the duties and responsibilities that come with sainthood, making him the patron of law enforcement and all those who are righteous for the Lord, willing to sacrifice themselves for the good of their neighbors. The full power of

the new general of the celestial armies was cemented, and the ultimate battle between good, evil, and the souls of mankind rages onward to this very day until the end of the earth.

Angels, Let's Talk Orlando Constantine,2007-10 The anointing received is the deciding factor of the truth on this subject, which is unparallel in content as being current, biblical and to the point. Why are you angels here, where are you coming from and do you give a ?damn? where you are going!? This book intend to bring a resolution to these questions and if eternal damnation is obvious, redemption is also plausible; as one extremity has a equal opposite, except in the case of God. Come now, and let us reason together, saith the LORD: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool (Isaiah 1:18).
