East Asian Pornographies and Online Porn Cultures Katrien Jacobs, Thomas Baudinette, Alexandra Hambleton, 2023-07-31 Pornography's impact on transnational models of media aesthetics and governance has been well documented from a Euro-American perspective. This book contributes to the field of pornography studies by rethinking the cultural impact of pornography as audio-visual and online media from an East Asian perspective. It focuses on pornographies made and consumed in and across Japan, Korea, China, and Hong Kong. The chapters examine under-reported East Asian cultures of pornography, not only to uncover phenomena from within this region but also to challenge and fine-tune existing academic research networks and paradigms. This book proposes that the lived experience of producing and consuming various pornographies throughout East Asia may extend, nuance, challenge, or even affirm the dominant Euro-American understandings of pornography that are becoming increasingly axiomatic within pornography studies as an emerging interdisciplinary field of study. This book was originally published as a special issue of the journal Porn Studies.

Like a Man EJ Pritch, 2017-03-16 Most books want to inspire happiness or self-help on how to become a millionaire even though you work part-time at some crappy grocery store that claims its organic. Im looking at you, Whole Foods. Not this book as Im trying to spread the word of hate. I represent all of the angry people out there who look at life in a bit of a twisted and cynical way.

The She Devil from Fire Island jmax young, 2018-03-14 Her hippie mother convinced Baez to birth her baby in the neighbor's swimming pool. After that bad advice, the reader must decide if her life went uphill or down. Enticed away from a topless bar, wrestling provided opportunities and adventures never before imagined. Her wrestling partner, the Vietnamese Ninja, and others provided a reckless ride through the comical world of wrestling and beyond. Her little girl, Shiloh, ruled her life as well as her desire to encourage other young women to study science and technology, but her personal decisions often interfered. Before wrestling, she struggled to pay tuition at MIT. The biggest challenge came when her daughter is

kidnapped and she then spent many years searching for her. You will fall in love with Baez and others; despise the rest. Happy ending? You decide!

Maya's Aura - The Awakening Skye Smith, 2019-04-15 Cover Flap This is the first book in the Maya's Aura Series. Young Maya hated the name that her aging hippie mother had saddled her with. She hated her dead-end job in a San Francisco coffee shop that didn't pay enough to allow her to rent her own apartment. She hated trying to make do with clothes from the thrift shops that never quite fit her, and always smelled musty. She hated that she was allowed only one week's vacation, and she could only save enough money to couch surf with friends. During her one week vacation couch surfing in Vancouver, Canada and spending days on the university's beach, something happened that she could not explain. She felt someone's aura, or at least that is what she thought had happened. Curiosity made her try to feel it again and again. Slowly she began to realize that this aura thing was more than just a good feeling. Much more, powerfully more, dangerously more, and she ceased to be the mousy young girl that cleaned tables in a coffee shop. About the Author Skye Smith is my pen name. My family convinced me not to use my real name because my stories are so critical of predator males. You'll understand and forgive me this as you fall in love with sweet Maya, my main character. For those of you who like stories about vampires, witches, and magic, you won't be disappointed by my very different, more realistic take on it all. My vampires are parasites wearing business suits. My witches are healers ignored by the modern world. My magic is based on aura's, and everyone has felt or seen an aura at least once in their lives. Other Novels By The Same Author: The Hoodsman - 12 historical adventures set in the Norman conquest. Knut - many historical adventures set in the Viking Era. The Pistoleer - 9 historical adventures set in the English Civil War. Maya's Aura - 8 new age adventures while tripping around the world. 1. "The Awakening" - She discovers her strange aura. 2. "The Refining" - She learns how to use her aura. 3. "The Ashram" - She searches for answers in India 4. "Goa to Nepal" - She follows a quest into the Himalayas 5. "The Charred Coven" - She fights black craft in England. 6. "The Crystal Witch" - She learns psychic craft in England 7. "The Redemptioner" - Psychic dreams of her ancestor Britta. 8. "Destroy the Tea Party - Britta's adventures in Boston in 1773.

Making the Internet Safe for Kids United States. Congress. House. Committee on Energy and Commerce. Subcommittee on Oversight and Investigations, 2006

Schoolgirls, Money and Rebellion in Japan Sharon Kinsella, 2013-11-07 Japanese society in the 1990s and 2000s produced a range of complicated material about sexualized schoolgirls, and few topics have caught the imagination of western observers so powerfully. While young Japanese girls had previously been portrayed as demure and obedient, in training to become the obedient wife and prudent mother, in recent years less than demure young women have become central to urban mythology and the content of culture. The cultic fascination with the figure of a deviant school girl, which has some of its earliest roots in the nineteenth and early twentieth centuries, likewise re-emerged and proliferated in fascinating and timely

ways in the 1990s and 2000s. Through exploring the history and politics underlying the cult of girls in contemporary Japanese media and culture, this book presents a striking picture of contemporary Japanese society from the 1990s to the start of the 2010s. At its core is an in-depth case study of the media delight and panic surrounding delinquent prostitute schoolgirls. Sharon Kinsella traces this social panic back to male anxieties relating to gender equality and female emancipation in Japan. In each chapter in turn, the book reveals the conflicted, nostalgic, pornographic, and at times distinctly racialized manner, in which largely male sentiments about this transformation of gender relations have been expressed. The book simultaneously explores the stylistic and flamboyant manner in which young women have reacted to the weight of an obsessive and accusatory male media gaze. Covering the often controversial subjects of compensated dating (enjo kôsai), the role of porn and lifestyle magazines, the historical sources and politicized social meanings of the schoolgirl, and the racialization of fashionable girls, *Schoolgirls, Money, Rebellion* in Japan will be invaluable to students and scholars of Japanese culture and society, sociology, anthropology, gender and women's studies.

Casualties of Indulgence Phoebe Lee, 2000-12 Since 1972 more than 40 million legal abortions have been performed in the United States. Of these, a vast number of young girls below the age of 19 have been privy to the heart-wrenching circumstances leading to an unwanted pregnancy and its subsequent termination. The author, Phoebe Lee, born the year America legalized abortion, shares the tragic details leading up to her own personal experience with abortion at age fourteen. And, the pain and denial following her many years thereafter. After providing an account of these tragic events, she gives the reader an in-your-face look at the politics and finances revolving around abortion today. Concluding many so-called pro-life proponents are just as guilty of perpetuating the great number of unnecessary abortions as their pro-choice rivals. *Casualties of Indulgence* not only defines the millions of innocent's lost to abortion as the casualties but also clearly shows how our behavior as a society victimizes our younger generation for the sake of our own indulgences. An easy yet fulfilling read bound to create many questions among all sides of the debate.

Asian Americans on Campus Rosalind Chou, Kristen Lee, Simon Ho, 2015-07-24 While there are books on racism in universities, few examine the unique position of Asian American undergraduates. This new book captures the voices and experiences of Asian Americans navigating the currents of race, gender, and sexuality as factors in how youth construct relationships and identities. Interviews with 70 Asian Americans on an elite American campus show how students negotiate the sexualized racism of a large institution. The authors emphasize the students' resilience and their means of resistance for overcoming the impact of structural racism.

Strangler Corey Mitchell, 2018-01-30 The story of a musical prodigy turned serial killer—including his shocking confession—is exposed in the L.A. Times bestselling author's true crime classic. To the outside world, Anthony Allen Shore was an average guy: a twice-divorced father who drove a tow truck in suburban Houston. But in his mind he was a superstar.

A musical prodigy who never realized his potential, Shore decided to outsmart society by getting away with murder. And he wanted the whole world to know it. After brutally killing a sixteen-year-old girl, he told the local NBC affiliate precisely where to find her body. Eight years passed before DNA evidence caught up with Shore. Subsequent police investigations revealed a violent megalomaniac who had sexually abused his own daughters. He confessed to murdering four females, one only nine years old. And he hinted at many more—leading authorities to suspect he might be the notorious “I-45 Serial Killer.” In *Strangler*, bestselling author Corey Mitchell recounts the case from its twisted beginnings to its chilling conclusion.

Asian Love and Sadness David Spencer, 2018-03-06 A thriller following the trials and tribulations of four generations of a Laotian Hmong family beginning during the Laos/Vietnam war, followed by their lives as refugees in Thailand before finally ending in Australia.

Algoritmos da Opressão Safiya Umoja Noble, 2022-01-17 Um olhar revelador sobre como o racismo contra as mulheres negras está incorporado nos mecanismos de busca da internet. Algoritmos de Opressão explora as estruturas ocultas que moldam a forma como obtemos informações por meio da Internet. — Jackie Snow, MIT Technology Review Safiya Noble relata a experiência que a levou a escrever Algoritmos de Opressão. Em busca de inspiração para entreter suas sobrinhas pré-adolescentes, a autora pesquisou garotas negras no Google. A frase tinha o objetivo de obter informações sobre coisas que poderiam ser de interesse para seu grupo demográfico. O resultado recebido foi uma página inundada de pornografia. — Cordella Fine, Financial Times Pesquise no Google por garotas negras: o que você encontra? Termos sexualmente explícitos provavelmente aparecerão como os principais resultados. Mas, se você digitar garotas brancas, os resultados serão radicalmente diferentes. Os sites pornográficos sugeridos e frases como por que as mulheres negras são tão atrevidas? ou por que as mulheres negras são tão zangadas? apresentam um retrato perturbador da feminilidade negra na sociedade moderna. Em Algoritmos de Opressão — Como os mecanismos de busca reforçam o racismo, Safiya Umoja Noble desafia a ideia de que mecanismos de pesquisa como o Google oferecem igualdade de condições para todas as formas de ideias, identidades e atividades. A discriminação de dados é um problema social real; Safiya Noble argumenta que a combinação de interesses privados na promoção de certos sites, juntamente com o status de monopólio de um número relativamente pequeno de mecanismos de pesquisa na internet, leva a um conjunto tendencioso de algoritmos de busca que discriminam pessoas negras, especificamente mulheres. Através de análises textuais e de mídia, bem como de uma extensa pesquisa sobre publicidade on-line, a autora expõe uma cultura de racismo e sexismo. À medida que os mecanismos de pesquisa e suas empresas crescem em importância, operando inclusive como um importante veículo para o aprendizado do ensino fundamental e médio, a compreensão e reversão dessas tendências inquietantes e práticas discriminatórias é de extrema importância. Um relato original, surpreendente e perturbador do preconceito na internet. Algoritmos de Opressão contribui para a nossa compreensão de como o racismo é criado, mantido e disseminado no século XXI.

Asian Horror Andy Richards, 2010-08-01 Since Japanese horror sensations The Ring and Audition first terrified Western audiences at the turn of the millennium, there's been a growing appreciation of Asia as the hotbed of the world's best horror movies. Over the last decade, Japan, South Korea, Thailand, and Hong Kong have all produced a steady stream of stylish supernatural thrillers and psychological chillers that have set new benchmarks for cinematic scares. Hollywood soon followed suit, producing high-profile remakes of films such as The Ring, Dark Water, The Grudge, and The Eye. With scores of Asian horror films now available to Western audiences, this guide helps viewers navigate the eclectic mix of vengeful spooks, yakuza zombies, feuding warlocks, and devilish dumplings, discussing the grand themes of Asian horror cinema and the distinctive national histories that give the films their special resonance. Tracing the long and noble tradition of horror stories in eastern cultures, it also delves into some of the folktales that have influenced this latest wave of shockers, paying tribute to classic Asian ghost films throughout the ages.

Asian Video Cultures Joshua Neves, Bhaskar Sarkar, 2017-11-16 The contributors to this volume theorize Asian video cultures in the context of social movements, market economies, and local popular cultures to complicate notions of the Asian experience of global media. Whether discussing video platforms in Japan and Indonesia, K-pop reception videos, amateur music videos circulated via microSD cards in India, or the censorship of Bollywood films in Nigeria, the essays trace the myriad ways Asian video reshapes media politics and aesthetic practices. While many influential commentators overlook, denounce, and trivialize Asian video, the contributors here show how it belongs to the shifting core of contemporary global media, thereby moving conversations about Asian media beyond static East-West imaginaries, residual Cold War mentalities, triumphalist declarations about resurgent Asias, and budding jingoisms. In so doing, they write Asia's vibrant media practices into the mainstream of global media and cultural theories while challenging and complicating hegemonic ideas about the global as well as digital media. Contributors. Conerly Casey, Jenny Chio, Michelle Cho, Kay Dickinson, Bishnupriya Ghosh, Feng-Mei Heberer, Tzu-hui Celina Hung, Rahul Mukherjee, Joshua Neves, Bhaskar Sarkar, Nishant Shah, Abhigyan Singh, SV Srinivas, Marc Steinberg, Chia-chi Wu, Patricia Zimmerman

Pain Generation L. Ayu Saraswati, 2021-05-18 This book troubles the phenomenon of feminists turning to social media to respond to and enact the political potential of pain inflicted in the acts of sexual harassment, sexual violence, and sexual abuse. Anchoring its analysis in theories and criticisms of neoliberal feminism, this book illustrates the complexity of how in using digital platforms that are governed by neoliberal logic, feminists take on a neoliberal self(ie) gaze in their social media activism, potentially undercutting their work toward social justice--

Asian American Sexual Politics Rosalind S. Chou, 2012-06-07 Asian American Sexual Politics explores the topics of

beauty, self-esteem, and sexual attraction among Asian Americans. The book draws on sixty in-depth interviews to show how constructions of Asian American gender and sexuality tend to reinforce the social and political dominance for whites, particularly white males, even in the supposed “post-racial” United States. Drawing on established scholarship on the intersection of race, gender, and sexuality, Asian American Sexual Politics shows how power dynamics shape the lives of young Asian Americans today. Asian American women are often constructed as hyper-sexual docile bodies, while Asian American men are often racially “castrated.” The book’s interview excerpts show the range of frames through which Asian Americans approach the world, as well as the counter-frames they construct. In the final chapter, author Rosalind S. Chou offers strategies for countering racialized and sexualized oppression. This provocative book shows how persistent racism affects Asian American body image, self-esteem, and intimate relationships.
