In 1996, when she was a small child, he went on a shooting spree before turning the gun on himself. Now, Blanche learns that her mother has been murdered. She returns to her childhood home, where she soon discovers there's more to the death than police are willing to reveal. The officer who's handling the case is holding information back, and a journalist who's nosing around the investigation is taking an unusual interest in Blanche's family.
