Reading and Relevance, Reimagined Katie Sciorba, 2024-11-22 What do we mean when we say that a text is relevant to a young person or to a group of young people? And how might a reimagining of relevance, shaped through the voices of young men of color, enhance literacy teaching and learning? Based on case studies of six young Black, Latino, and South Asian men and their reading experiences, this book reconceptualizes the term relevance as it applies to and is applied within literacy education (middle school through college). The author reveals how four dimensions of relevance--Identity, Spatiality, Temporality, and Ideology--can guide educators in supporting the reading and meaning-making experiences of students in ways that honor the complexities of their lives and enhance their criticality. Sciorba frames relevance from a student-centered perspective as conditions that are practically, socially, and/or conceptually applicable to one's life. Readers can use this book to disrupt problematic enactments of relevance in literacy spaces that are rooted in assumptions about who young people are, culturally or otherwise, as well as how they think and maneuver through their complex worlds. Book Features: Provides a nuanced understanding of relevance in literacy education in order to successfully enact culturally relevant pedagogy. Draws on scholarly literature from a broad range of fields, including sociology, cultural studies, literary studies, and physical science studies. Showcases what a nondeficit approach to working with Black, Latino, South Asian, and other young people of color can look like in educational contexts. Examines data from longitudinal qualitative studies with six students and young men of color that took place across 10 years beginning in a New York City middle school.

Used and Rare Lawrence Goldstone, Nancy Goldstone, 2010-04-01 Journey into the world of book collecting with the Goldstones--rediscover the joy of reading, laugh, and fall in love with books all over again. The idea that books had stories associated with them that had nothing to do with the stories inside them was new to us. We had always valued the history, the world of ideas contained between the covers of a book or, as in the case of *The Night Visitor*, some special personal significance. Now, for the first time, we began to appreciate that there was a history and a world of ideas embodied by the

books themselves. Part travel story, part love story, and part memoir, Lawrence and Nancy Goldstone's *Used and Rare* provides a delightful love letter to book lovers everywhere.

The Man in the Window K. O. Dahl, 2025-08-22 A cryptic murder resurrects dark memories of past atrocities in this latest mystery from the master of Norwegian crime writing. Award-winning author Norwegian K. O. Dahl received international acclaim for his gripping debut thriller, *The Fourth Man*, which introduced readers to Detective Inspector Frank Frølich and Detective Chief Inspector Gunnarstranda. Now the Oslo detectives are back. It's Friday the thirteenth, the Norwegian capital is enveloped in freezing cold, and Reidar Folke Jespersen passes what will be the last day of his life. The aging antique dealer leaves home and takes a taxi to a nearby café. A few hours later, through the window of the café, he

watches his wife enter the door to a flat on the other side of the street, where her lover lives. In the early hours of the following morning, Jespersen is found stabbed to death, sitting naked in an armchair in the display window of his antique shop. Detectives Frølich and Gunnarstranda are called to the scene. Their only clues are a numerical combination written in ink on the body of the dead man, a red string tied around his neck, a few missing World War II objects, and a number of people extremely satisfied with the news of the man's death. Questions of love and betrayal, loyalty and guilt consume the investigation, just as they fill the private lives of the investigators. K. O. Dahl's dark and poetic writing moves through the shadows of one country's history---a country where victims, perpetrators, and even police officers are haunted by the past, still trying to cope with dark memories of the Nazi occupation. *The Man in the Window*, the second installment in Dahl's Oslo police mysteries, is an intricate and chilling detective story about love, revenge, and the inescapable past.

The Secret Lives of Booksellers and Librarians James Patterson, Matt Eversmann, 2024-04-08 This "celebration of the world of books" (Kirkus) from New York Times bestselling author James Patterson explores the inner lives of the people who kindle our passion for reading. "When the pandemic started, Patterson launched a movement, #SaveIndieBookstores [and] pledged half a million dollars, and, with the support of the American Booksellers Association and the Book Industry Charitable Foundation, the campaign ended up raising \$1,239,595 from more than eighteen hundred donors... Somehow, the bookstore outlived the pandemic. Why? *The Secret Lives of Booksellers and Librarians*, compiled by James Patterson and Matt Eversmann, suggests a few reasons. - New Yorker To be a bookseller or librarian... You have to play detective. Be a treasure hunter. A matchmaker. An advocate. A visionary. A person who creates "book joy" by pulling a book from a shelf, handing it to someone and saying, "You've got to read this. You're going to love it."

The Autobiography of Richard Jeffery Wagner Richard Wagner, 2022-03-31 From being drafted into the military during the Vietnam war to solving the so-called hard problem of consciousness; from playing in chess tournaments to working on space robots for interplanetary spacecraft; from attending public schools in John Steinbeck's hometown to teaching computer science at a major university; from riding the big surf at Waimea Bay to inventing the world's fastest sorting algorithm; from racing model cars as a teenager to mentoring teenagers on high school robotics teams: Dr. Wagner's debut book, twenty years in the making, chronicles his struggle to live meaningfully in a quest for a coherent understanding of the human condition. ... an interesting life full of amazing experience ... indeed an extraordinary man. I am honored to be his friend. He has been a great inspiration and motivation to my son, Kai, and myself. --Ron Van Clief, *the Black Dragon*

Narratives, Nerdfighters, and New Media Jennifer Burek Pierce, 2020-11-15 For decades, we've been warned that video killed the radio star, and, more recently, that social media has replaced reading. Nerdfighteria, a first-of-its-kind online literary community with nearly three million members, challenges these assumptions. It is the brainchild of brothers Hank and John Green, who provide literary themed programming on their website and YouTube channel, including video clips from

John, a best-selling author most famous for his young adult book, *The Fault in Our Stars*. These clips not only give fans personal insights into his works and the writing process writ large, they also provide unique access to the author, inspiring fans to create their own fan art and make connections with one another. In the twenty-first century, reading and watching videos are related activities that allow people to engage with authors and other readers. Whether they turn to *The Fault in Our Stars* or titles by lesser-known authors, Nerdfighters are readers. Incorporating thousands of testimonials about what they read and why, Jennifer Burek Pierce not only sheds light on this particular online community, she also reveals what it tells us about the changing nature of reading in the digital age. In Nerdfighteria, we find a community who shows us that being online doesn't mean disinterest in books.

Sociopath Patric Gagne, 2024-04-02 An engrossing, "completely fascinating" (Cosmopolitan) memoir revealing the author's struggle to come to terms with her own sociopathy and shed light on the often maligned and misunderstood mental disorder. Patric Gagne realized she made others uncomfortable before she started kindergarten. Something about her caused people to react in a way she didn't understand. She suspected it was because she didn't feel things the way other people did. Emotions like fear, guilt, and empathy eluded her. For the most part, she felt nothing. And she didn't like the way that "nothing" felt. In college, Patric finally confirmed what she'd long suspected. She was a sociopath. But even though it was the very first personality disorder identified—well over 200 years ago—sociopathy had been neglected by mental health professionals for decades. She was told there was no treatment, no hope for a normal life. But when Patric reconnects with an old flame, she gets a glimpse of a future beyond her diagnosis. If she's capable of love, it must mean that she isn't a like the madmen and evil villains in pop culture. With the help of her sweetheart (and some curious characters she meets along the way) she embarks on a mission to prove that the millions of Americans who share her diagnosis aren't all monsters either. This is the inspiring story of Patric's journey to unlock the true nature of sociopathy and build a life of love and hope against all odds.

A John Steinbeck Reader Barbara A. Heavilin, 2009-02-03 Celebrating the all-too-brief life of a young scholar dedicated to Steinbeck studies, *A John Steinbeck Reader: Essays in Honor of Stephen K. George* gathers essays from various vantage points including aesthetic, feminist, ethical, and comparative perspectives. Under the direction of Barbara A. Heavilin, George's coeditor of *The Steinbeck Review* journal and the book, *John Steinbeck and His Contemporaries*, the authors of these articles have come together both to pay tribute to Stephen and to widen the range of Steinbeck scholarship. Included in this volume are works by two acclaimed poets, as well as insightful readings of a little known early short story and an unsuccessful novel by Steinbeck. In addition to George, who is represented here with an essay on societal ethics, and Heavilin, who writes about *Travels with Charley*, the contributors to this volume include: Mary Brown, Danica Cerce, Mimi

Gladstein, Charlotte Hadella, Tetsumaro Hayashi, Luchen Li, Michael J. Meyer, Kyoshi Nakayama, Brian Railsback, Thom Satterlee, Stephen L. Tanner, and John H. Timmerman. Alvin W.Gouldner James J. Chriss,2018-12-13 Published in 1999, this book is an exploration of the life and work of American sociologist Alvin W. Gouldner. Gouldner's life and contribution to legal theory is a case study in the limits of critical, self-reflexive inquiry. Hegel's dialect is a major theme running throughout Gouldner's work, and, even throughout his life, Gouldner himself seemed trapped in the unfolding of the spirit through three distinct stages: 1945-1960 - thesis; 1960-1970 - antithesis; and 1970-1980 - synthesis or new thesis. Implications for creating a reflexive critical sociology in Gouldner's image are discussed.

Her life begins to unfold in undreamed-of ways as she becomes deeply immersed in the magic of India and drawn to the idealistic tropical lifestyle of Auroville; she stays for the next fourteen years. After an initial stint as a photographer, Susan returns to working with fabric, her first passion, and establishes a studio. The intensely concentrated nature of the projects forges bonds with her expert local tailors. Her creative work changes and grows, inspiring her and eventually sending her in international directions. Susan's life is thrown into upheaval when one of her tailors is accused of murdering his wife and jailed. In the aftermath of the death, she has to take a stand and make a number of difficult choices. The painful and often lonely times that follow are a challenge, but also a powerful catalyst for insight and personal growth. *Transparent Dreams—An India Journey* is a compelling and passionate memoir of a significant time in a remarkable life. My Life With John Steinbeck, 2018-09-06 For the first time, the story of John Steinbeck's forgotten second wife, unmentioned in standard editions of his classics, such as *The Grapes of Wrath*. Their 1943 wartime marriage ended when she divorced him in 1948. Smart, adventurous and in love, she at first matched Steinbeck's zest for on the road adventures but was then only too happy to settle down and make a home where he could write. Love and marriage were considered the appropriate vocation for women of her era. Gwyn paid a high price for her involvement of the restless, driven, genius, John Steinbeck. This was a marriage, which could not succeed despite her love for Steinbeck, the man and master storyteller.
