**Married to the Demon King** Susan Fulop Kepner, 1994

*Volume 5: In Which a Demon King and His Partner Do Something Exciting* Rori Thornton, Malson and Beneford get settled in as Braelin gets back to work... and as the King and his partner prepare for their first court event together. Though perhaps there are other things on things on Jurao's gardener's mind than just mandatory social events...

**The Demon of Writing** Ben Kafka, 2020-04-14 Since the middle of the eighteenth century, political thinkers of all kinds — radical and reactionary, professional and amateur — have been complaining about “bureaucracy.” But what, exactly, is all this complaining about? *The Demon of Writing* is a critical history and theory of one of the most ubiquitous, least understood forms of media: paperwork. States rely on records to tax and spend, protect and serve, discipline and punish. But time and again this paperwork proves to be unreliable. Examining episodes from the story of a clerk who lost his job and then his mind in the French Revolution to Roland Barthes’s brief stint as a university administrator, the book reveals the powers, failures, and even pleasures of paperwork. Many of its complexities, the book argues, have been obscured by the comic-paranoid style that characterizes so many of our criticisms of bureaucracy. At the same time, the book outlines a new theory of what Marx called the “bureaucratic medium.” Returning first to Marx, then to Freud, *The Demon of Writing* argues that this theory of paperwork must be attentive to both praxis and parapraxis.

**The Demon King's Retirement** Endo Toshiko, My subjects, thank you for coming... I, the Demon King, shall retire as of today. This sudden proclamation by the Demon King, ruler of the demon realm, threw the people of the realm into a panic. Even as his aides tried desperately to stop him, the Demon King threw off his imposing mantle, transformed into an unassuming (albeit handsome) hoodie-clad young man, and descended to the human realm with a spring in his step. Yet even down on Earth, he is surrounded by demonic creatures! His gloomy apartment full of evil spirits wriggling in the dark, and on

the floor below a mysterious woman whose bruised face grows worse every day... Is this place cursed? Can the Demon King not escape evil's grasp even in retirement? ...Tonight, again, he can hear the woman's wails. He makes up his mind and heads down to her apartment! And what sight greets him once he gets there...?!

**The Sorcery of Solomon** Sara L. Mastros, 2024-01-08 "An excellent body of practice for those wishing to explore the vast depths of the magic of the Solomonic pentacles." —David Rankine, author of *The Grimoire Encyclopaedia* The Key of Solomon is a family of closely related historic grimoires legendarily attributed to Solomon, the biblical Magician King. Most famously, Samuel Liddell MacGregor Mathers's 1889 English edition presented forty-four Hebrew seals, commonly called the "planetary pentacles." However, it offered very little guidance for how to work with them. Sara L. Mastros, a leading teacher and practitioner of magic, translates and interprets each of these pentacles and presents practical methods for working with their magical powers, creating a clear, accessible user's guide. "Sara Mastros has provided a deep dive into the forty-four pentacles as codified by Mathers. Drawing on a wide variety of sources and her own experiences, she includes many easy-to-follow exercises for exploring them." —Joseph Peterson, author of *The Secrets of Solomon* In *The Sorcery of Solomon*, Mastros places *The Key of Solomon* in a historical and folkloric context, presenting a complete, fresh translation of the forty-four pentacles, all of which have been newly illustrated. She guides the reader through the process of working with Solomonic pentacles and more. Primarily intended for intermediate-level magicians who already have a basic knowledge of spellcraft, *The Sorcery of Solomon* is also appropriate for beginners who are willing to do a bit of extra "homework." "Sara

Mastros manages to illuminate the past history of the pentacles while shining a light forward into the future with clear and thoughtful instruction. Not only does she fully explain the design of each pentacle, correcting many errors along the way, but she shares advice and insight gained from her own work. The Sorcery of Solomon delivers what it promises: a fully workable system of magic.” —Jason Miller, author of Protection and Reversal Magic

**World War S 3** Stephen Paul Thomas,2020-04-02 After thousands of years of spiritual warfare, the Vatican has turned a corner. It's no longer the Church that buries its secrets in underground libraries and hides its failures behind the closed doors of its clerical institutions. It is now a real missionary church reviving its relationship with God. The new pope has radically changed the organization with a courage his predecessors never dreamed of possessing. The heroes of the previous book—Paul, Lylian, John, and Julie—travel to Africa to follow Josh's prophetic dream to find the first African pope, Peter II. They are not alone in this quest; the demonic Legion of the Gadarenes and its allies, the witch masters of black magic, are hot on their heels. John and Julie meet a fetish dealer on the black market who knows where the new pope, "Africa's Saint," lives in solitude and leads a mission to help the needy. He offers to guide them to the village, but John doesn't like the idea. Before a decision is made, the expedition takes a turn for the worse. A mudslide devastates their camp, and John can only hope that Julie survived the accident. Paul and Lylian cross the continent from another direction, following a local informant to find the "Holy Man," but their task is no easier. If not for the help of angelic troops, they would have perished. Meanwhile, in Europe and the United States, a new religion is emerging. The Master and his maidservants—Salome Sue Richardson and Sidney Grimm—have inflated the new faith into a global religious institution with the help of the corrupt and powerful politician, Carl Millerbeck. This new religion opens a window into the future for anyone who cares to look... If you read Peretti's *This Present Darkness* you will find this series more exciting and intriguing! Follow the demonic legion and the devotes fighting against the darkness through the centuries!

Parting the Waters Taylor Branch,2007-04-16 In Parting the Waters, the first volume of his essential America in the King Years series, Pulitzer Prize winner Taylor Branch gives a “compelling...masterfully told” (The Wall Street Journal) account of Martin Luther King’s early years and rise to greatness. Hailed as the most masterful story ever told of the American Civil Rights Movement, Parting the Waters is destined to endure for generations. Moving from the fiery political baptism of Martin Luther King, Jr., to the corridors of Camelot where the Kennedy brothers weighed demands for justice against the deceptions of J. Edgar Hoover, here is a vivid tapestry of America, torn and finally transformed by a revolutionary struggle unequaled since the Civil War. Taylor Branch provides an unsurpassed portrait of King's rise to greatness and illuminates the stunning courage and private conflict, the deals, maneuvers, betrayals, and rivalries that determined history behind closed doors, at boycotts and sit-ins, on bloody freedom rides, and through siege and murder. Epic in scope and impact, Branch's chronicle definitively captures one of the nation's most crucial passages.
