Victor E. Ampuero Matta

Los libros apócrifos (Deuterocanónicos) Victor E. Ampuero Matta,1995

Jesús según los apócrifos Beatriz Ontaneda Portal,Rose Marie Paz Wells,2008-01-01 ?Beatriz Ontaneda Portal y Rose Marie Paz Wells emprenden la ardua tarea de intentar hacer una biografía real de Jesús, desde su nacimiento al momento de su muerte. Para ello parten casi siempre de la información aportada por estos textos prohibidos, citando todas aquellas anécdotas o detalles que no aparecen en los evangelios canónicos.? (Web Anika entre libros) ?Jesús según los apócrifos es un libro que conviene leer, pero no porque cuestione valores éticos o morales de la cultura judeo-cristiana -cosa que las autoras no hacen ni pretenden-, sino porque arroja luz sobre aspectos que son fundamentales para conocer un poco mejor al personaje llamado Jesús el Nazareno.? (Blog Casa das letras) Una visión de Jesús de Nazaret que ha sido sistemáticamente perseguida y ocultada por la Santa Sede y, aún así, ha llegado hasta la actualidad. Existen numerosas visiones de la vida de Jesús, la Iglesia ha primado una sobre las otras, una versión inmutable y verdadera que justifica el dogma, pero ya desde la misma creación del cristianismo, la propia doctrina tenía versiones distintas de las creencias. La vida de Jesús también ha sido transmitida e interpretada de innumerables maneras distintas, algunas de ellas se ajustan al dogma, pero también existen perfiles del Mesías heréticos: Jesús según los apócrifos nos presenta una figura del de Nazaret de acuerdo a los que se dice de él en unos evangelios que han sido prohibidos, perseguidos y quemados por los poderes religiosos pero que aun así han llegado hasta nuestros días. Existen tres tipos de textos sobre el cristianismo y sobre el propio Cristo: los protocanónicos, sobre los que no se discute su autenticidad, los deuterocanónicos que no han sido aceptados pero se han incorporado al credo oficial y, por último, los apócrifos que son textos que han pertenecido a corrientes minoritarias del cristianismo. Beatriz Ontaneda Portal y Rose Marie Paz Wells nos muestran que, en algunos aspectos, el canon cristiano ha usado datos de los apócrifos. Dividen el libro en dos partes: en la primera contextualizan los apócrifos para ver la influencia de otras religiones y sectas de la época, sobre el cristianismo, en la segunda nos detallan cómo sería la vida de Jesús y de sus seres más cercano, si tuviéramos en cuenta lo que los apócrifos dicen de ellos, además, en un último capítulo, las autoras nos enumeran una breve muestra de las contradicciones e incongruencias que existen en los propios textos canónicos. Razones para comprar la obra: - La obra muestra la pugna ideológica en el seno del cristianismo y la labor de reescritura que, posteriormente, hace el cristianismo paulista sobre las otras versiones de la religión. - El cristianismo y los temas

relacionados con él, estén o no dentro del canon, tienen mucha importancia para millones de personas en la actualidad. - Nos desvela que la visión del cristianismo y de la propia vida de Jesús han sido múltiples a lo largo de la historia y, algunos aspectos, han sido ocultados deliberadamente. - Nos descubre aspectos desconocidos de la vida de Jesús que ayudan a humanizar la figura del hijo de Dios. La relación de María Magdalena con Jesús de Nazaret, la participación de otras religiones en el credo oficial, la crucifixión del Mesías o de Simón de Cirenea en su lugar, son tratados de un modo accesible y rigurosos, alejados del sensacionalismo y del esoterismo.

Embark on a transformative journey with Written by is captivating work, Discover the Magic in **Descargar Libros Apocrifos Gratis** . This enlightening ebook, available for download in a convenient PDF format , invites you to explore a world of boundless knowledge. Unleash your intellectual curiosity and discover the power of words as you dive into this riveting creation. Download now and elevate your reading experience to new heights .
