A New Earth: Oprah's Book Club Eckhart Tolle, 2006-08-29 OPRAH'S BOOK CLUB PICK 2025 #1 NEW YORK TIMES BESTSELLER "As we welcome a new year, I wanted to revisit the book that had more effect on me than any other book by a living author has had on my perception of how I understand my connection to the world." —Oprah Winfrey (Oprah's Book Club January 2025) With his bestselling spiritual guide *The Power of Now*, Eckhart Tolle inspired millions of readers to discover the freedom and joy of a life lived "in the now." In *A New Earth*, Tolle expands on these powerful ideas to show how transcending our ego-based state of consciousness is not only essential to personal happiness, but also the key to ending conflict and suffering throughout the world. Tolle describes how our attachment to the ego creates the dysfunction that leads to anger, jealousy, and unhappiness, and shows readers how to awaken to a new state of consciousness and follow the path to a truly fulfilling existence. Illuminating, enlightening, and uplifting, *A New Earth* is a profoundly spiritual manifesto for a better way of life—and for building a better world.

A New Earth, An Old Deception Richard Abanes, 2008-07-01 When Christians are confronted by media with a new theology, they aren't always sure what to do. It may sound spiritual, almost Christian. But something isn't quite right. Richard Abanes helps believers as well as the curious understand that Eckhart Tolle's message in *A New Earth* is dangerous. He then provides a clear biblical response to this New Age message. Topics include Tolle's misuse of Scripture, false teachings on God, the Bible's teaching on evil, *A New Earth*'s version of salvation compared to God's plan, and much more.

A New Earth Eckhart Tolle, Eckhart, 2006-06-01 Eckhart Tolle draws on essential spiritual teachings of all ages and traditions to reveal a fresh evolutionary model of spiritual life for the 21st century.

Emergence Derek Rydall, 2015-01-06 In his bestselling book *Emergence*, Derek Rydall helps you throw aside the self-help books and recognize one simple, radical truth: the answer is already in you. The harder we try to change, the deeper in the hole we get. We find a new partner but have the same old fights. We strive for an ever-bigger paycheck but end up broke at a higher income bracket. This is what happens when the basic principle of life—the Law of Emergence—is disrupted, stopping you from knowing that you are the perfect you. Like an acorn is a perfect acorn that becomes a perfect oak tree, there is not a part of you from beginning to end that isn't exactly what you should be. The Law of Emergence provides the foundation to re-engage with this ancient principle. In this seven-stage framework, spiritual life coach Derek Rydall shows that we aren't lacking anything; everything we need to fulfill our full potential is already inside us. Backed by an ancient truth that has largely been lost, Rydall changes the conversation around how to achieve your potential by showing you how to activate the genius already in you and empower your purpose in life. If you are struggling to improve something about yourself—your health, your mindset, your relationships, then *Emergence* is the book and Derek is the teacher you have been waiting for.

New age Old lie Rayland Millsby, 2020-03-21 As we stand at the checkout counter, we buy our children comic books. On the way out of the store, we stop and rent a movie. On date night, we go to the theatre, sit down with a bag of popcorn, and watch the screen as it comes alive with Batman, Iron man and Aqua man, the defenders of the human race. We listen to pop music and take yoga classes. We enroll in holistic cleansing seminars and burn incense while holding crystals to meditate. All of these things seem harmless enough however, they bring with them dangerous pitfalls that can snare even the most dedicated Christian. Learn to understand the New age Movement and recognize the dark underworld that hides in the shadows. Hidden in the commerce of consumer products is a deceiver stealing your attention away from God.

Stepping Stones Bryan Britton,2012-11-12 The educational system in South Africa has failed the young learners of this new nation, says author Bryan Britton who has contributed this work as a very small step in the giant leap necessary to rehabilitate our highly susceptible youth and help them make sound and moral judgements. There has been little concern for the aspirations of the young people of South Africa. The benefits of learning, character building, moral education and religion were lost in the turmoil of the 1980s and 1990s, resulting in a rudderless, sometimes murderous element, pervading South African society. The Rainbow Nation is today the crime mecca of the world, and the haves now have more and the have nots, appallingly less. Can we put an end to this moral decay? Perhaps adopting sound, non-sexist, non-racial and evergreen wisdom from the past can be used to commence regenerating the shredded moral fibre of this country? To aid youngsters in

their search for ethics, the author has gathered a selection of pertinent wisdom from the past. Perhaps young people in South Africa will see in these excerpts, building blocks with which to construct a viable morality for their young lives and hence for the country they are destined to inherit.
