**Susan Shapiro**

**It Ain't So Awful, Falafel** Firoozeh Dumas, 2016-05-03 Zomorod (Cindy) Yousefzadeh is the new kid on the block...for the fourth time. California's Newport Beach is her family's latest perch, and she's determined to shuck her brainy loner persona and start afresh with a new Brady Bunch name—Cindy. It's the late 1970s, and fitting in becomes more difficult as Iran makes U.S. headlines with protests, revolution, and finally the taking of American hostages. Even puka shell necklaces, pool parties, and flying fish can't distract Cindy from the anti-Iran sentiments that creep way too close to home. A poignant yet lighthearted middle grade debut from the author of the bestselling *Funny in Farsi*. California Library Association's John and Patricia Beatty Award Winner Florida Sunshine State Young Readers Award (Grades 6-8) New York Historical Society's New Americans Book Prize Winner Middle East Book Award for Youth Literature, Honorable Mention Booklist 50 Best Middle Grade Novels of the 21st Century

**Everyday People** Jennifer Baker, 2018-08-28 "A delight and highly recommended." —Booklist "Showcases the truth and fullness of people of color." —Book Riot In the tradition of Best American Short Stories comes *Everyday People: The Color of Life*, a dazzling collection of contemporary short fiction. *Everyday People* is a thoughtfully curated anthology of short stories that presents new and renowned work by established and emerging writers of color. It illustrates the dynamics of character and culture that reflect familial strife, political conflict, and personal turmoil through an array of stories that reveal the depth of the human experience. Representing a wide range of styles, themes, and perspectives, these selected stories depict moments that linger—crossroads to be navigated, relationships, epiphanies, and times of doubt, loss, and discovery. A celebration of writing and expression, *Everyday People* brings to light the rich tapestry that binds us all. The contributors are an eclectic mix of award-winning and critically lauded writers, including Mia Alvar, Carleigh Baker, Nana Brew-Hammond, Glendaliz Camacho, Alexander Chee, Mitchell S. Jackson, Yiyun Li, Allison Mills, Courttia Newland, Denne Michele Norris, Jason Reynolds, Nelly Rosario, Hasanthika Sirisena, and Brandon Taylor. Some of the proceeds from the sale of *Everyday People* will benefit the Rhode Island Writers Colony, a nonprofit organization founded by the late Brook Stephenson that provides space for speculation, production, and experimentation by writers of color.

Comprehension [Grades K-12] Douglas Fisher, Nancy Frey, Nicole Law, 2020-08-20 Radically change the way students

learn from texts, extending beyond comprehension to critical reasoning and problem solving. Is your reading comprehension instruction just a pile of strategies? There is no evidence that teaching one strategy at a time, especially with pieces of text that require that readers use a variety of strategies to successfully negotiate meaning, is effective. And how can we extend comprehension beyond simple meaning? Bestselling authors Douglas Fisher, Nancy Frey, and Nicole Law propose a new, comprehensive model of reading instruction that goes beyond teaching skills to fostering engagement and motivation. Using a structured, three-pronged approach—skill, will, and thrill—students learn to experience reading as a purposeful act and embrace struggle as a natural part of the reading process. Instruction occurs in three phases: Skill. Holistically developing skills and strategies necessary for students to comprehend text, such as monitoring, predicting, summarizing, questioning, and inferring. Will. Creating the mindsets, motivations, and habits, including goal setting and choice, necessary for students to engage fully with texts. Thrill. Fostering the thrill of comprehension, so that students share their thinking with others or use their knowledge for something else. Comprehension is the structured framework you need to empower students to comprehend text and take action in the world.

Take Me to Your Readers Larry Swartz, 2017-09-22 This thoughtful book is rooted in the belief that teachers can lead their students to develop their reading tastes and grow in their love of reading at the same time as supporting and stretching students in their meaning-making experiences. This practical resource highlights more than 50 instructional strategies that invite students to work inside and outside a book through reading, writing, talk, and arts experiences. It highlights the work of guest voices that include classroom teachers, occasional teachers, special education teachers, and librarians who share their best literacy practices. *Take Me to Your Readers* uses 5 essential areas to structure classroom experiences through children's literature: Motivation; Theme Connections; Genre Connections; Cross-Curricular Connections; and Response. Extensive booklists, teaching tips, a wide range of activities, and reproducible pages provide practical support. Ultimately, this book is designed to take teachers to their readers and start them on a lifelong journey through great books!

Taking Cover Nioucha Homayoonfar, Firoozeh Dumas, 2019 This coming-of-age memoir, set during the Iranian Revolution, tells the true story of a young girl who moves to Tehran from the U.S. and has to adjust to living in a new country, learning a new language, and starting a new school during one of the most turbulent periods in Iran's history. When five-year-old Nioucha Homayoonfar moves from the U.S. to Iran in 1976, its open society means a life with dancing, women's rights, and other freedoms. But soon the revolution erupts and the rules of life in Iran change. Religion classes become mandatory. Nioucha has to cover her head and wear robes. Opinions at school are not welcome. Her cousin is captured and tortured after he is caught trying to leave the country. And yet, in the midst of so much change and challenge, Nioucha is still just a girl who wants to play with her friends, please her parents, listen to pop music, and, eventually, have a boyfriend. Will she ever get used to this new culture? Can she break the rules without consequences? Nioucha's story sheds light on the timely

conversation about religious, political, and social freedom, publishing in time for the 40th anniversary of the Iranian Revolution.

*Teaching When the World Is on Fire* Lisa Delpit, 2019-09-17 A timely collection of advice and strategies for creating a just classroom from educators across the country, handpicked by MacArthur “genius” and bestselling author Lisa Delpit A favorite education book of the year. —Greater Good magazine Is it okay to discuss politics in class? What are constructive ways to help young people process the daily news coverage of sexual assault? How can educators engage students around Black Lives Matter? Climate change? Confederate statue controversies? Immigration? Hate speech? In *Teaching When the World Is on Fire*, Delpit turns to a host of crucial issues facing teachers in these tumultuous times. Delpit's master-teacher wisdom tees up guidance from beloved, well-known educators along with insight from dynamic principals and classroom teachers tackling difficult topics in K-12 schools every day. This cutting-edge collection brings together essential observations on safety from Pedro Noguera and Carla Shalaby; incisive ideas on traversing politics from William Ayers and Mica Pollock; Christopher Emdin's instructive views on respecting and connecting with black and brown students; Hazel Edwards's crucial insight about safe spaces for transgender and gender-nonconforming students; and James W. Loewen's sage suggestions about exploring symbols of the South; as well as timely thoughts from Bill Bigelow on teaching the climate crisis—and on the students and teachers fighting for environmental justice. Teachers everywhere will benefit from what Publishers Weekly called an urgent and earnest collection [that] will resonate with educators looking to teach 'young people to engage across perspectives' as a means to 'creating a just and caring world.'

*Developing Conceptual Knowledge through Oral and Written Language* Melanie R. Kuhn, Mariam Jean Dreher, 2020-03-12 The development of students' conceptual understanding of the world is vital to their academic success at all grade levels (preschool through high school) and across content areas. This professional resource and course text presents expert perspectives on building conceptual knowledge and vocabulary through reading, writing, and classroom discussion. Topics include the importance of word study and informational texts in early literacy, discussion practices that boost comprehension, the use of multimodal and appropriately complex texts, engaging digital literacies, and discipline-specific writing. Ways to strengthen English learners' conceptual skills are highlighted. Each chapter describes current research, explains how to plan and scaffold instruction, distills Implications for Professional Learning, and offers Questions for Discussion.

*Better with Books* Melissa Hart, 2019-04-23 Featuring 500 diverse book recommendations covering a wide range of subjects, this preteen and teen reading guide is a “go-to resource for parents, students of young adult literature, teachers, and librarians” (School Library Journal). Needed now more than ever: a guide that includes 500 reading recommendations for preteens and teens with the goal of inspiring greater empathy for themselves, their peers, and the world around them. As

young people are diagnosed with anxiety and depression in increasing numbers, or dealing with other issues that can isolate them from family and friends—such as bullying, learning disabilities, racism, or homophobia—characters in books can help them feel less alone. And just as important, reading books that feature a diverse range of real-life topics helps generate openness, empathy, and compassion in all kids. Reading lists are organized around topics, including: • Adoption and foster care • Body image • Immigration • Learning challenges • LGBTQIA+ youth • Mental health • Nature and environmentalism • Physical disability • Poverty and homelessness • Race and ethnicity • Religion and spirituality Each chapter explores a particular issue affecting preteens and teens today and includes a list of recommended related books—all published within the last decade. Recommendations are grouped by age: those appropriate for middle-grade readers and those for teens. Better with Books is a valuable resource for parents, teachers, librarians, therapists, and all caregivers who recognize the power of literature to improve young readers' lives.

**The Book Bible** Susan Shapiro, 2022-02-01 A Brilliant, Buoyant Guide to Publishing Your Book Hundreds of thousands of books come out every year worldwide. So why not yours? In *The Book Bible*, New York Times bestseller and wildly popular Manhattan writing professor Susan Shapiro reveals the best and fastest ways to break into a mainstream publishing house. Unlike most writing manuals that stick to only one genre, Shapiro maps out the rules of all the sought-after, sellable categories: novels, memoirs, biography, how-to, essay collections, anthologies, humor, mystery, crime, poetry, picture books, young adult and middle grade, fiction and nonfiction. Shapiro once worried that selling 16 books in varied sub-sections made her a literary dabbler. Yet after helping her students publish many award-winning bestsellers on all shelves of the bookstore, she realized that her versatility had a huge upside. She could explain, from personal experience, the differences in making each kind of book, as well as ways to find the right genre for every project and how to craft a winning proposal or great cover letter to get a top agent and book editor to say yes. This valuable guide will teach both new and experienced scribes how to attain their dream of becoming a successful author.

**Essentials of Middle and Secondary Social Studies** William B. Russell III, Stewart Waters, 2018-08-06 Building on the success of the first edition, *Essentials of Middle and Secondary Social Studies 2nd Edition* focuses on the key issues central to the teaching of middle and high school social studies, including lesson planning and instructional strategies. Written in an engaging, conversational style, the text encourages teachers in their development as professionals and enables them to effectively use creative and active learning strategies in the everyday classroom. **NEW TO THIS EDITION** This second edition has been significantly refined with new and relevant topics and strategies needed for effectively teaching middle and secondary social studies. New features include: An updated chapter on lesson plans, in keeping with the book's emphasis on planning and teaching. This chapter is designed to provide middle and secondary teachers with new classroom-tested lesson plans and includes two classroom-tested lessons for each grade level (6-12). An expanded chapter on planning. This chapter

provides additional discussion about long-range planning and includes examples of lesson plans with details to help students be better prepared. An updated chapter on technology designed to better prepare middle and secondary teachers to effectively incorporate technology into social studies instruction. Attention is given to digital history, media literacy, teaching with film and music, popular apps and numerous other types of impactful technology. FYI callouts throughout each chapter. These callouts provide helpful information and further explanation. An expanded discussion of the Common Core Standards and C3 Framework and how they impact teachers. An updated chapter titled Experiencing Social Studies. This chapter focuses on topics such as teaching with drama, role play, field trips, and service learning. A Helpful Resources section that details various websites and online resources for further discovery.

**Representing Post-Revolutionary Iran** Hossein Nazari, 2022-06-30 Memoirs of diasporic Iranian-American authors are a unique and culturally powerful way in which Iran, its politics, and people are understood in the USA and the rest of the world. This book offers an analysis of the processes of production, promotion, and reception of the representations of post-revolutionary Iran. The book provides new perspectives on some of the most famous examples of the genre such as Betty Mahmoody's *Not Without My Daughter*, Azar Nafisi's *Reading Lolita in Tehran: A Memoir in Books*, and Fatemeh Keshavarz's *Jasmine and Stars: Reading More Than Lolita in Tehran*. Hossein Nazari places these texts in their social, historical, and political contexts, tracing their origins within the trope of the American captivity narrative, teasing out and critiquing neo-Orientalist tendencies within, and finally focusing on modes of discursive resistance to neo-Orientalist narratives. The book analyzes the structural means by which stereotypes about Islam and women in the Islamic Republic in these narratives are privileged by news media and the creative industries, while also charting a growing number of 'counterhegemonic' memoirs which challenge these narratives by representing more nuanced accounts of life in Iran after 1979.

*Reciprocal Teaching at Work, 3rd Edition* Lori D. Oczkus, 2018-07-06 In this fully revised and expanded third edition of the bestselling *Reciprocal Teaching at Work*, Lori D. Oczkus provides both tried-and-true and fresh solutions for teaching reading comprehension. Reciprocal teaching is a scaffolded discussion technique that builds on the Fab Four strategies that good readers use to understand text: predicting, questioning, clarifying, and summarizing. With a focus on these four evidence-based and classroom-tested strategies, Oczkus presents new ways to use reciprocal teaching to improve students' comprehension while actively engaging them in learning and encouraging independence. Appealing to students and teachers alike, reciprocal teaching encompasses social aspects of teaching and learning with modeling, think-alouds, and discussion. This helpful guide is packed with fresh material, including \* More than 40 new and updated step-by-step lessons and minilessons that reflect current thinking and best practice. \* Dozens of rich suggestions for diving into informational texts. \* Updated research and relevant results that show the effectiveness of reciprocal teaching. \* Creative and targeted tips that capitalize on the specific benefits of whole-class settings, guided reading groups, and literature circles. \* Ideas for

differentiating instruction for struggling readers and English language learners. \* New and newly designed support materials, including reproducibles, posters, bookmarks, and a lesson planning menu. With a wealth of ideas to get you started—and keep you going—this is the all-inclusive resource you need to help students become active, engaged, and independent readers who truly comprehend what they read. Reviews and Testimonials

Literacy coach and author Lori Oczkus knows how to take the best of what works from long-established research and showcase it to make teaching and learning more effective, engaging, and enjoyable. In her latest edition of *Reciprocal Teaching at Work*, she demonstrates how to scaffold instruction so that all K-12 students can benefit from reciprocal teaching techniques, what she calls the Fab Four—predicting, questioning, clarifying, and summarizing—in whole-group, guided reading, and book club settings, for both fiction and informational texts. In clearly delineated lessons and minilessons, Lori deftly shares how to support students' learning, including English language learners and students who struggle, so they can successfully apply and monitor those four discussion strategies—as well as troubleshoot problems—to yield significant progress in their reading comprehension. Filled with great practical ideas, this gem of a book is a must-have for all literacy educators! —Regie Routman, author of *Read, Write, Lead*; *Literacy Essentials*, and *Reading Essentials*

Reciprocal teaching works to push students into deeper learning. There are decades of research on the impact of this instructional approach, and this book shows you how to implement and refine the practice such that all students succeed. —Doug Fisher, author of *Checking for Understanding* and *Visible Learning for Literacy*

One of the great instructional research discoveries of the past three decades has been the efficacy of reciprocal teaching for improving student learning and reading comprehension. More than anyone, Lori Oczkus has explored practical ways for making reciprocal teaching an integral part of nearly any classroom setting. This current work by Lori represents the epitome of her work in translating reciprocal teaching research into practice. Readers will find this immensely readable book filled with strategies that can be easily implemented and that will improve student learning. If you are interested in improving your students' reading achievement, you need to read this book! —Timothy Rasinski, author of *The Fluent Reader* and *Close Reading with Paired Texts*

In this new edition of *Reciprocal Teaching at Work*, Lori Oczkus offers new thinking while reinforcing the best practices that make her ideas timeless. Through these engaging lessons and smart instructional moves, you will empower your students to build the confidence and competence they need to become strong, independent readers. —Donalyn Miller, author of *The Book Whisperer*

On every page of this book, in every activity and plan, the voice of a gifted and empowering teacher inspires the reader. In a major revision of her classic work, Lori Oczkus engages the immediacy and demands of today's classrooms with the most robust constellation of strategies for teaching comprehension. She compellingly demonstrates how the Fab Four are engaged across the grades, and she powerfully scaffolds, supports, and reassures teachers in their efforts to incorporate reciprocal teaching across a broad communication, textual, and digital terrain. —Shane Templeton, Foundation Professor Emeritus of Literacy Studies

University of Nevada, Reno, NV
