

# Its A Dangerous Business Frodo Going Out Your Door

**Kevin J. Vanhoozer**

**A Dangerous Business** McNary Lynch, 2009-09-16 Worth and Niccola Caivano are more than husband and wife. Long-married business and sparring partners, the Caivanos are always looking for the next exciting business venture. When they are invited to Cancun to meet up with Parker, a Golden Boy full of promises, they are exposed to more than just a sweet business deal. While Worth, a financial and management expert, tends to approach each new venture with enthusiasm, his attorney wife relies on her intuition and skepticism to lead her decisions. After Parker tells the couple about the huge potential in strife-torn areas of West Africa, Niccola has some misgivings but is eventually lured into an innovative but complicated housing and diamond deal along with her husband. Things turn sour when one of the major investors is found beaten to death with strategically placed blows in an airport lounge and Worth, an Aikido novice, becomes a suspect. From Houston to Tel Aviv, Africa, and Antwerp, the intrepid couple must clear Worth's name and determine the actual killer that is, until they witness a second murder and discover that they have been placed in serious danger.

**On the Shoulders of Hobbits** Louis Markos, 2012-09-14 Professor and author Louis Markos helps us rediscover the virtue of great storytelling and see that fantasy worlds like Tolkien's land of hobbits and wizards have the power to transform our reality.

**Sacred Courage** Betsy Kirk, 2025-01-25 Prepare your heart for fearless obedience to God's call. As our world and society are increasingly unstable and Christians encounter unprecedented challenges, fear finds a way into every heart and can shape our lives in unexpected ways. In *Sacred Courage*, Betsy Kirk helps Christians fight against fear with faith in God. The author's own battle against fear—from childhood to motherhood, from Minnesota to Indonesia—is woven throughout the book. Each chapter also draws upon Christian wisdom from the ages and offers fresh meditations on biblical passages to develop a response to fear that is theologically informed. Chapters conclude with discussion questions, challenging readers to examine their own hearts as they are given practical help to live a courageous and dread-free life. This book will find a wide audience among those seeking relief from fear and anxiety. If you long for a faith that is bigger than your fears or need a reminder that you are not alone in the battle, *Sacred Courage* offers hope.

**The Heresy of Heresies** Timothy M. Mosteller, 2021-10-14 The heresy of heresies was common sense. --George Orwell, 1984. This book is a defense of common-sense realism, which is the greatest heresy of our time. Following common-sense

philosophers like Thomas Aquinas, G. K. Chesterton, C. S. Lewis, Dallas Willard, and J. P. Moreland, this book defends a common-sense vision of reality within the Christian tradition. Mosteller shows how common-sense realism is more reasonable than the materialist, idealist, pragmatist, existentialist, and relativist spirits of our age. It maintains that we can know the nature of reality through common-sense experience and that this knowledge has profound implication for living the good life and being a good person.

**Tolkien** B. Rosebury, 2016-07-27 Few attempts have been made to arrive at a sober assessment of Tolkien's achievement as a literary artist, and even fewer to define a place for him in twentieth-century literature. This book is a comprehensive and discriminating introduction to Tolkien's work which also aims to redress these deficiencies in earlier criticism. Two chapters are devoted to *The Lord of the Rings*: a third explores the bewildering profusion of shorter works; the last considers the significance of Tolkien's life and career in the century of modernism.

**The Quest: A Heroic Journey of Adventure, Rescue and Redemption** Terence A. McSweeney, 2021-02-20  
ESTEEMED ARCHAEOLOGIST CILLIAN MCGONEGAL had gone missing. He was onto a discovery that would shake up what we know about ancient Egyptian mythology, its origins, time and our place in the world. Then he vanished. After two years, the McGonegal family had given up ever finding their famous member. Then one day a letter arrived for the other McGonegal brother, Patrick. It was astounding. Cillian was alive and what's more he had solved the mystery of the Serpent Mound. There is danger in this discovery however, for not all who want answers have the noblest reasons as Cillian and his brother will soon discover. The concept of time and space is relative, and it all begins with a stone artifact given to Cillian by a strange, shadowed figure who has the uncanny ability to appear as he wishes. Throughout their journey, Cillian, Patrick, and their fellow adventurers will be pursued by others who also want to possess the stone. *The Quest* is the first book of the series that plunges the reader into ancient history and myth presented through a modern tale of adventure, the mystical, honor and loyalty. Follow the McGonegal brothers as they navigate the perils of power and greed in their quest to find the truth.

*The Problem of the Old Testament* Duane A. Garrett, 2020-12-01 Christians throughout church history have struggled with the Old Testament—defining it, interpreting it, and reconciling it with the New Testament. In this thorough, accessible work, Duane A. Garrett surveys three primary methods Christians have used to handle the Old Testament, offering a way forward that is faithful to the text and to the Christian faith.

*The Phenomenology of Questioning* Joel Hubick, 2023-12-14 Bringing together Edmund Husserl, Martin Heidegger and Jan Patocka, this book provides a comprehensive examination of the central role that questioning plays in phenomenology. Joel Hubick not only offers a phenomenological analysis of the activity of asking questions, but further traces the development of this form of questioning in the early stages of the phenomenology movement. Starting with Husserl's motto

'to the matters themselves', Hubick examines how the phenomenological method utilizes questioning as a means to both return to and to preserve the phenomena in order to re-experience them anew. He then demonstrates how Heidegger takes up Husserl's phenomenology as presented in the Logical Investigations and, in doing so, develops phenomenology into a philosophy of possibility, one that seeks in equal measure to preserve questions while also answering them. Continuing this questioning philosophy, this volume showcases how Patocka explicitly advances what had remained implicit in both Husserl and Heidegger's works; namely, phenomenology understood as a set of questions - from 'what is history?' to 'who am I?' - all of which elicit original experiences for future generations of thinkers. With a close focus on the primary material of these three fundamental figures, *The Phenomenology of Questioning* affords a crucial insight into the history of phenomenological reasoning, as well as a reminder to today's phenomenologists to continue asking questions.

*Unconditional Love* Ben Stroup, 2013-05-01 Inspired by the film *Unconditional* and Papa Joe Bradford's outreach to at-risk children, *Unconditional Love* gathers real-life stories celebrating the best in ordinary people who have found extraordinary ways to act as the hands and feet of Jesus in their time and place. Through them we see what matters most in this life, we stir our God-made desire to help others in need, and the world becomes a better place. Papa Joe writes the collection's foreword, starting the conversation about how God's love compels us to show unconditional love for others in ways simple and profound, selfless and yet so rewarding. We meet a band whose trip to Africa resulted in an effort that has so far provided life-saving water and health care to more than 600,000 people. In Tennessee, an 80-year-old woman works a plan to feed 2,000 homeless each week. Others give from their own struggles: a teenager who lost his leg raises money to provide other children with prosthetics; a woman whose brother was killed on 9/11 helps Afghani refugees who fled the Taliban feel at home in the United States; a human rights agency rescues victims of slavery and sexual exploitation. A host of other stories bringing our lives into clearer social and spiritual focus are combined with inspirational quotes, a Bible reading plan, and other tools to encourage further self-discovery and greater personal outreach.

*Seekers in the Hands of an Elusive God* Jeffery M. Leonard, 2025-06-17 Some Christians experience the presence of God as readily as they feel a pleasant breeze or sunshine. For others, God's presence is often much more difficult to find. Like the psalmists, we struggle with asking, "Why, O Lord, do you stand far off?" (Ps 10:1). At least part of the dynamic in this struggle lies in the fact that Scripture presents God as both everywhere and mysterious at the same time. As Paul told the sages of the Areopagus, "In him, we live and move and have our being," yet it is God's will that we "search for God, grope for him, and find him" (Acts 17:27-28). God is as present with his people as the tabernacle was with ancient Israel, and yet even the tabernacle was meant to illustrate the fact that God cannot be pinned down, contained, or controlled. We live in the tension of worshiping a God who is everywhere and yet must be sought. *Seekers in the Hands of an Elusive God* explains the scriptural dynamic of this omnipresent but elusive God. It is when we fail to search for God that our view of who God truly is

becomes distorted and our own spiritual health diminishes when our relationship with God lacks this pursuit. But how, then, are we called to seek God? This book considers a variety of avenues: in Scripture, nature, humanity, worship, silence, doubt, suffering, death, and joy. In all these ways, even those of us who wrestle with spiritual loneliness can join with saints of the past in pursuing the face of God.

**Moon Phase Astrology** Raven Kaldera, 2011-03-28 A guide to understanding the phases of astrological Moon signs and their effects on emotions and personality • Describes the positive and negative character-defining traits of each of the 96 Moon phase/Moon sign combinations • Explains how to use your natal Moon's sign and phase to predict how current and approaching Moons can affect you • Explores the universal challenges arising during each Moon phase throughout the year and ways to honor each phase as it passes The Moon's ever-changing phases offer a way to deepen our understanding of our natal Moon sign as well as the Moon's day-to-day influence on our emotional tides. Through its 8 phases and its wandering dance through each of the 12 signs of the Zodiac--from the Infant's Moon (the New Moon in Aries) to the Storyteller's Moon (the Full Moon in Gemini) to the Prophet's Moon (the waning Balsamic Moon in Aquarius)--the Moon shares its story in 96 different ways. Telling the stories of the heart of all 96 Moon phase and Moon sign combinations, Raven Kaldera explains the creative gifts and emotional challenges bestowed upon those born under each Moon archetype as well as how to nurture the positive traits and improve--or at least discourage--the negative ones. Exploring the influences each Moon archetype has on us as it passes, the author reveals which Moons are the most difficult, what innate qualities each Moon brings out in us, and what we can do to honor each Moon. Including evocative quotes illuminating the nature of each Moon, Kaldera shows how to use your natal Moon's astrological sign and phase to find your "hidden Moons"--the shadows cast by passing Moons--and predict how current and approaching Moons will affect you.

**Seeing and Believing** Stuart C. Devenish, 2012-05-23 In a cinematic culture where multiple visions of reality play at the same time, it is critical that Christian believers know how to confidently identify and discern, among other stories, the Jesus-story that defines their most important commitment in life. Using the optical metaphor of the eye of faith, the author identifies the spiritual life as a visual life. Through themes such as looking through Jesus' eyes, the bible as a visionary text, and the church as a wide-eyed people, he builds a connecting bridge between the seeing-soul in Christian spirituality, and the twenty-first century as the age of the eye. The key words for this exploration are spirituality, discipleship, insight, luminescence, and optical therapy. The author proposes the need for a catechism of the eye that will lead to the renewal of Christian ministry, spirituality, discipleship, and identity.

**The Path Of Life** Russell Cederberg, 2020-10-06 Do you automatically believe everything you hear? Everything you're told? Everything you've learned? Most people will emphatically say no to those questions, but there is a place where people often almost blindly accept everything they're taught. Often, people tend to be passive in their religious beliefs, spending

very little time considering their relationship with God, their understanding of scripture and their place in the Body of Christ. I think it goes without saying that this is one area of life where we should be very diligent, but many people spend more time analyzing things like politics, sports scores and what to wear each day than they do the accuracy of the sermons they hear or the validity of the books they read. I am hoping to help you change these habits. THE PATH OF LIFE is about learning how to gracefully challenge everything you're taught. We need to develop and nurture a healthy sense of curiosity and then acquire the tools to find answers to our questions. This book will be an important resource to help change archaic thought patterns and also discover deeper and more rewarding levels of Righteousness, Peace and Joy than you ever thought possible.

*100 Quotes About Adventure And Exploration That Will Transform Your Life - A Journey Through The Wisdom Of Trailblazers* The Quotes Library, 2024-10-29 100 QUOTES ABOUT ADVENTURE AND EXPLORATION THAT WILL TRANSFORM YOUR LIFE A JOURNEY THROUGH THE WISDOM OF TRAILBLAZERS ABOUT THIS BOOK: Embark on a transformative journey of self-discovery with 100 Quotes About Adventure And Exploration That Will Transform Your Life - A Journey Through The Wisdom Of Trailblazers. In a world often fraught with expectations, pressures, and societal norms, the quest to uncover one's true identity can be both daunting and exhilarating. This collection of quotes serves as a guiding compass, illuminating the path towards embracing authenticity, self-awareness, and personal empowerment. QUOTES SAMPLES: A good traveler has no fixed plans and is not intent on arriving. Tao Te Ching by Lao Tzu A journey is best measured in friends, rather than miles. Tales of the Open Road by Tim Cahill A ship in harbor is safe, but that is not what ships are built for. Sailor's Wisdom by John A. Shedd A traveler without observation is a bird without wings. Mosaic by C.W. Leadbeater Adventure is a path. Real adventure self-determined, self-motivated, often risky forces you to have firsthand encounters with the world. The Art of Travel by Alain de Botton Adventure is allowing the unexpected to happen to you. The Art of Travel by Alain de Botton

**Peter S. Beagle's "The Last Unicorn"** Timothy S. Miller, 2024-04-09 This book assesses the work of one of the foundational figures of American fantasy, Peter S. Beagle. Through its focused analysis of *The Last Unicorn*, this study contextualises Beagle's work in relation to the popularity of the fantasy genre, following its growing success in the aftermath of Tolkien's *The Lord of the Rings*. In addition, through reference to the film adaptation of *The Last Unicorn* and also Beagle's other works, this study highlights the author's longevity and the influence that his metafictional and comedic work has had on contemporary fantasy.

**A Good and True Story** Paul M. Gould, 2022-11-15 Young adults today want authentic answers to their soul-deep questions about God. They want meaningful ways to communicate those answers to others. Most of all, they want to know that they are living a life that matters. In *A Good and True Story*, philosopher, apologist, and international speaker Paul Gould leads readers on an engaging journey through eleven clues that suggest Christianity is not only true but satisfies our

deepest longings. This creative foray into the foundations of Christian truth explores the universe, morality, happiness, pain, beauty, and more for readers looking for culturally informed apologetics. Ideal for college-age and twentysomething readers, small group leaders, and anyone interested in the intersection of faith, philosophy, and culture, *A Good and True Story* reminds readers that their search for identity and purpose is a gift from a loving and purposeful God.

**The Road to Middle-Earth** Tom Shippey, 2017-11-01 Uniquely qualified to explicate Tolkien's worldview, this journey into the roots of the Lord of the Rings is a classic in its own right (Salon.com). From beloved epic fantasy classic to record-breaking cinematic success, J.R.R. Tolkien's story of four brave hobbits has enraptured the hearts and minds of generations. Now, readers can go deeper into this enchanting lore with a revised edition of Tom Shippey's classic exploration of Middle-earth. From meditations on Tolkien's inspiration to analyses of the influences of his professional background, *The Road to Middle-earth* takes a closer look at the novels that made Tolkien a legend. Shippey also illuminates Tolkien's more difficult works set in the same world, including *The Silmarillion*, *Unfinished Tales*, and the myth cycle, and examines the remarkable twelve-volume *History of Middle-earth*, written by J.R.R.'s son Christopher Tolkien. At once a celebration of a beloved classic and a revealing literary study, *The Road to Middle-earth* is required reading for fantasy fans and English literature scholars alike.

**Authentically, Izzy** Pepper Basham, 2022-11-15 In this hilarious, low-spice rom-com, a librarian falls for a book-nerd . . . the only problem is they are an ocean apart. *Authentically, Izzy* is told mostly through emails, texts, and letters and is sure to leave readers with a lighter heart. Perfect for fans of Sarah Adams and Emma St. Clair. Dear Reader, My name is Isabelle Louisa Edgewood--Izzy, for short. I live by blue-tinted mountains, where I find contentment in fresh air and books. Oh, and coffee and tea, of course. And occasionally in being accosted by the love of my family. (You'll understand my verb choice in the phrase later.) I dream of opening my own bookstore, but my life, particularly my romantic history, has not been the stuff of fairy tales. Which is probably why my pregnant, misled, matchmaking cousin--who, really, is more like my sister--signed me up for an online dating community. The trouble is . . . it worked. I've met my book-quoting Mr. Right, and our correspondence has been almost too good to be true. But Brodie lives across an ocean. And just the other day, a perfectly nice author and professor named Eli came into the library where I work and asked me out for a coffee. I feel a rom-com movie with a foreboding disaster nipping at my heels. But I've played it safe for a long time. Maybe it's time for me to be as brave as my favorite literary heroines. Maybe it's time to take the adventures from the page to real life. Wish me luck. Authentically, Izzy Escape into this fun love letter to books and the people who love them. You'll be sure to laugh out loud and swoon for bookish Brodie as you feel the weight lifted from your shoulders with this sweet, low-spice but high sizzle rom-com.

**Faith Speaking Understanding** Kevin J. Vanhoozer, 2014-09-19 In this volume, highly esteemed scholar Kevin Vanhoozer introduces readers to a way of thinking about Christian theology that takes the work he began in the

groundbreaking 2005 book, *The Drama of Doctrine*, to its next level. Vanhoozer argues that theology is not merely a set of cognitive beliefs, but is also something we do that involves speech and action alike. He uses a theatrical model to explain the ways in which doctrine shapes Christian understanding and forms disciples. The church, Vanhoozer posits, is the preeminent theater where the gospel is performed, with doctrine directing this performance. Doctrines are not simply truths to be stored, shelved, and stacked, but indications and directions to be followed, practiced, and enacted. In performing doctrine, Christians are shaped into active disciples of Jesus Christ. He goes on to examine the state of the church in today's world and explores how disciples can do or perform doctrine. Written in an accessible and engaging style, *Faith Speaking Understanding* sets forth a compelling vision of what the church is and what it should be doing, and demonstrates the importance of Christian doctrine for this mission. Disciples who want to follow Christ in all situations need doctrinal direction as they walk onto the social stage in the great theater of the world. The Christian faith is about acknowledging, and participating in, the great thing God is doing in our world: making all things new in Christ through the Holy Spirit. Doctrine ministers understanding: of God, of the drama of redemption, of the church as a company of faithful players, and of individual actors, all of whom have important roles to play. In an age where things fall apart and centers fail to hold, doctrine centers us in Jesus Christ, in whom all things hold together.

FAITH WALKING Dr Ken Baker, 2017-09-26 This book started life as a series of talks on Hebrews 11 on the nature and practice of faith. It was a time of change in our local church: a change in leadership, a change in building and -even more significantly-a shift in what may be called an ideology of purpose. By this phrase, I refer to a corporate sense of journeying, a fluid spirituality of mobility. We began increasingly to define ourselves as the People of God on the Move, not bound or defined by buildings or structures. And in this new context, we began to appreciate the words of Hebrews 11 spoken over Abraham: By faith Abraham, when called to go to a place he would later receive as his inheritance, obeyed and went, even though he did not know where he was going. This profound sense of living in tents as a corporate expression of the life of faith is the subject of this book.

Unveiling the Power of Verbal Artistry: An Psychological Sojourn through **Its A Dangerous Business Frodo Going Out Your Door**

In some sort of inundated with monitors and the cacophony of immediate conversation, the profound energy and psychological resonance of verbal artistry often fade into obscurity, eclipsed by the continuous onslaught of noise and distractions. Yet, located within the musical pages of **Its A Dangerous Business Frodo Going Out Your Door**, a charming

work of fictional beauty that pulses with fresh feelings, lies an unforgettable journey waiting to be embarked upon. Composed by a virtuoso wordsmith, this exciting opus manuals viewers on a mental odyssey, delicately exposing the latent potential and profound impact stuck within the complicated internet of language. Within the heart-wrenching expanse with this evocative analysis, we will embark upon an introspective exploration of the book is main styles, dissect their captivating writing design, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
