Love Is An Open Door Reena Doss,Timi Jolaoso,2020-05-17 Ever felt like no matter how much we love someone, and try our best to please them, we always seem inclined to mess or screw things up without meaning to? Quite often we forget that love is expressed in many ways and not in the way we ourselves express it. This leads to frequent misunderstanding, arguments, unnecessary pride and feelings of rejection. Love in any relationship--we learn through experience--is not an easy road to maintain unless we give it free reign to manifest itself on a daily basis. In this collaboration, co-authors--Timi Jolaoso and Reena Doss--explore love's true nature and how it is expressed within the dynamics of a relationship. The act of surrender, trust, and patience in the face of past experiences can be a daunting and terrifying place to put yourself through. For though the rewards can be incredibly high, the loss can cut deeper than a knife if love is found to be misplaced. However, if love is found first in the nectar of God's grace, love in a relationship transforms into a supernatural gift where fear no longer plays a dominant role. Love gets refined and becomes purer in its ability to be more giving rather than self-serving. Find out what happens to this couple as they struggle to hold on to their independence, yet learn to die to themselves in order to seal a deeper love granted to them by Heaven's open door--Love.

A Companion to Modern Chinese Literature Yingjin Zhang, 2015-08-13 This wide-ranging Companion provides a vital overview of modern Chinese literature in different geopolitical areas, from the 1840s to now. It reviews major accomplishments of Chinese literary scholarship published in Chinese and English and brings attention to previously neglected, important areas. Offers the most thorough and concise coverage of modern Chinese literature to date, drawing attention to previously neglected areas such as late Qing, Sinophone, and ethnic minority literature. Several chapters explore literature in relation to Sinophone geopolitics, regional culture, urban culture, visual culture, print media, and new media. The introduction and two chapters furnish overviews of the institutional development of modern Chinese literature in Chinese and English scholarship since the mid-twentieth century. Contributions from leading literary scholars in mainland China and Hong Kong add their voices to international scholarship.

Love Is Love Is Love Aaron C. Thomas,2023-03-24 The politics of Broadway musicals matter a great deal more to U.S. American culture than they appear to mean, and they are especially important to mainstream politics surrounding sex, gender, and sexuality. Love Is Love Is Love looks to the Broadway musicals of the past decade for help understanding the current state of LGBTQ politics in the United States. Through analyses of Promises, Promises, Newsies, Hedwig and the Angry Inch, The Color Purple, and Frozen, this book attempts to move past the question of representational politics and asks us instead to think in more complex ways about LGBTQ identity, what LGBTQ politics are, and the politics of Broadway musicals themselves. Producing new, complex readings of all five of these musicals, author Aaron C. Thomas places each of them within the context of the LGBTQ politics of their day. Some of the issues the book treats are controversies of casting, the closetedness and openness of musical theatre, LGBTQ identities, adaptation from movies into musicals, and the special power of the musical form by examining how these shows differ from the books and movies on which they're based. Love Is Love Is Love places contemporary LGBTQ political tensions and conversations in a new light, making this an essential companion for students and scholars of contemporary theatre, musical theatre, cultural studies, Queer studies, and gender studies.
