Jicheng Xie

*The Reception of Oscar Wilde in Europe* Stefano Evangelista, 2010-05-06 Oscar Wilde (1854-1900) is now widely recognised not only as one of the most representative figures of the British fin de siècle, but as one of the most influential Anglophone authors of the nineteenth century. In Britain Wilde suffered a long period of comparative neglect following the scandal of his conviction for 'gross indecency' in 1895; and it is only recently that his works have been reassessed. But while Wilde was subjected to silence in Britain, he became a European phenomenon. His famous dandyism, his witticisms, paradoxes and provocations became the object of imitation and parody; his controversial aesthetic doctrines were a strong influence not only on decadent writers, but also on the development of symbolist and modernist cultures. This collection of essays by leading international scholars and translators traces the cultural impact of Oscar Wilde's work across Europe, from the earliest translations and performances of his works in the 1890s to the present day.

*La Vienna di Metastasio (1730-1782)* Luca Beltrami, Francesco Cotticelli, Matteo Navone, 2024-12-16 Il volume ricostruisce le reti sociali ed epistolari che Metastasio sviluppa da Vienna in dialogo con l'Europa tra il 1730, anno del suo arrivo alla corte di Carlo VI, e la morte nel 1782. I contributi ripercorrono i momenti più significativi dell'impegno letterario, musicale, teatrale e artistico di Metastasio, mettendo in rilievo i suoi rapporti con interpreti e figure della società viennese e con interlocutori che, da altre capitali europee, corrispondono con lui per via epistolare. Dalla duplice prospettiva del grande drammaturgo immerso nei cerimoniali di corte e dell'intellettuale che rilegge la lezione antica alla luce della sensibilità moderna, osservando i tanti spostamenti di estetiche e poetiche del secolo, emerge il profilo di un acuto interprete della sua epoca e insieme di un autore a cui si addice la categoria atemporale del classico.

*Il Faro. Cielo, Mare, Terra* Marta Sannia,2016-11-25 Una storia d'amore che appassiona, senza incorrere in trucchi banali per avvincere i lettori meno accorti. Una scrittura verista, capace di sciogliere nel romanzo i sentimenti dei personaggi, annodati ai bisogni mutati dal tempo e dalla vita. Quelli, per esempio, che segnano la lotta tra mascolinità e umanità di Gabriele quando l'amore irrompe con Fiamma. Coraggiosa, generosa, tenace, leale, onesta, fedele agli impegni d'affetto, eppure... Nell'intreccio tra queste vite e quelle degli altri, laddove si perde e si ritrova l'individuo, la narrazione dell'autrice diventa letteratura e il racconto si evolve in romanzo.
