Miracle of Seed-faith Oral Roberts,1972

The Miracle of Seed-Faith Oral Roberts,2017-03-16 Oral Roberts was barely making ends meet when he discovered the three key principles of Seed-Faith in God's Word. "They have never failed me," he shares. "When I had no earthly source or person to turn to, when I was alone with nothing but big problems and challenges facing me, these principles showed me God is my Source. They showed me how to use my giving as a seed I was planting, and to expect God to multiply it even if it took a miracle." The Miracle of Seed-Faith has revolutionized the lives of millions of people. As you read it, let God show you how you can get your needs met through His eternal plan of seedtime and harvest, sowing and reaping, giving and receiving. Man's economic systems may fail, but God's plan never does. By getting into the rhythm of Seed-Faith living, you'll learn that His more-than-enough resources are always available to you.

Oral Roberts David Edwin Harrell, Jr.,1985-09-22 This book may give you the best opportunity of deciding the truth about me and the ministry I hold so dear. -- Oral Roberts Among several biographies of Oral Roberts, the most recent, most accurate, and best documented is Oral Roberts: An American Life, an objective, impressive study... -- New York Review of Books Oral Roberts: An American Life is more than the story of a well-known evangelist and educator. It is the story of a part of the American religious life that not many Americans know or understand.... Dr. Harrell has researched thoroughly and written superbly. -- Billy Graham ... a first-rate biography, one which should give pause to Roberts' supporters and critics alike.... Roberts' first scholarly biographer has done a beautiful job. -- Allen Boyer, Newsday

Oral Roberts and the Rise of the Prosperity Gospel Jonathan Root,2023-04-20 In 1946, God gave Oral Roberts a new Buick. And this just one of many miracles the young, broke preacher learned to expect, as Oral Roberts would go on to build an evangelistic ministry worth millions of dollars, a medical complex, and a university. How do we interpret the life of a man who seemed to combine rampant consumerist excess with a sincere devotion to the gospel? Seeking to answer this question,

Jonathan Root weaves together accounts of Oral Roberts's life in a balanced and engaging narrative. This fresh biography covers Roberts's early life during the Great Depression in Oklahoma, his family's financial struggles during his early career as a Pentecostal preacher, his healing ministry's explosive growth in popularity via the new media of radio and television, and his empire's eventual collapse. Root pays special attention to how Roberts introduced the "prosperity gospel" to American Protestants with his affirmation that God intends his followers to be both spiritually and physically fulfilled. Root's engaging narration looks to primary sources on Roberts's life as well as the mythologized stories he told years later. The man who emerges is both deeply flawed and entirely earnest in his devotion to Christ. *Oral Roberts and the Rise of the Prosperity Gospel* will be an absorbing read for all those interested in American religious history and one of its most colorful figures.

I envy you for I would like to have again the chance of reading it for the first time."—Lee Braxton, Mayor, Whiteville, North Carolina

Unstoppable Increase: Keys to Unlocking The Abundant Life God Has for You Richard Roberts,2017-12-15 What is our part when it comes to walking in unstoppable increase in our lives and what does the God-kind of increase look like? God is an if-then God. When we want to see God move in our lives, we have to do something first. Then—and only then—will He do His part. He promises us in His Word salvation, healing, provision, restoration, wisdom and increase... but only if we believe, receive, confess, obey and give to Him in faith, believing for our harvests. Only He can do what He can do. But only you and I can do what we can do. Perhaps you've been through some sort of wilderness experience and you've wondered, Where is God in all this? There is a real devil in the world, and according to God's Word in John 10:10, he is working overtime to steal, kill and destroy. But that scripture also says Jesus is present in your life too, and He has come so you could have life...abundant life...life that is overflowing with provision and filled with increase in every area...spirit, soul and body.

Theologies of the Gospel in Context David Schnasa Jacobsen,2017-08-25 Many preachers and teachers of preaching talk about the gospel; few name it. Theologies of the Gospel in Context assembles a gifted group of homileticians who think that preachers need to be able to articulate the gospel not in general, but in a certain time and place, in context. They

consider what gospel sounds like for people under oppression, in capitalist economies, in neocolonial contexts, for survivors of trauma, and for disestablished mainline churches marred by racism. Preachers will appreciate these preacher/scholars' desire to articulate the gospel with clarity, especially since the term is so often left unexplained. Homileticians will see a new genre of doing their work as teachers and researchers in preaching: a vision that helps preaching see itself not just as an adjunct to exegesis or communication, but a place of doing theology. In these pages homiletics is more than technique, it is a truly theological discipline.
