

Secesh Meaning Civil War

Gordon Armstrong

The Secret Civil War John Reynolds Sawyer, 2016-06-21 The American Civil War was one of the most harrowing conflicts in history. What many of us don't know is the key role that spies played on both sides of the Mason-Dixon Line during the four-year struggle. This secret war was waged by an intriguing lineup of participants: detective agency chief Allan Pinkerton, who was said to have thwarted a conspiracy to assassinate President-elect Abraham Lincoln; Elizabeth Van Lew, known as Crazy Bet, the operator of a Union spy ring right in the heart of the Confederacy in Richmond, Virginia; and John Singleton Mosby, or the Gray Ghost as he was known, who created havoc by attacking Union troops behind their own lines - and disappearing into the countryside, seemingly without a trace. *The Secret Civil War* tells their stories and more in a compelling tale of espionage, daring, and in many cases, conflicting loyalties.

The Civil War in Song and Story, 1860-1865 Frank Moore, 1889

Josie Underwood's Civil War Diary Josie Underwood, 2009-03-20 A well-educated, outspoken member of a politically prominent family in Bowling Green, Kentucky, Josie Underwood (1840-1923) left behind one of the few intimate accounts of the Civil War written by a southern woman sympathetic to the Union. This vivid portrayal of the early years of the war begins several months before the first shots were fired on Fort Sumter in April 1861. The Philistines are upon us, twenty-year-old Josie writes in her diary, leaving no question about the alarm she feels when Confederate soldiers occupy her once peaceful town. Josie Underwood's Civil War Diary offers a firsthand account of a family that owned slaves and opposed Lincoln, yet remained unshakably loyal to the Union. Josie's father, Warner, played an important role in keeping Kentucky from seceding. Among the many highlights of the diary is Josie's record of meeting the president in wartime Washington, which served to soften her opinion of him. Josie describes her fear of secession and war, and the anguish of having relatives and friends fighting on opposite sides, noting in the spring of 1861 that many friendships and families were breaking up faster than the Union. The diary also brings to life the fears and frustrations of living under occupation in strategically important Bowling Green, known as the Gibraltar of the Confederacy during the war. Despite the wartime upheaval, Josie's life is also refreshingly normal at times as she recounts travel, parties, local gossip, and the search for her true Prince. Bringing to life this Unionist enslaver family, the diary dramatically chronicles Josie's family, community, and state during wartime.

The Facts on File Dictionary of American Regionalisms Robert Hendrickson, 2000-10-30 Provides definitions and

examples of words and phrases used in different geographical regions of the United States.

Elite Confederate Women in the American Civil War Kristen Brill, 2021-05-12 *Elite Confederate Women in the American Civil War* is a wide-ranging primary source collection that offers a compelling selection of upper-class, white Confederate women's voices from archives across the South. From the prison diary of Mary Terry to Elizabeth Baker Crozier's eyewitness account of the siege of Knoxville, this volume introduces lesser-known voices of the war to show the interconnections between the home front and the front lines, and how the war shaped the lives of women and households across the South. This collection challenges students to engage with the role of first-person narratives in history and to reconsider the roles of southern women in the Civil War. Exploring the themes of slavery, nationalism, secession and occupation, these narratives offer new ways to think about traditional issues in Civil War history and, more broadly, show the ways in which studies of women and gender can enrich studies of cultures of war. This book is designed for undergraduate and graduate students of both the American Civil War and women's history.

Illinois Artillery Officer's Civil War Gordon Armstrong, 2005 John Cheney was a well educated businessman living in Dixon, Illinois. In 1862 he raised an artillery company-Battery F, 1st Illinois Light Artillery-and served as its captain. Battery F fought in the Western Theatre in the Army of the Tennessee (Gens. Grant and Sherman). This volume draws on 318 entries from Cheney's Civil War diary and 100 letters he wrote home to his wife, plus additional documents, photos, and material relating to his life before, during and after the war. Cheney's letters and diary entries have a warmth and intimacy that is unusual in writing of that time. John Cheney served out a strong sense of duty to the country that had provided him with security and opportunity. Over time he developed health problems that tested that sense of duty. Cheney was entirely absorbed in his activities when in combat or advancing on Confederate troops. During times of inactivity he suffered boredom and experienced loneliness being separated from his wife and two children. During the Atlanta campaign, his 11-year-old son Royce accompanied him. Cheney was an ordinary man doing his best in the extraordinary occurrences of war.

Army Life in a Black Regiment - Civil War Memoir Thomas Wentworth Higginson, 2019-12-18 *Army Life in a Black Regiment* is an account by Thomas Wentworth Higginson, a colonel of the 1st South Carolina Volunteers, the first federally authorized black regiment, in which he described his Civil War experiences. Higginson's account is particularly important owing to the fact that he contributed to the preservation of Negro spirituals by copying dialect verses and music he heard sung around the regiment's campfires.

The 117th New York Infantry in the Civil War James S. Pula, 2023-01-24 Not known to the historic pen, or platform orator, wrote a soldier in the 117th New York Volunteer Infantry, but the private led in the horror of the fight. Drawing on firsthand accounts, this history of the regiment narrates the monotony and privation of camp life, the exhaustion of long marches and the terror of combat from the perspective of the regular soldier. The operations of the 117th are fully detailed,

including actions in the 1863 Suffolk Campaign, the siege of Charleston, the sieges of Petersburg and Richmond, and the conquest of Fort Fisher, North Carolina.

The Complete Civil War Journal and Selected Letters of Thomas Wentworth Higginson Thomas Wentworth Higginson, 2000 Includes a selection of Higginson's wartime letters, this volume offers a picture of the radical interracial solidarity brought about by the transformative experience of the army camp and of American Civil War life.

Civil War Arkansas, 1863 Mark K. Christ, 2012-11-09 The Arkansas River Valley is one of the most fertile regions in the South. During the Civil War, the river also served as a vital artery for moving troops and supplies. In 1863 the battle to wrest control of the valley was, in effect, a battle for the state itself. In spite of its importance, however, this campaign is often overshadowed by the siege of Vicksburg. Now Mark K. Christ offers the first detailed military assessment of parallel events in Arkansas, describing their consequences for both Union and Confederate powers. Christ analyzes the campaign from military and political perspectives to show how events in 1863 affected the war on a larger scale. His lively narrative incorporates eyewitness accounts to tell how new Union strategy in the Trans-Mississippi theater enabled the capture of Little Rock, taking the state out of Confederate control for the rest of the war. He draws on rarely used primary sources to describe key engagements at the tactical level—particularly the battles at Arkansas Post, Helena, and Pine Bluff, which cumulatively marked a major turning point in the Trans-Mississippi. In addition to soldiers' letters and diaries, Christ weaves civilian voices into the story—especially those of women who had to deal with their altered fortunes—and so fleshes out the human dimensions of the struggle. Extensively researched and compellingly told, Christ's account demonstrates the war's impact on Arkansas and fills a void in Civil War studies.

Diary [kept During the Civil War in the United States of America] from ... 1861 (-65). Adam von GUROWSKI (Count.), 1862

Personal Recollections of Abraham Lincoln and the Civil War James Roberts Gilmore, 1898

Soldiers' Civil War Letters (Expanded, Annotated) Various Soldiers, 2016-11-19 Perhaps no army in history, prior to the American Civil War, left such a remarkable and voluminous collection of letters to home during the years 1861 to 1865. This collection is one of the best. Men from all walks of life and all ranks in the service are represented here over the span of the entire war. The famous and anonymous are included—personal stories of great battles and humorous stories of army life. You'll find pathos, sorrow, fear, and great courage detailed in these letters. Most soldiers were very humble and modest about their own accomplishments but spoke of their comrades with love and admiration. Common soldiers often made remarkable observations. Every memoir of the American Civil War provides us with another view of the catastrophe that changed the country forever. For the first time, this long out-of-print volume is available as an affordable, well-formatted book for e-readers, tablets, and smartphones. Be sure to LOOK INSIDE by clicking the cover above or download a sample.

Bear Wallow Belles: a Love Story of the Civil War Charles Robert Wilson,1903

A Union Woman in Civil War Kentucky Frances Dallam Peter,2021-12-21 Frances Dallam Peter was one of the eleven children of Union army surgeon Dr. Robert Peter. Her candid diary chronicles Kentucky's invasion by Confederates under General Braxton Bragg in 1862, Lexington's monthlong occupation by General Edmund Kirby Smith, and changes in attitude among the enslaved population following the Emancipation Proclamation. As troops from both North and South took turns holding the city, she repeatedly emphasized the rightness of the Union cause and minced no words in expressing her disdain for the secesh. Peter articulates many concerns common to Kentucky Unionists. Though she was an ardent supporter of the war against the Confederacy, Peter also worried that Lincoln's use of authority exceeded his constitutional rights. Her own attitudes toward Black people were ambiguous, as was the case with many people in that time. Peter's descriptions of daily events in an occupied city provide valuable insights and a unique feminine perspective on an underappreciated aspect of the war. Until her death in 1864, Peter conscientiously recorded the position and deportment of both Union and Confederate soldiers, incidents at the military hospitals, and stories from the countryside. Her account of a torn and divided region is a window to the war through the gaze of a young woman of intelligence and substance.

The Language of the Civil War John D. Wright,2001-08-30 America's language changed, along with its history, because of the Civil War. Nowhere is the point more riveting than in *The Language of the Civil War*. This is a unique compilation of slang, nicknames, military jargon and terminology, idioms, colloquialisms, and other words and expressions used (and often originating) during the American Civil War. Organized like a standard dictionary, this volume contains approximately 4,000 entries that focus primarily on everyday camp life, military hardware, and military organization. This one-of-a-kind reference work will make it easy for readers to learn the origin and meaning of such Civil War terms as Buttermilk Rangers, jackstraws, Nassau bacon, pumpkin slinger, and stand the gaff. *Language of the Civil War* contains words originating during the American Civil War. Besides explaining terms and phrases no longer in use, the entries also provide the origins of many common expressions or the original meanings of many familiar sayings that have since changed meaning or connotation. Although many of the terms arose from the nature and needs of life in the military camps, others were in common use in civilian society across both the North and the South. Illustrated with 50 photos and drawings, the volume is a unique resource for students, scholars, reference librarians, and Civil War enthusiasts and reenactors.

The Harriet Jacobs Family Papers Jean Fagan Yellin,2015-12-01 Although millions of African American women were held in bondage over the 250 years that slavery was legal in the United States, Harriet Jacobs (1813-97) is the only one known to have left papers testifying to her life. Her autobiography, *Incidents in the Life of a Slave Girl*, holds a central place in the canon of American literature as the most important slave narrative by an African American woman. Born in Edenton, North Carolina, Jacobs escaped from her owner in her mid-twenties and hid in the cramped attic crawlspace of her grandmother's

house for seven years before making her way north as a fugitive slave. In Rochester, New York, she became an active abolitionist, working with all of the major abolitionists, feminists, and literary figures of her day, including Frederick Douglass, Lydia Maria Child, Amy Post, William Lloyd Garrison, Susan B. Anthony, Harriet Beecher Stowe, Fanny Fern, William C. Nell, Charlotte Forten Grimke, and Nathan Parker Willis. Jean Fagan Yellin has devoted much of her professional life to illuminating the remarkable life of Harriet Jacobs. Over three decades of painstaking research, Yellin has discovered more than 900 primary source documents, approximately 300 of which are now collected in two volumes. These letters and papers written by, for, and about Jacobs and her activist brother and daughter provide for the thousands of readers of Incidents--from scholars to schoolchildren--access to the rich historical context of Jacobs's struggles against slavery, racism, and sexism beyond what she reveals in her pseudonymous narrative. Accompanied by a CD containing a searchable PDF file of the entire contents, this collection is a crucial launching point for future scholarship on Jacobs's life and times.

Men and Things I Saw in Civil War Days James Fowler Rusling, 1899

The New York Times Disunion Edward L. Widmer, Clay Risen, George Kalogerakis, 2016 From 2011 to 2015, the New York Times Op-Ed section hosted the Disunion blog, an online series launched to commemorate the long string of anniversaries over the five-year course of America's most destructive and divisive conflict. Celebrated upon publication for their startling originality and uncanny ability to convey immediacy and inspire fresh thought, the Disunion pieces were an integral part of the Civil War's sesquicentennial celebrations and indeed came to define them. Now, for the first time, the best essays selected from the entirety of the blog are collected in book form, and are presented alongside original introductions. Uniting once again, Edward L. Widmer, George Kalogerakis, and Clay Risen have curated a unique and unforgettable history of the Civil War, from Fort Sumter to Appomattox.

Reminiscences of the Civil War William Penn Lyon, 1907
