Carmine Francoise

Kundalini Meditation Carmine Francoise, 2021-04-20 The book presents your Kundalini growing experiences. This story reflects a classic and easy Kundalini process. With a sense of humor and intelligence, the author recounts her experiences and many reflections during the four retreats she went through with Swami Chandrasekharanand Sarasvati (Swamiji) in India. Each retreat lasts from 6 to 8 weeks. Thanks to Shakti's blessings under Swamiji's guidance over a period of five years, her Kundalini process went smoothly and harmoniously, culminating in Parabindu (Omega). Many reflections are part and parcel of this road.

Kriya Yoga for Beginners Ravindra Kumar, 2013 After Hatha Yoga has purified the body and mind, advanced techniques of Kriya Yoga are used to awaken kundalini in a short time. Suited to all kinds of practitioners, householders or hermits, the set of nearly 20 exercises is a quick method of arousing dormant energy. The methods used here are suitable for today's world where control of the mind is a difficult task. While in other disciplines this has to be worked at, in Kriya Yoga it follows automatically as a by product.

A Guide to Shaktipat Swami Shivom Tirth, 1985 Dialogues on the process of awakening shakti towards inner consciousness while performing Yoga.

Secrets of Shakthipāth and Kundalini Yoga T Sreenivasulu, 2019-12-10 Shakthipāth is an ancient yoga technique used to awaken kundalini energy in a person. The technique can be applied remotely from any distance on a person living anywhere on the planet. The cosmic energy emanates from the body of the shakthipāth Guru, and after awakening the kundalini energy, it returns to the Guru. Thus, the process defies the rational explanation by modern science. The author is a shakthipāth Guru who has given initiation to many persons into kundalini yoga. He has compiled a variety of questions asked by the practitioners, along with his answers in great detail in this book. He has also compiled the various experiences of the practitioners along with his comments. He has explained the numerous intricacies involved in the practice of kundalini yoga along with the detailed working of the shakthipāth technique. The secrets revealed in this book can be of immense help to anyone practicing kundalini yoga in general and also to the spiritual Gurus giving shakthipāth initiation to people in particular.

Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.
