English Grammar and Writing Skills Saidu Challay, Paul F.M. Al-Gbahan Lahai, 2020-05-28 The main focus of this book is to address the problem of lack of grammar texts in simple and straightforward language that students will find less difficulty in understanding. Although this book is designed for students preparing for the West African Senior School Certificate Examination, it can also serve as a useful resource material for students studying English Language in tertiary institutions, teachers of English Language and other people who may want to improve their skills in the use of English Language. This book comprises five parts as follows; parts of speech, sentence structure, enriching vocabulary, punctuation marks and mechanics, essay writing and comprehension and summary.

English Verb Handbook Fredrik Liljeblad, 1999 This title presents a clear introduction to verbs and tenses, and includes conjugation of commonly used verbs.

A Teacher'S Grammer Of English K.R. Narayanaswamy, 2004-06 It is a refresher, a reference book and a workbook for teachers of English. It is also for teachers handling subjects other than English in schools and colleges. The book centres round the idea that grammar paves the way for smooth and accurate communication, and aims to strike a balance between conventional concepts and latter-day developments, and between descriptive grammar and grammar in use. Each chapter of the book begins by describing the forms of the grammatical class or category it deals with. It then presents a variety of illustrative examples. Finally, it explains the communicative uses of the forms and the situations in which they are typically used. A distinct feature of the book is that it deals with both spoken and written grammar, with greater emphasis on the written mode.

ALO Book 1 Javier Jara, 2020-08-05 A series of books for learning English on your own pace.

e-Little Leaders: Grammar Leader K2 Iris Lim, 2013-03-13 LITTLE LEADERS is a pre-primary school series specially designed to prepare kindergarten children for Primary One. This series covers the essential subjects and components, namely English, Grammar, Vocabulary, Writing and Mathematics. There are two levels: K1 - For those who can't wait to go to K2 and K2 - For those who can't wait to go to Pr 1. The activities compiled for each book and each level are structured and focused, with specific learning objectives so parents and teachers can track a child's accomplishments. The introduction of

awarding stars for each activity makes targets fun for the children while allowing parents and teachers to recognize the pace of the child's learning. It is hoped that the progressive activities form part of their learning adventure as they proceed from one page to another. The answer for the first question of each activity is provided with the objective of guiding children in their learning. GRAMMAR LEADER K1 and GRAMMAR LEADER K2 are best used as a set. These books will certainly help children gain proficiency in English language as they progress from one activity to another.

Developing Language and Literacy Ronit Levie, Amalia Bar-On, Orit Ashkenazi, Elitzur Dattner, Gilad Brandes, 2022-10-07 This volume dedicated to Dorit Ravid, offers 29 new chapters on the multiple facets of spoken and written language learning and usage from a group of illustrious scholars and scientists, focusing on typologically different languages and anchored in a variety of communicative settings. The book encompasses five interrelated yet distinct topics. One set of studies is in the field of developmental psycholinguistics, covering the acquisition of lexical and grammatical categories from toddlerhood to adolescence. A second topic involves a section of studies on the interface of cognition and language, with chapters on processing, production, comprehension, teaching and learning language in usage and in historical perspective. A third topic involves a theoretical and applied perspectives on the acquisition and development of literacy competence, including reading, writing, spelling and text production. A fourth topic brings together an array of studies on social, environmental and clinical diversity in language, highlighting novel issues in multilingualism, immigration, language and literacy disorders. Finally, a section of the volume examines in depth questions in Modern Hebrew linguistics, as the home language and launching base of Dorit Ravid's research work.

English Made Easy : Guide & Practice for Learners Banojyotsna Ganguli, Ms. Shwetha Vaidyanathan, 2021-08-11 English Made Easy, is not a run-of-the-mill grammar book. Grammar is one of the most important parts of learning any language. It's only with a proper understanding of grammar that we can move forward in our personal and professional life. Most of the time, grammar books are too complicated, and they do not provide the help that the student needs. This is where English Made Easy comes into the picture. English Made Easy is easy to read, and we believe in giving simple explanations to

maximize student learning. Each chapter has two levels of exercises- Starter and Advanced. Starter exercises are useful for students who need some guidance on the topic and have ample hints to solve. Advanced exercises- will test students to apply the topic into action in the form of writing their thoughts in a logical manner. Each chapter ends with a marvelous mind map which gives a fun component to understand grammatical rules. We have taken excerpts from great poetry, novels, and short stories to also add a literary element to help in understanding grammar. Take a break with the fun crosswords, and word games to help students appreciate the beauty of the English language. English Made Easy is a one-time purchase, to benefit the entire family. It is written to appeal to students, professionals, and homemakers. Anyone and everyone can advance their language skills with this incredible book. The journey doesn't end with a purchase, Let'stute will ensure some amazing payoffs. Sessions with the author and expert faculty solve doubts and gain clarity on difficult areas. Extra material will be sent to readers on a fortnightly basis to add value to their learning. Readers can email us with their queries and will get a personalized response. Readers can also submit their suggestions, which will feature in the upcoming editions of English Made Easy. English Made Easy is our humble effort to bring simplicity and transparency to the learning process.

Good English, Oral and Written, Book One-three William Harris Elson,Lura E. Runkel,Clara E. Lynch,George Linaeus Marsh,1918

Developing Advanced Literacy in First and Second Languages Mary J. Schleppegrell,M. Cecilia Colombi,2005-04-11 This

book addresses the linguistic challenges faced by diverse populations of students at the secondary and post-secondary levels as they engage in academic tasks requiring advanced levels of reading and writing. Learning to use language in ways that meet academic expectations is a challenge for students who have had little exposure and opportunity to use such language outside of school. Although much is known about emergent literacy in the early years of schooling, much less has been written about the development of advanced literacy as students move into secondary education and beyond. Developing Advanced Literacy in First and Second Languages: Meaning With Power: *brings together work on first and second language acquisition and emphasizes the importance of developing advanced literacy in the first language, such as Spanish for bilingual students, as well as English; *spans a range of theoretical orientations and analytic approaches, drawing on work in systemic functional linguistics, genre theory, and sociocultural perspectives; *addresses the content areas of science, history, and language arts; *provides specific information about genres and grammatical features in these content areas; and *presents suggestions for teacher education. What unites the contributors to this volume is their shared commitment to a view of literacy that emphasizes both the social contexts and the linguistic challenges. The chapters collected in this volume contribute in important ways to research and pedagogy on advanced literacy development for the multilingual and multicultural students in today's classrooms. This book is particularly useful for researchers and students in language and education, applied linguistics, and others concerned with issues and challenges of advanced literacy development in first and second languages.
