Elle Madison, Robin D Mahle

Highland Folk Tales Bob Pegg, 2011-11-30 The Highlands of Scotland are rich in traditional stories. Even today, in the modern world of the internet and supermarkets, old legends dating as far back as the times of the Gaels, Picts and Vikings are still told at night around the fireside. They are tales of the daoine sith – the fairy people – and their homes in the green hills; of great and gory battles; of encounters with the last wolves in Britain; of solitary ghosts; and of supernatural creatures like the selkie, the mermaid, and the Fuath, Scotland's own Bigfoot. In a vivid journey through the Highland landscape, from the towns and villages to the remotest places, by mountains, cliffs, peatland and glen, storyteller and folklorist Bob Pegg takes the reader along old and new roads to places where legend and landscape are inseparably linked.

Scarlet Princess Elle Madison, Robin D Mahle, 2021-08-26 A reckless princess. An enemy kingdom. And a mistake that

could cost her everything. Princess Rowan thought she knew her place in the world. She never expected to feel like an outsider. She certainly never imagined she would fall in love, least of all with a man from a barbarian kingdom half a world away. But when series of missteps lands her in the hands of the people she was brought up to hate, she is forced to reconsider everything she thought she knew about both lands. And about herself. After a lifetime of animosity between the kingdoms, will the Socairans ever accept her as one of their own? Or will her mistakes push her people into yet another war? *This enthralling story from the Lochlann Realm takes place after The Lochlann Treaty, but can be devoured and enjoyed all on its own.*

Crimson Kingdom Elle Madison,Robin D Mahle,2021-12-15 Rowan thought she had escaped her life as a prisoner. But even in Lochlann, she is chained by the memories of everything she left behind in Socair. Of everyone she left behind. With her people clamoring for war, the responsibility falls on Rowan to enter into a marriage alliance to keep her kingdom safe. That should be easy, considering she's already received proposals from half the clans in Socair. But even with plenty of options, she's left with no good choices. Will she play it safe? Or will she risk everything for the kind of love she never wanted to begin with? The kind of love that could break her.
