Ups and Downs Inu Etc,2023-12-27 I only have one life to live on this beautiful planet, and I don't want to regret not doing the things I wanted to do at the end of it on my deathbed. Our capacity for happiness is inversely proportional to our capacity for sadness. You won't feel happiness without experiencing sadness. The sadder you feel, the greater your capacity for happiness becomes. Instead of dying peacefully without an adventurous life, I would love to die while doing something adventurous.
