This Is My Wish for You - Mini Welleran Poltarnees, Charles Livingston Snell, 2006-03 For many years customers have requested smaller, less expensive editions of our most popular gift titles and we are happy to announce that we have obliged. A small book has a special charm; it may be slipped into a pocket or a purse with ease. Small Blessings will make welcome gifts for those occasions when a small but lovely token is appropriate. They would also be charming used as an elaborate form of gift-tag, included in a gift basket, or even slipped among the stems of a floral bouquet. A Baby Blessing welcomes a new baby to the world. A Birthday Blessing performs the same function as a birthday card but with much more depth. A House Blessing is intended as a gift for those who have purchased a new home. This is My Wish for You -- long our bestselling title -- bestows the best of everything to its recipient.

*Letters from Home* David R. Reiser, Andrea R. Reiser, 2010-10-12 It's Time to Rediscover America. Our nation is deteriorating. Slowly but surely the virtues and values we once celebrated—responsibility, resilience, dignity, respect—have been abandoned. Our work ethic has been replaced by an entitlement ethic. And as we lose the cultural traits that brought us to our leadership position, America's standing in the world will surely fall as well. But there is good news, say David and Andrea R. Reiser. By rediscovering the qualities that made America great, we can start to turn things around. We can teach our young people—not to mention ourselves, our employees, and our fellow Americans of all ages—what truly leads to success, prosperity, and fulfillment. That's what *Letters from Home* is about. Written in the form of letters to the authors' four sons, it explores fifteen basic American virtues that built our country and that foster individual success. Each chapter

includes profiles of exceptional real people—the authors' wealth management clients, friends, and neighbors—who truly walk the talk. A few examples of what the book teaches: Work hard. Go above and beyond in all that you do. Be resilient and learn from adversity. Seize opportunity when it comes (and it comes every day). Follow your moral compass faithfully and consistently. When you fall, take responsibility for getting back up. Save prudently and spend thoughtfully. Practice gratitude. Know that you're blessed. Part cultural treatise and part kick-in-the-pants, *Letters from Home* is a moving reminder that we live in a land of freedom and opportunity. It should inspire us all—parents, influential leaders, and ordinary citizens alike—to do everything in our power to honor and perpetuate that legacy. The authors are proud to contribute 100% of royalties from the publication of this book to three personally meaningful organizations: Share Our Strength ([www.strength.org](http://www.strength.org)), Memorial Sloan-Kettering Cancer Center ([www.mskcc.org](http://www.mskcc.org)), and FORCE ([www.facingourrisk.org](http://www.facingourrisk.org)).

**The Land** Robert K. Swisher Jr., 2012-03-15 Crumbling Indian and Spanish ruins, lost gold and a modern ranch are all part of *The Land* where centuries of men and women have lived, loved, fought and died. It is a novel of their hopes, dreams of wealth and power, their lust and greed. Symbolic of what this piece of earth means is the spear point made by Silver Moon and cast aside to be found by each successive generation. The spear point fills each possessor with the vision of the past and these ghostly visions have a determining effect on the fate of those who hold it in their hands. In the end, it is this ancient spear point that saves the ranch and its owner from disaster. ROBERT K. SWISHER JR. has been a ranch foreman and a mountain guide. An individual who knows the outdoors and western history, he has successfully combined these interests in stories, poems and novels. He is also the author of "The Last Narrow Gauge Train Robbery," "Fatal Destiny," "Only Magic," "Love Lies Bleeding," "How Far The Mountain" and "Last Day In Paradise," all from Sunstone Press.

*Valor* Murathan Mungan, 2022-09-15 Winner of the 2021 Global Humanities Translation Prize Among Murathan Mungan's signature works, Cenk Hikâyeleri (*Valor: Stories*) has long been considered a milestone of twentieth-century Turkish literature. The six short stories in the collection reflect the author's multiethnic background (which includes Kurdish, Arab, and Turkish heritage) and represent his lush poetics, literary breadth, and sociopolitical commitments. *Valor* reimagines Shahmaran, a mythical half-human, half-snake figure that commonly appears in the folklore of Turkey's southeastern provinces. Legend interweaves with the contemporary realities of ethnicity, religious dogma, gender, and sexuality.

Uncovering hidden narratives within a rich and complicated culture, Mungan's stories depict self-realization and sexual awakening as they showcase one of Turkey's most popular literary voices.

**With Your Words in My Hands** Sonia Cancian,2021-04-07 Following Antonietta and Loris's first kiss in the shadows of the Italian Alps barely a year after the end of the Second World War, the couple was divided by a distance far greater than could ever have been imagined. With Antonietta's family moving to Montreal, migration entered the couple's intimate worlds, stretching the distance between them from the two hundred kilometres separating Ampezzo and Venice to the ocean between Montreal and Venice. Throughout their transatlantic separation, the young lovers fervidly wrote each other until they were reunited in Canada in 1949. *With Your Words in My Hands* tells a story about love and migration as written and read, idealized and imagined, through daily correspondence. Sonia Cancian recovers a rare complete epistolary record of an immigrant experience defined by love and sustained in writing, translating the letters with deftness and an ear for the immediacy of emotion and longing they embody. Cancian gives context to these exchanges dating from the beginning of the largest migration movement from Italy to Canada, showing how love, frustration, fear, sadness, and empathy were palpable elements that inflected the quotidian - bureaucratic processes, employment, family life - and defined immigrant experience. For the countless couples whose love is fragmented by separation but woven together with envelopes and stamps, or onscreen in today's instant messaging, these letters remind us how the experience of distance and proximity, absence and presence, can be reconfigured within the world of intimate correspondence.
