The Evidence Charlie Higgins,2022-02-03 It was early in the morning when Sergeant Stephenson and the investigating team left the crime scene. The police had a tow truck take away the car that Larry and his friends came in. All the mannequins were wrapped in plastic and taken away as evidence. All the blankets and any other articles that had just one spot of red food coloring on it was also removed from the crime scene and taken away as evidence. Then before the sergeant and the team of investigators left the house, two guards were posted outside, and the house was locked up. The sergeant and the other officers went to the police station to make sure everything that was removed from Norma's house was accounted for. A video recording was made before everything was locked away, and would be looked at later by Dr. Smith and his forensic team.

But, biding her time until she makes it big in the music industry, she works as a junior account manager at a big-name media company to cover her New York City rent. Carli meticulously balances her work with her musical endeavors as a songwriter—until a chance meeting with rising star Tau Anderson sends her calculated world into a frenzy. Their worlds collide and quickly blur the strict lines Carli has drawn between her business and her personal life, throwing Carli's reputation—and her burgeoning songwriting career—into question. Louder Than Words Ashley Woodfolk,Lexi Underwood,2024-06-04 This amazing collaboration brings together two

inspirational Black artists, NYT bestselling author Ashley Woodfolk and actress Lexi Underwood, for a story about the transformative power of art as protest and its capacity to change the world. When Jordyn Jones transfers to Edgewood High, it's her opportunity to forget everything that happened at her old school. To forget what she and her friends did. To forget who she used to be. That was a different person — this is a fresh start. Now she's someone new, someone better. Except it's the very first day of school, and somehow everyone already seems to know who she is. But Jordyn soon finds a group of friends, and she even starts talking to Izaiah, a soccer star who shares her love of art. Life is good. That's until an anonymous podcast called Tomcat Tea begins revealing humiliating secrets about Edgewood students, ruining their reputations and in some cases their futures. Jordyn and her friends know they have to do something—and this is Jordyn's chance to prove to herself that she's changed. Jordyn's plan to take down the podcast throws her into the spotlight, and as the momentum builds, so do the risks—because Jordyn has a secret of her own, one that could ruin everything . . . and that a mysterious harasser online is threatening to expose. Dark of the Center Line Schuy R. Weishaar, 2016-03-25 Abraham Jacobsen is misfit for this world. His peculiar gifts have cursed him with a past of good deeds he cannot escape, with dreams and visions he cannot explain, with a future as stone-set as the etchings on a grave marker. Now, just as he has found a suitable place to loose his haunted thoughts in the outer blanks of rural Illinois, Abraham finds himself the prime suspect in the murder of a local girl. He is edged in upon by a priest who wants to see him canonized, an ancient vigilante group with ties to the county’s founding fathers, the dead girl’s farmer father, and local law enforcement. In his roving, Abraham has burned up the road of life in both directions, scorching and scarring as many as he has helped or healed. And the journey has only taken him deeper within the dark of the center line, into a country nothing-world of fields, farms, and roads, a place that seems peopled with his own inner demons and bad memories. But does the dark of the center line lead somewhere too?

Decent People De'Shawn Charles Winslow, 2023-01-17 The “propulsive” (L.A. Times), “intriguing” (Wall Street Journal) story of a black community reeling from a triple homicide, and the dark secrets the killings reveal. In the still-segregated town of West Mills, North Carolina, in 1976, Marian, Marva, and Lazarus Harmon—three enigmatic siblings—are found shot to death in their home. The people of West Mills—on both sides of the canal that serves as the town’s color line—are in a frenzy of finger-pointing, gossip, and wonder. The crime is the first reported murder in the area in decades, but the white authorities don’t seem to have any interest in solving the case. Fortunately, one person is determined to do more than talk. Miss Josephine Wright has just moved back to West Mills from New York City to retire and marry a childhood sweetheart, Olympus

“Lymp” Seymore. When she discovers that the murder victims are Lymp's half-siblings, and that Lymp is one of West Mills's leading suspects, she sets out to prove his innocence. But as Jo interviews those closest to the Harmons' deaths, she discovers more secrets than she'd ever imagined, and a host of cover-ups-ranging from medical misuse to illicit affairs-that could upend the reputations of many. Propulsive and thought-provoking, Decent People is a brilliant novel about shame, race, money, homophobia, and the reckoning required to heal a fractured community.
